

Religion And Life

By Very Rev. George C. Pligson, D.D., L.L.D. First Moderator of the United Church of Canada (Copyright)

"He says he's saved, and him with a face like that!" she laughed a Salvation Army lass in her inimitable Cockney dialect at a Scotch professor. After the song and testimony at her outdoor meeting, she had gone through the crowd asking this one and that one: "Are you saved?" and when this tall, spare scholar with a face like Dante's, answered: "I hope so," the above was not sarcasm, which prompted her remark.

IN MEMORIAM KENNETH J. MORRISON

The death of Kenneth J. Morrison of Dundas, P. E. I., occurred very suddenly in the Memorial Hospital at Montserrat on September 28th, 1949, aged 70 years.

WHERE RHEUMATISM STRIKES ... AND HOW TO DETECT IT

Rheumatic and arthritic pain and inflammation strike any of the areas indicated on above chart (see Arrows). But these diseases have many forms and symptoms. All forms cause pain, frequent swelling, and possible loss of function of joints.

CARD OF THANKS To the many kind friends and neighbours, also those who send flowers and messages of sympathy.

IN MEMORIAM In loving memory of our dear husband and father, Crawford Jay, who passed away October 24, 1947.

God only knows how we miss him in a home that is lonely yet, But the hearts that always loved him Are the ones that never forget.

It is not the tears at the moment shed, That tell of the hearts that are torn, But the secret tears, of the after years And the sorrow that's silently borne.

Thank God for the faith that When the struggles of life are o'er, We shall meet our own, our loved ones, And know them all once more.

Lovingly remembered by his Wife and Family.
