**MR. DAVID E. MACDONALD**

On Friday night, June 7, 1946, the soul of David E. MacDonald passed to his eternal reward fortified by the last rites of the Catholic church. Although the church militant has lost one of its most valued soldiers the church triumphant has gained a great hero. He was born at Cherry Hill, January 1, 1883, the youngest son of the late John MacDonald and Ellen MacInyre.

During his eighty-three fruitful years of life he has left an indelible mark on the life of home, family and community, the mark of a virtuous life.

His family loved and respected him for his fatherly devotion and cheerful guidance; his friends honored him for his truth and honesty, and his many acquaintances sought him for advice and companionship.

Truly it has been said that he left no enemies, but everywhere friends, who will ever fondly cherish his memory.

He was twice married, his first wife, the late Winnifred MacDonald, died in 1913, leaving him three sons and three daughters. His sons are John, Hyde Park, Mass.; George, Athol, Mass.; and James at home. The daughters are Mrs. Reginald MacDonnell, Dorchester, Mass.; Mrs. Gerald MacDonnell, North Quincy, Mass.; and Mrs. Augustus Luman, Athol, Mass.; also one sister, Mrs. D. F. MacDonnell, Orwell, Vt.

His funeral, which took place Tuesday morning, June 11th, from his late residence to St. Andrew's Church, was largely attended.

The pall bearers were Henry Coffin, Victor Egan, John A. MacDonald and Cecil McAssey. Requiem High Mass was celebrated by his pastor, Rev. Terrance Campbell, who also conducted services at the grave.

With the solemn rites of Holy Mother Church, which he had served so faithfully and well, his earthly form was tenderly consigned to consecrated earth, there to await the glorious resurrection, May his soul rest in peace.

**IN MEMORIAM**  
In loving memory of Malcolm MacSwain, who departed this life August 9, 1946.

**IN MEMORIAM**  
In loving memory of our mother, Mrs. Elizabeth Sherbrooke, who died August 9, 1945.

**IN MEMORIAM**  
In loving memory of F-66896 Cpl. Clarence Livingstone, who gave his life in France, August 9, 1946.

We often think of days gone when When we were all together, A shadow over our lives is cast Our loved one gone forever.

The rolling stream of life rolls on, Yet still that vacant chair remains, Recalls the voice, the smile, the form Of one who once sat there.

The years they wipe out many things, But this they'll wipe out never, The memory of those happy days When we were all together.

Fondly Remembered by Father, Mother and Brothers.

**Vocational Plan Proves Popular in Saskatchewan**

REGINA, Aug. 8 (CP)—Saskatchewan's dentists are on the lookout for veterans who can stand the sight of blood—women veterans, that is. A new opportunity for ex-service women particularly is presented by Regina dentists who have asked Edythe Coultter, formerly a C.W.A.C. captain and now women's supervisor for Canadian Vocational Training in Saskatchewan, whether she knows of any suitable applicants for jobs as dental assistants.

The dentists have other specifications too regarding applicants. One asked for a blond about five feet two inches tall. Others mention only typing and bookkeeping requirements.

The girls would not be dental nurses—a position which requires a university degree—but would perhaps help with instruments if not required full-time as receptionists. Dentists would prefer assistants who had done the same job in the service.

Under the C.V.T. plan those taking the training on the job would receive the regular \$60 per month allowance.

More than 400 ex-service women in Saskatchewan have taken training under the C.V.T. scheme since last April. Their jobs have ranged from fur finishing to photography. There are many openings in both these jobs now but girls are reluctant to take them up, Miss Coultter revealed.

The C.V.T. has planned a program which will aid in relieving the critical shortages of nurses being felt now across the Dominion.

A nurses' aid course will begin in September with the approval of the Saskatchewan Registered Nurses Association. Fifteen students will take the nine-month course including work in dietetics, nutrition, family relations, cooking and sewing. They are practically all wartime jobs with new hospitals scheduled to open throughout the province within the next year.

Non-service women are beginning to be included in training under C.V.T. They will be enrolled where there are vacancies in the nurses' aid course and also in a course in homemaking opening at Saskatoon in August.

The largest group studying under C.V.T. in Saskatchewan is taking pre-marriage courses. But jobs in the program include: floor managers, photographers, florists, job cleaners and cake finishers.

An electronic machine has been developed which roasts green coffee in a two-minute operation and time including normal roasting time has been five minutes.
