MARITIME CONVENTION.—The Maritime Educationists Convention opened in Aberdeen school, Moncton Tuesday morning at 9 o'clock, under most auspicious conditions. Teachers, school inspectors, Normal school professors, education superintendents and other branches of the educational systems of the three Maritime Provinces gathered in force. Aberdeen Hall was crowded to capacity. In the opinion of those acquainted with other conventions of a like nature, the convention that opened Tuesday morning was the best in point of number that has been held in the Maritime Provinces for years. Dr. A. H. Mac Kay, Chief Superintendent for Nova Scotia, presided over the deliberation of the convention with W. McL. Barker, of Sussex, acting as secretary. Among the speakers from this Province was Acting Chief Supt. Shaw P. E. I. who made a vigorous and interesting address. He deplored the exodus of Island teachers to the West and blamed it largely upon poor salaries paid to teachers and, in part, to the rise of invidious social distinctions in the East which had not affected the West to such an extent.

The following P. E. I. teachers enrolled: Acting Supt. H. H. Shaw, Charlottetown; Cordelia Munn, Fanning; Florence Vickers, Souris; Georgina Matheson, Cape Traverse; Ruth Mathieson, Bedeque; Mary M. Hammel, Central Bedeque; Mary McGuigan, Middleton; J. D. Seaman, Charlottetown.

METHODIST DISTRICT MEETING.—The Charlottetown District of the Methodist church will meet at York September 4th at 10 a.m. The President of the Conference, Rev. Geo. M. Young, and the Rev. Dr. Steel will be present. The missionary campaign will be discussed and plans arranged for the programme suggested by the Mission Board.

PRISONERS PARCELS.—Sir Robert Borden's testimony in a recent address. Sir Robert says: Everywhere I heard warmest appreciation of the splendid service by the Canadian Red Cross Society, by the Y. M. C. A. and other like associations. Among these the Maple Leaf clubs should not be forgotten. They supply sleeping accommodation for 1,100 men, as well as comfortable meals at very reasonable rates. The headquarters of the Canadian Red Cross Society at York Hotel, Berners street, are much larger and more commodious than when I last visited them. A most interesting and important branch of the work they carried on is concerned with the comfort and welfare of prisoners of war. The organization is wonderfully thorough and complete. Parcels of food, clothing, and other necessities are despatched with absolute regularity, and precise methods are employed to make certain that they reach their destination. The devoted women who have consecrated their labors to this task have nobly earned the gratitude of the Canadian people.

CHURCHES OF CHRIST.—The St. John Standard says that the Delegates have returned home after attending the annual convention of the Churches of Christ of Nova Scotia and New Brunswick which was held at Milton, N. S., August 22nd to 25th. About seventy delegates were in attendance. Prince Edward Island was represented, also the United States. Rev. O. B. Emery, former resident of St. John now minister of Charlottetown Church of Christ, was present, also J. W. Hayter, a minister of New Glasgow Church of Christ, and two Stewart ladies. From the United States came Grant K. Lewis, secretary of the American Christian Missionary Society, who delivered a stirring address on Saturday evening, and delivered the closing address on Sunday evening. The officers of the C. W. B. M. for the coming year are: President, Mrs. J. M. Ford of Milton, vice-pres., N. S.; Miss Williams of Charlottetown; and Mrs. J. S. Flaglor of St. John, for New Brunswick; treasurer, Mrs. Maud Outhouse; cor.-sec., Mrs. Schurman, Summerside, P. E. I.; recording sec., Mrs. Leslie, Port Moncton, N. S. The otherwise clear sky was overshadowed by two clouds. G. F. Assiter, minister of Summerside, P. E. I., editor of "The Christian," and elected president of the convention, fell ill on his way to Milton. At Halifax he was found unconscious lying on the trolley track, where it was supposed that he fell either by accident or by a stroke. His name was frequently on the lips of convention speakers, and his speedy recovery was made the object of many prayers.

W. M. S. CONCERT IN CHERRY VALLEY.—The annual concert of the Women's Missionary Society of the Methodist Church, Cherry Valley, was held on Sunday evening last. B.; Mrs. George McLeod, Montreal; and Mr. Ilett Richards, Cherry Valley. Duets, Mr. Ilett Richards and Miss Marguerite McEachern; Recitation, Miss Grace Jenkins. SEVERE RHEUMATIC PAINS DISAPPEAR
Rheumatism depends on an acid in the blood, which affects the muscles and joints, producing inflammation, stiffness and pain. This acid gets into the blood through some defect in the digestive process. Hood's Sarsaparilla, the old-time blood tonic, is very successful in the treatment of rheumatism. It acts directly, with purifying effect, on the blood, and improves the digestion. Don't suffer. Get Hood's today.
