

DEAR ECONOMY

Some short sighted people practice a kind of economy that is not economical. They save a penny on Soap and lose a dollar on clothes. Sooner or later they learn that the cheap common Soaps, rot clothing by burning the thread with strong Alkali's, then they wish they had used

WELCOME SOAP

which contains no impurities, nothing to injure the most delicate fabric, There is still greater economy in using "Welcome Soap"—

Because it lasts longer than Others.

ANOTHER NAME ENROLLED.

Growing list of those who testify to Dodd's Kidney Pills in Montreal.

MONTREAL, July 9.—The list of those who have received benefit from the great medicine, Dodd's Kidney Pills, is steadily growing in the city. Since Mr. Robert Thomson's name was published, Mr. M. Mullin, of 4 Elgin Street, has stepped forward and submitted his testimony. His case was Rheumatism which though now generally recognized as a kidney disease is not always treated as such.

People waste a lot of money trying to drive Rheumatism from the system. If they would all follow Mr. Mullin's example they would be saved much pain and expense.

Says he, "I have had Rheumatism for some time and could get nothing to cure me until I used Dodd's Kidney Pills. I have now taken three boxes and am cured."
