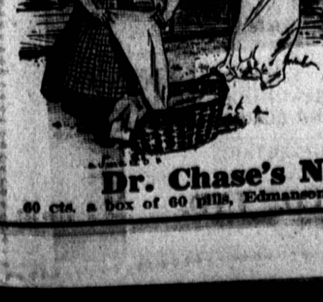
"Now Feeling Fine and Able to do my own work"

Mrs. Walter Grieves, Coe Hill, Ont., writes:
"I was in such a weakened, run-down condition that I could not take care of my household duties.



I was unable to sleep at night, and the doctor told me I was anaemic. I commenced a treatment of Dr. Chase's Nerve Food and to-day I am feeling fine and able to do all my own work.

"My little girl had eczema, and different remedies took no effect whatever. We got a box of Dr. Chase's Ointment and that one box relieved her."

MR. JAMES McQUAID

The death occurred Sunday of Mr. James McQuaid, the well known grocer, after only a short illness.

Deceased although not in robust health, was about as usual and Sunday morning while preparing for Church, complained of not feeling well. He laid down, asking his wife to call him in time for service.

When Mrs. McQuaid went to him she found him unconscious. Medical aid was quickly summoned, but it was found he had passed quietly away.

The late Mr. McQuaid was well and favorably known throughout the city, having conducted a grocery store on the corner of Fitzroy and Great George streets for a number of years.

Of a quiet and unassuming disposition and excellent business qualities, he made many friends, who will regret his passing away.

He was a prominent member of the local branch C. M. B. A.

Besides a sorrowing widow he leaves one daughter to mourn the loss of a kind and indulgent husband and father.

His only brother Patrick, predeceased him about a year ago.

Eastern Stars Reply To Station Enders

Replying to the challenge of the Station Enders we wish to say that the Eastern Stars will play any intermediate team in this province. We have played games his season against teams that were supported by league players, but we distinctly understand that the league men had left the league and become intermediates for this season. We will play any baseball team in this province on condition that they will be intermediate players for the rest of this baseball season. We strictly refuse to play ball with any team that has players in more than one team If Mr. Burns wishes to choose any nine strictly intermediate ball players we will be willing to meet them for a friendly game. All challenges must be forwarded through the press three days in advance.

::An Oil that is Famous—Though Canada was not the birthplace of Dr. Thomas' Eclectric Oil, it is the home of that famous compound. From here its good name was spread to Central and South America, the West Indies, Australia and New Zealand. It's a Fine Old Custom

In the morning upon rising—drink a dash of ENO's in a glass of water.

It's a custom that brings inner cleanliness, which is just as important from the standpoint of health, as outward cleanliness. Gently, effectively, ENO's "Fruit Salt" eliminates the poisons that clog the system and give rise to constipation, depression, liver trouble and rheumatic conditions.

But be sure it is ENO's you take each morning — the world-famed effervescent saline containing no harsh or drastic mineral salts. ENO's possesses the beneficial and refreshing qualities of fruit in concentrated and convenient form. A dash of ENO's each morning is a pleasant premium to pay for bounding health and mental vigor that it gives.

At the British Empire Exhibition, Wembley, London, you will be welcome at the ENO Kiosk, No. 1, Kingsway West.

ENO's for Constipation, Indigestion, Heartburn, Nervousness, Impure Blood, Depression, Failing Appetite, Liver Disorders, Sleeplessness, Rheumatic Conditions. 853
