You'll Feel Worse Every Day Unless You Brace Up Quick! The Best Treatment is Ferrozone.

Every day comes the good news of wonderful cures with Ferrozone. In Peterboro it worked marvels for Louis Meehan—put him right on his feet—made him entirely well. "About three years ago" says Mr. Meehan, "I had the Grippe which left me in a very run-down condition that finally developed into Dyspepsia. I was unable to eat but few things and had a craving for acid. I gave up treating with doctors because they did not help me and on the advice of a friend used Ferrozone. It not only cured me of Dyspepsia and Biliousness, but has built up my strength to what it was before I had the Grippe. I can recommend Ferrozone as an ideal restorative." Ferrozone gives you force, energy, vim.

It strengthens the stomach cures indigestion, prevents headaches—guarantees good health. Thousands use Ferrozone—they all improve—get better health—look better—feel better; try it yourself—sold in 50c boxes by all druggists.

HE DIED OF KIDNEY DISEASE.

How often we hear of these sad cases. The back-pains and headaches were noticed—but not treated. Dizzy spells, frequent calls and languid condition appeared, but nothing was done till the disease was far advanced. Cure invariably results from Dr. Hamilton's Pills. They restore perfect health, destroy every symptom of diseased kidneys, build up constitutions that defy further outbreaks. Because purely vegetable and free from injurious materials, no remedy equals Dr. Hamilton's Pills for Kidney and Liver complaint. Sold in 25c. boxes by all dealers.

The Marshall's Automatic Brake Pipe Coupler, once installed will last as long as the car itself, besides there is no risk to the lives of men going between the cars to make coupling as with the Marshall's automatic Brake Coupler, there are no such couplings to be made.

The old style rubber hose couplings will not stand more than 70 pounds air pressure, whereas the Marshall's Automatic Brake Pipe Coupler being made of metal, will stand all the pressure the engineer has under his control.

Parties wishing to avail themselves of this proposition, can do so by making remittance to any bank or office in the United States, to say nothing of those in use in foreign countries; one third of the old style rubber hose must be overhauled each year and a new pair must take the place of the old worn out ones, at an expense of over \$2.50 thus making an annual needless expense of over two million five hundred thousand dollars, whereas with the Marshall's
