Eskimos In The North

There are 5,979 Eskimos in Canada, according to the census of 1931 and they are located as follows: Yukon 85, North West Territories 4,670, Quebec 1,159, Manitoba 62, Alberta 3. There are 3,116 males and 2,863 females.

It is impossible to say definitely whether the Eskimos have increased or decreased during the past decade, but the impression of the Dominion Bureau of Statistics is that they are increasing.

In 1921 the Eskimo population, rated at over three thousand, was simply an estimate based largely on information supplied by Royal Canadian Mounted Police and missionaries. In 1931 the census of the North West Territories was complete.

—DUNLOP TIRES and inner tubes, all sizes, sold right at Brace's. 5521-9-29-2i.

—CAR OVERTURNS—Mr. Byron McDonald, of Summerside, had what might have been a serious accident on Monday evening. In passing a car on Adam's Hill near Milton, the machine struck a rut in the road, causing one of the front tires to burst. The car turned completely over, smashing most of the windows. Fortunately no one in the car was hurt. A passing motor man came to their assistance and the car towed into Charlottetown. Later the party proceeded on their return journey to Summerside.—S.

—ABSENT-MINDED SPORTSMEN—Two sportsmen, who had spent an afternoon recently at Muddy Creek, with the hope of having a shot at some ducks, returned to their home in Summerside very downhearted as they had not sighted a single bird. A kind neighbor invited them to have supper and just as they were enjoying the delicious viands placed before them, some one came in and reported having seen a flock of ducks in the vicinity of their favorite shooting grounds. The sportsmen were up and away in less time than it takes to tell the story. Arrived on the spot, there were the ducks alright, but alas, the guns and ammunition had been left behind. What those sportsmen said must be left to the imagination.—S.

Wedding Bells

A very pretty wedding took place on Tuesday morning, Sept. 27th, at 6 a. m., in St. Paul's Church, Summerside, when Miss Mary Loretta McArdle, formerly of Summerside, but now of Moncton, N.B., was united in marriage to Mr. George Urban Walton, of Moncton.

The bride, who was given away by her brother-in-law, Mr. Paschal McDonald, of Hunter River, was very charming in a chic costume of midnight blue pebble crepe, with hat and accessories to match, and wore a corsage bouquet of talisman roses. She was attended by Miss Gertrude Leckie, of Miscouche, who wore a georgette dress of nigger brown, with hat and corsage bouquet of pink roses.

The groom was attended by the bride's nephew, Mr. J. C. Byron McDonald.

The Nuptial Mass was celebrated by Rev. G. J. McLellan, D.D.

The Wedding March was played as the bridal party entered the church, by the organist, Mr. Lawrence Gallant, who played appropriate hymns during the ceremony.

Immediately after, a wedding breakfast was served at the home of the bride's sister, Mrs. Charles E. McDonald, on Hanover Street, to the immediate relatives.

Mr. and Mrs. Walton left by car for Borden for a honeymoon trip to Montreal, Ottawa, and other Canadian cities.

Mrs. Walton was well known in Summerside, where for a number of years she was a night operator at the Telephone Office, and was the recipient of some lovely gifts from her old friends.

Previous to her marriage several parties were given in her honour at Moncton by her friends. As Mrs. Walton was a saleslady at Eaton's for the past five years, she received many appropriate gifts.

On their return, the happy young couple will reside in Moncton, N.B., where Mr. Walton holds a responsible position under Mr. W. E. Burns, superintendent of motor equipment and car transportation in the C. N. R. The Guardian joins a host of friends in heartiest congratulations

Attending the wedding from Moncton were the groom's sister Mrs. Peter McDonald and his brother, Mr. C. E. Walton, also Mr. and Mrs. Paschal McDonald, of Hunter River.—S.
