IRRESISTABLE GLITTERING GLORIA SWANSON

"THE IMPOSSIBLE MRS. BELLEW"

YOU'LL SEE

A new and greater Gloria Swanson in this picture. Gloria as a gay divorcee, tarnished by the tongues of scandal, shocking her gilded Monte Carlo throngs with her daring and breaking her heart in silence.

Gloria wearing wonderful new gowns. Gloria flirting on the beach at Deauville, French society's famous playground, amid a hundred one-piece bathing beauties.

A dazzling fashion show and a mighty heart-drama! With Conrad Nagel, June Elvidge and Robert Cain in the supporting cast.

ISLAND LADY BROADCASTING—In a recent copy of the Rocky Mountain News, of Denver, Colorado, we notice an excellent picture of Mrs. George B. Mrs. MacEachern sang "Thank God for a Garden," (by Del Riego), and "Good-bye," (by Tosti), with violin obligato. These selections, with others on the program, were plainly heard in Oakland, as well as in Boston and Halifax. Like her husband, Mrs. MacEachern is a native of Prince Edward Island, her maiden name being Miss Beatrice M. Vickerson of Mount Stewart.

SIGNS OF SPRING—The Guardian is in receipt of a real live butterfly measuring over 5 inches from tip to tip of the wings. This specimen which is perhaps the first of the season was sent in by a resident of Rustico who informs us as to how he obtained it. About a month ago he picked a little sprig from a fir tree, bearing a promising looking chrysalis, brought it home and hung it up near the kitchen stove. He had almost forgotten about it when on coming into the kitchen one morning he was somewhat surprised to see a large richly colored butterfly beating its wings against the windowpane. In trying to ascertain as where it had come from he remembered the fir sprig which still hung behind the stove.

Two towers run up to a height of about fifty feet surmounted by steeples, the tops of which will be about seventy-five feet from the ground. There will be one central entrance, baptistry on the right hand side and small gallery above. Coombs, manager of the Bank of Montreal, is treasurer of the Memorial Fund and contributions may be handed to him or to Rev. Mr. Malone, or any of the officers of the church.

THE DAYS OF '49—At the 30th anniversary entertainment of Cypress Camp, W. O. W., Hayward, California, last month, pioneer days—the day of '49—were re-lived when many of the characters taking part appeared in the costumes of miners, old-time politicians and gamblers. The star number on the program was by J. B. Lewis, one of the pioneers (from Preston, P. E. I.), who appeared in miner's costume, and accompanied by W. T. Allen on the banjo, sang two songs of the day of '49, and also danced a regular old-fashioned hoe-down, just as he used to "back home" on the barn floor. "Jim" surprised young fellows by his agility and afforded the audience a great deal of fun.

Relief from Rheumatic Pains

Rheumatism is a constitutional disease. It causes local aches and pains, inflamed joints and stiff muscles; but cannot be permanently relieved by local or external applications. It must have constitutional treatment. Take the great blood-purifying and tonic medicine, Hood's Sarsaparilla, which corrects the acid condition of the blood on which rheumatism depends, and gives permanent relief. It combines the most effective agents in the treatment of this disease.

HUNDREDS SICK AND DISCOURAGED FOUND QUICK RELIEF IN DRECO

Substantial Canadian citizens tell of their restoration to health in hopes of aiding others who suffer to regain their happiness and comfort.

SYDNEY MAN TELLS HIS STORY.

Had Gas in Stomach, Was Constipated, Bilious, and Had Dizzy Spells. Tells How Dreco Gave Relief.

Prompt relief is promised to those who suffer a weakened, deranged stomach, sluggish liver, weak kidneys or constipated bowels, by the use of Dreco, the great herbal remedy. Since its introduction here, but a short time ago, many people have taken it and deprecate the Dreco ever gave the results that Dreco has given. A recent signed statement follows: Mr. Dan McLeod, carpenter, 69 Ferry street, Sydney, N. S., says: "No other medicine has benefited me as Dreco has and I have only taken two bottles.

"I have been doctoring for three years for stomach trouble and Dreco has seemingly reached the seat of my trouble, where many other remedies have failed. I have been troubled with gas in my stomach after meals, heartburn and nausea. I often felt dizzy and spots floated before my eyes. I was constipated and many times I had to leave my work and go home, suffering from severe headaches and acute spells of indigestion.

"Since my first bottle of Dreco I have had no dizzy spells and my food digests much better. My bowels are regular and while I do not claim to be entirely cured, I have so greatly improved that I am confident of regaining my health by continuing this treatment, and I am glad to recommend it to my friends."

League of Cross Wins Bowling Trophy

The final game of the play-off for the L. of C. Bowling Trophy was rolled on the League alleys last night, between the Invincibles and L. of C. teams. This series was very exciting, the teams being well matched, each having won a game.

The fans were treated last night to the most exciting game of the whole series. The Invincibles got away to a good start and won the first game by a good margin.

The L. of C. managed to nose their way out in the second game, but did not get on even terms with them, as the Invincibles went into the third game with a lead of 45 pins.

In this game the L. of C struck their stride and at the same time the Invincibles seemed to slip back, and it began to look safe for the League boys. But as the fans say "it's a fluky" game you can never tell what may happen. So they cheered themselves hoarse in hopes of seeing a close finish, but fortune seemed to favor the leaders and it ended in a victory for the L. of C. team.

By winning this series the L. of C. team are cup holders for this season.

The Tournament just closed was very closely contested. Six of the ten teams taking part were tied in second place and it was anybody's game all the way through.

The trophy is the property of the exhibition in the show window of Chester Campbell, Jeweler.

Below is the result of the final game:—

This treatment will not mar the skin, but to avoid disappointment, be careful to get real delatone. Mix fresh as wanted.

FEELS BETTER THAN FOR MANY YEARS

Mrs. Edward Silver Secured Wonderful Relief from Two Bottles of Dreco—Rheumatism has Left Her—Had Tried Many Other Medicines Without Relief.

Mrs. Edward Silver, of 18 North Park street, Halifax, N. S., suffered for years from rheumatism in its most painful form. Nothing she took seemed to give her relief. Then she tried Dreco and found, to her joy, that it yielded readily to the wonderful properties of this great herbal remedy.

"Since taking Dreco, the rheumatism has left my arms, shoulders and knees, and my stomach is all better," says Mrs. Silver. "I can eat anything I want and am no longer troubled with heartburn. I tried all kinds of medicines before, but nothing did me any good, and I thought I would have to give up altogether, as I could hardly get up and down stairs, so dreadful were the pains in my limbs. After taking the first bottle of Dreco, these pains had nearly all left me and I now feel better than I have for many years."

"Dreco is compounded from herbs, roots, bark and leaves, and contains no mercury, potash or habit-forming drugs.

If you have suffered agonies from rheumatism and neuralgia during the past months; if dyspepsia had

gnawed at your troubles and tortured you from day to day; if kidney and liver troubles threaten to end your life; if poisoned and impure blood has shown its effect in boils, pimples, and skin eruptions; if sleeplessness and nervousness have made you miserable and dependent; if headaches, dizziness and backaches give warning of approaching disorders; constipation have you in their grasp. If you have tried everything under the sun to get relief and have failed, don't you think it is time you gave Dreco a chance to lift you out of the slough of misery and set you again on the path of perfect health and the full enjoyment of life, which is every man's and woman's God-given right?

"Why not heed the advice of other Canadian citizens who have taken Dreco and declare in their old-time health, vigor and energy? Two such letters are published alongside. Read them, be convinced and start taking Dreco today.

Dreco is being specially introduced in Charlottetown by E.A. Foster, Arthur, the Dreco Expert, and let him explain the merits of this great remedy. There is no charge, and he will tell you honestly if he believes Dreco will benefit you. Dreco is also sold in Summerside by Gallant Drug Co., Limited, and by a good druggist everywhere.
