your
figure!

New
Playtex Magic-Controller!

shapes and supports you
without a single seam,
stitch, stay or bone!

It's a strikingly different kind of figure control
... with its clever, invisible "finger" panels
that firmly assist the action of your
own body muscles! And, there's a boneless
non-roll top that stays up, raises and slims
your waistline as never before!

Playtex Magic-Controller is all latex,
fabric lined, one piece and wonderful ...
even to the lovely textured latex outside.

Wear it! You'll think you've lost a
full size ... no matter what your size!
