flourish in the most unexpected places and quickly attack a body weakened from colds or general debility, but if the lungs are fortified with **SCOTT'S EMULSION** their progress can be prevented and often overcome. **SCOTT'S EMULSION** is used in tuberculosis camps because its highly concentrated nourishment builds strength and resistive-power faster than disease destroys. It assimilates without taxing digestion, and contains no alcohol. **Absolutely nothing equals SCOTT'S EMULSION to strengthen the lungs and drive out colds and coughs.**

Won Its Favor Without a Flavor

When you eat a breakfast cereal you want to do your own flavoring or seasoning. That's the reason you will choose

SHREDDED WHEAT

for your morning meal. It is a natural, elemental food made of the whole wheat steam-cooked, shredded and baked a crisp, golden brown. It is not flavored or treated or compounded with anything and hence keeps indefinitely in the market—the standard cereal food eaten all over the world.

For breakfast heat the Biscuit in the oven a few moments to restore crispness; then pour hot milk over it, adding a little cream; salt or sweeten to suit the taste. It is deliciously nourishing and wholesome for any meal with stewed prunes, baked apples, sliced bananas, preserved peaches, pineapple or other fruits. At your grocer's.

Big Ben

Big Ben—Two Good Alarms in One

Take your choice in Big Ben. He rings either way you wish—five straight minutes or every other half minute for all of ten minutes, unless you switch him off. He's two alarms in one.

If you're a light sleeper, turn on the half minute taps before you go to bed. If you sleep heavily, set the five minute call. You can slumber then without the get-up worry on your mind.

When morning comes, and it's announced by Big Ben's jolly bell, you can't help getting up at once, for Big Ben never fails to get you wide awake.

Big Ben is really three good clocks in one, two excellent alarms and a fine time-keeper to keep in any room and tell time all day by.

If you have got to get up bright and early, if you have to get your help in the field on time, ask for Big Ben at your dealer's and try him for a week. You'll never want to be without him afterwards.

Big Ben stands seven inches tall. He is triple nickel-plated and wears an inner vest of steel that insures him for life. His big, bold figures and hands are easy to read in the dim morning light. His large, comfortable keys almost vibrate themselves. His price, \$3.00 is easy to pay because his advantages are so easy to see. Big Ben is sold in Prince Edward Island by the following jewelers:

\$3.50 Recipe Free For Weak Men.

Send Name and Address To day—You Can Have it Free and Be Strong and Vigorous.

I have in my possession a prescription for nerve debility, lack of vigor, weakened manhood, falling memory and lame back, brought on by excessive, unnatural drains of the vitality of youth, that has cured so many worn and nervous men right in their own homes, without any additional help or medicine—that I think every man who wishes to regain his manly power and vitality, quickly and quietly should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope to any man who will write me for it.

This prescription comes from a physician—who has made a special study of men and I am convinced it is the surest-acting combination for the cure of debility, manhood and vigor ever put together.

I think I owe it to every man who is discouraged with repeated failures, may stop drugging himself with harmful patent medicines, secure what I believe is the quickest-acting, most reliable, upbuilding STOP-TOUCHING remedy ever devised, and so cure himself at home quietly, and quickly, just drop me a line, like this: Dr. A. B. Robinson, 3877 Lake Building, Detroit, Mich. and I will send you a copy of this simple, but effective, plain ordinary envelope free of charge. THEY ARE TRULY MODERN MIRACLES

Hundreds of People tell of cases, considered hopeless, that were cured by "Fruit-a-tives", the famous Fruit Medicine.

Your Ailment is no worse, probably, than those of many Men and Women who are now Well, Vigorous and Happy.

Is there an "if" in your mind about "Fruit-a-tives"? Do you wonder how it is possible for "Fruit-a-tives" to cure diseases so different as Eczema and Kidney Trouble—Constipation and Gall Stones—Rheumatism and Biliousness—Stomach Trouble and Hay Fever?

The answer is simple. "Fruit-a-tives" acts on the three great eliminating, or blood purifying, organs—the bowels, kidneys and skin. It is the weakness or poor action of the bowels, kidneys or skin—or of all three—that causes the diseases mentioned above.

Eczema, Pimples and other Skin Eruptions, mean poisoned blood. Make the bowels, kidneys and skin active by taking "Fruit-a-tives", and they will purify the blood, so there will be nothing to poison the skin and cause disease.

Kidney Trouble, Rheumatism, Pain in the Back, Neuralgia, mean that the skin, kidneys and bowels are not ridding the system of waste matter, and too much uric acid is being formed in the blood. Take "Fruit-a-tives" to regulate bowels and skin, and the kidneys are relieved of their extra work, while no excess of uric acid is formed.

Constipation, Biliousness, Gall Stones mean, not enough bile to move the bowels and prevent solid masses forming in the Gall Bladder. "Fruit-a-tives" is the only medicine that acts directly on the liver and stimulates the liver to secrete more bile—thus regulating the bowels and preventing stones being formed in the gall bladder.

Stomach Trouble, Chronic Indigestion and Hay Fever are all due to constipation and nervousness, which "Fruit-a-tives" cures.

The above are only a few of the many diseases promptly relieved by "Fruit-a-tives". These tablets will cure any disease and every disease caused by any disturbance, weakness or defective action of Bowels, Kidneys and Skin.

50c a box, 6 for \$2.50, trial size, 25c. At dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.
