WOOLEN GLOVES WANTED.—The Secretary of the 105th Comfort Circle has received two urgent appeals for woollen gloves for the Island boys. One letter is from the 25th Battalion and the other from the 104th. An extract of one of the letters says: "A supply of woollen gloves would be very welcome. In cold weather it is very hard for the men to be without gloves." The good people throughout P. E. I. will undoubtedly respond to this worthy appeal and send gloves to the Secretary at 70 Prince St., who will mail same as soon as received. In cold weather gloves such as the boys are having now, such as are equally important as socks. Frozen or chilled fingers are most uncomfortable companions for anyone. Although woollen gloves are preferred if sufficient are not to be had, mittens or anything to cover the hands will be welcome. FOOT BALL, P. W. C. AND S. D. C.—The second series of games between P. W. C. and S. D. C., for the International Championship was played on Monday afternoon. Despite the fact that the weather was very disagreeable a large crowd of "rooters" gathered to cheer on their respective teams. The game began at 2.30 p. m. The Saints had the "kick off" which started the most interesting game yet played between these teams. From start to finish both teams exhibited high class football playing. When the whistle sounded "half time" the score was 2 "touch-downs" in favour of the Saints. During the first half J. Wright of the Princes was slightly injured, and was replaced in the last half by Roy Kennedy. Although the second half began in the midst of a heavy snow fall it proved more lively than the first. Excellent play was done by Butler, McDonald and Duggan of the Saints, and by Nicholson, Lantz, Noonan and Campbell of the Princes. In this "half" the Saints succeeded in placing one more "touch-down" to their credit, making a total of 3 "touch-downs." The Princes being almost a new team deserves credit for the playing displayed by them in these games. The boys of both teams join in thanking the referee, Mr. Samuel Doyle for his kindness and the fairness with which he refereed both games.
