RECRUITS WANTED

For The South African Constabulary

1000 MEN WANTED

Rates of Pay Liberal—Free Passage Out and Back, &c &c.

THE GUARDIAN has received from Lieut. Col. Moore, D. O. C. a copy of the Militia orders in regard to enlisting for the South African Constabulary. This is a permanent mounted force for the purpose of maintaining order and security in the Orange River Colony and the Transvaal. One thousand men are desired from Canada, not under 20 years nor over 35 years of age; good riders; good shots; unmarried; strictly sober; medically fit, and must be recommended as in every respect suitable for this force.

The term of engagement will be three years, with a possibility of re-engagement at increased pay. Promotion will be by merit and commissions will be obtainable from the ranks. There are three classes of troopers, first, second, and third. Recruits must enter as third-class troopers, whose pay will be \$1.21 per diem, to commence on attestation in South Africa. Promotion will be from one class to the next higher, and so on. Second class troopers will receive \$1.46 a day; first-class \$1.70; Corporals \$1.82; second-class Sergeant \$1.94; Sergeants \$2.19; Staff Sergeants \$2.43, and Superintendent Warrant Officer \$3.65 as daily pay. Men desirous of marrying in South Africa must first obtain the sanction of the Officer commanding, and then will be entitled to an extra allowance of 73 cents a day.

On completion of three year's service a man may, if approved, re-engage at an increase of six cents a day, and at the end of five years at an increase of 12 cents a day for every additional year until a total of 48 cents a day is reached. Rations, horse, forage, equipment, arms, quarters and medical attendance are supplied free.

Discharge from the service may be purchased, with consent of the commanding officer for £20 in the first year, £15 during the second year and £10 during the third year. Other provisions relate to transfer to the reserve, in which the man must reside for seven years in South Africa, being free to pursue his ordinary calling, but always liable to be called out for service if required. When called out for his regular ten days training yearly, or for service he will receive full pay, but otherwise the reservist's pay will be \$4.86 per month. Reservists desiring to settle on lands will be given special privileges.

Leave of absence will be granted to all ranks for one month out of each year. After four years without leave, six months leave with full pay will be granted.

Those enlisting will be given free transport to South Africa; but will be liable to further medical examination, and to be tested in riding and shooting on arrival. Those not accepted will be given free passage home, provided there has been no misconduct, misrepresentation or serious fault on their part. To those who enter the service, and retire after five years a free passage home will be given.

In selecting candidates for enlistment preferences will be given: 1. To men who have served in the permanent force or in N. W. Mounted Police. 2. Men who have done three consecutive years training. 3. Men who have served in the R. C. Regt. of Infantry. 4. Men who have served in the Infantry or Garrison Artillery of the Active Militia. 5. Other applicants.

After the date of attestation here until arrival in South Africa the pay of men will be 24 cents a day with railway fares and subsistence. If a sufficient number enlist in Canada a special transport will be provided. Otherwise troops will proceed by third-class passage via England.

Any further information desired can be obtained by application to Lieut. Col. Moore, D.O.C.

Rheumatism..

is Uric Acid in the blood. Unhealthy kidneys are the cause of the acid being there. If the kidneys acted as they should they would strain the Uric Acid out of the system and rheumatism wouldn't occur. Rheumatism is a Kidney Disease. Dodd's Kidney Pills have made a great part of their reputation curing Rheumatism. So get at the cause of those fearful shooting pains and stiff, aching joints. There is but one sure way—

WITH SILENT CONTEMPT.

ROME, January 25.—The premier, Signor Saracco, eulogized Queen Victoria in the chamber of deputies yesterday and moved adjourn.

A socialist, Signor Mirzari, broke the respectful silence, with a cry of "long live the Boers." No notice, however, was taken of the incident and the house adjourned.

The Hacking Cough.

One of the meanest things to get rid of is a hacking cough. There is apparently no cause for it. No soreness, no irritation at first; but the involuntary effort of the muscles of the throat to get rid of something is almost constant. Of course, with many coughs is a habit, but it is a bad habit, and should be stopped. When you realize this and try to stop it, you find you can't, for by that time there is an actual irritation, which will never get better without treatment.

It is a curious thing that nearly all treatment for cough actually makes the cough worse. Then, too, most medicines for cough have a bad effect in the stomach. This is especially true of so-called cough remedies that contain a narcotic. The true treatment for cough is one that heals the irritated surfaces. This is what Adamson's Botanic Cough Balsam does. It protects the throat also while the healing process is going on. When this remedy was first compounded our old men were young boys, and all this time it has been doing steady work of healing throats. The most obstinate hacking cough will quickly show the effect of the Balsam. People who have been trying for years to break up the mean little cough, will find a sure friend in this old-time soothing compound made from the barks and gums of trees. All druggists sell Adamson's Botanic Cough Balsam 25 cents.

Mourning By The Navy of Germany.

BERLIN, January 25.—The Navy Gazette publishes a general order in which Emperor William expresses his sympathy for the "sister navy of Great Britain to which the German is bound by oft-remembered comradeship."

His Majesty directs that officers and officials of the navy shall wear mourning bands upon their left arms for a fortnight and that ship's flags shall be flown at half-mast until after the funeral. His Majesty also directs the German navy to observe the same ceremonials upon the day of the Queen's obsequies as is observed by the British navy.

CATARHOZONE CURES CHILD OF CATARRH.

Perth, Ont.—"I cannot withhold my testimony as to the great value of Catarrhazone as a remedy for Catarrh, one who having cured my daughter of that trouble, and I heartily recommend it to all suffering from that disease. No house should be without it." Mrs. J. A. Morris.

So pleasant, babies use it; so safe grandmothers employ it; so certain to quickly relieve and cure that doctors, lawyers, merchants and public speakers rely upon Catarrhazone as their stand-by for Catarrh, Bronchitis, Asthma and Hay Fever. It is cheap because it lasts so long, and because it is so sure to cure even the poorest can afford to buy it. Every dollar outfit is guaranteed to cure or your money back. Small size, 25c., druggists or by mail, trial sent 10c. by N. C. Polson & Co., Kingston, Canada, or Hartford, Conn., U. S.

Refused To Lower The Flag.

LONDON, January 25.—The Globe reviewing American sympathy with Great Britain on the death of Queen Victoria and referring to the refusal of Mayor Van Wyck of New York to lower the flag over the city hall says: "The solitary exception to this attitude of sympathy and respect is to be regarded as a matter of congratulation rather than of regret. It is a high compliment that the memory of the good and pure Queen should be unsullied by any recognition on the part of Tammany hall and its creatures."

The St. James Gazette says Mr. Van Wyck "so grossly misrepresents the generous feelings of Americans as to refuse to show in New York official respect to the memory of Queen Victoria, which his countrymen are everywhere and by all means in their power displaying to the world."

BRIGHT'S DISEASE OF THE KIDNEYS

Mr. Andrew Duffin of Aultsville, Ont., writes:—"I was troubled with Bright's disease of the kidneys for five years. I tried a number of doctors and preparations, but got no relief. My son advised the use of Dr. Chase's Kidney-Liver Pills. I got a box, and to my surprise, I got relief at once, and am now thoroughly cured." One pill a dose 25 cents a box.
