HAROLD F. BITCHIE & CO., Ltd.
New York TORONTO Sydney 811

when the saving waters of Baptism were poured on your head by your venerable uncle of blessed memory, the late Rev. Laughlin McDonald, who was then our beloved pastor, when you first learned to hush childish rayers at a fond parent's knee in the atmosphere of a truly Christian home and later, guided by the same Christian teaching received the Sacrament of Confirmation thereby becoming a true soldier of Christ. As years went by you entered St. Dunstan's College, and there, by your noble and obedient character, your zeal for knowledge and above all, your unassuming piety, you set an example worthy of emulation by your classmates and future students.

In 1916, you stood on the threshold of our Alma Mater—a graduate, facing a bright career in a public life where fame is so often measured by the amount of material success, and the future for the graduate is ever brightly gilded by the golden tints of ambition and fancy. But clearer than all others, you heard Christ's softly whispered appeal "Come follow Me."

With characteristic humility and confidence in God alone, you passed four years under the discipline of the Seminary, leaving there a grand record of a model seminarian. These years of self-sacrifice and study have prepared you for the noble task of teaching the Lesson of the Cross in obedience to the command of Christ, "Go forth and teach all nations."

Though we faint would welcome you as one more devoted soldier in God's army of priests on our dear fair island, you unselfish devotion to duty has led you to answer the call of Western Canada, where the laborers in God's vineyard are so few and where so many pilgrims hunger for the Bread of Life and the consolation of the Gospel.

That task, which you have so willingly accepted from the hands of the Divine Master, is a momentous one, and we pray that God may strengthen you and bless your labors with abundant fruit.

As a slight token of our esteem and affection for you, we ask you to accept this gift, assuring you that although it is small in itself, our good wishes for your welfare are far reaching and sincere.

In bidding you God speed, we humbly ask you to remember us in the Holy Sacrifice of the Mass and in return we hope and pray that they to whom you will minister may be here your joy and consolation and in heaven your beautiful and everlasting crown. (Summerside papers please copy)
