UNITED STATES TEAM MAKES CLEAN SWEEP

Canadians Eliminated From Davis Cup Play — Put Up Better Struggle.

(A. P. By Guardian's Special Wire)

WILMINGTON, Del., May 27. — The United States Davis Cup team made a clean sweep of its American zone tie with Canada by winning the final two singles matches on the turf courts of the Wilmington Country Club today.

In the first match, Lester R. Stoefen, giant number three ranking player from Los Angeles, defeated Gilbert Nunns, captain of the Dominion forces, 6-4, 6-2, 6-3.

Francis X. Shields of New York, took the measure of Laird M. Watt of Montreal, 6-1, 6-3, 6-4, but the scores do not indicate the battle the big New Yorker encountered.

Nunns gave the Californian a struggle in the first set, the only break coming in the fifth game when Stoefen cracked his service at love.

Shields after taking a two-set lead, was given plenty of trouble by Watt, the Canadian intercollegiate champion, in the third set, the Dominion player taking a 4-1 lead before Shields regained his stride to sweep the next five games.

Today's matches, played in the presence of Dwight F. Davis, donor of the coveted trophy, had no bearing on the outcome of the series as the Americans gained the deciding point yesterday when George M. Lott, Jr., and John Van Ryn defeated the Canadian pair, Walter Martin and Marcel Rainville, 6-0, 6-3, 6-0 in the doubles.

The victories gave the United States team the right to meet the team from Mexico n Baltmore this week.

Lott and Van Ryn gave a convincing exhibition of doubles as a team which left very little to be desired. They had a slashing attack which befuddled their Canadian rivals at times.

They played the corners, slipped the ball down the side lines, smashed through points between their two opponents or right down the middle of the court. Their volleying was precise, the lobbing was fairly well played, the only fault being found with the variable winds, which swept across the court and played hob with the ball.

Rainville and Martin seemed to be unable to penetrate the guard of Lott and Van Ryn with the pair sending back slashing drives from the back court.

Occasionally the Canadians did rally but only in the second set when they carried off four games were they successful.

CUBS PRACTICE TONIGHT

Practice for the Cubs baseball team is called for this evening at the Abegweit Grounds at 6 p. m. sharp.

Records Smashed As Golfing Title Goes To Little

Winner Of British Amateur Championship Receives Great Ovation From Crowd Of 12,000 Scots On Marvellous Display Of Competitive Golf.

(By Gayle Talbot Associated Press Sports Writer)

PRESWICK, Scotland, May 27—The British amateur golf crown rested firmly on the head of Lawson Little today after the 23-year old American had literally blinded Jimmy Wallace, sharp-shooting Scottish carpenter, with the greatest exhibition of competitive scoring ever shot in the championship, to win by 14 and 13.

The husky youngster fired a 66 in the morning round of the final Saturday to shatter all records for the historic tourney. He is the third native son of the United States to take the championship across the Atlantic.

Lawson Receives Great Ovation

The gallery of upwards of 12,000, which swarmed after the match hopeful of victory for their native idol, gave the quare shouldered American a memorable ovation. Every man, woman and child who watched the long-hitting Little burn up this trickey seaside course under most trying conditions, will remember the invader's red-hot 66 to be 12 up at the end of the morning round and his three under par score for the concluding five holes.

Wallace didn't win a hole.

When the new champion and Wallace returned from the 23rd hole, where the amazing contest ended a solid lane of cheering Scots made a triumphant pathway to the clubhouse for the victor and the vanquished. There the spectators remained patiently for another look at Little, who ducked into the clubhouse to change his clothes, for presentation of the trophy.

Regardless of their disappointment over Wallace's crushing defeat, the natives of the land of heather love a great golfer and when Little made a charming speech in accepting the trophy they interrupted him after every sentence with a booming cheer. Throughout the sensational record-breaking match Little's face was a mask of determination but he smiled when the cup was presented to him by the venerable Marquis Ailsa, acting for the Prince of Wales.

As far as 12,000 Scots are concerned Little now supplants Bobby Jones and the veteran Harry Vardon as the world's greatest golfer. They saw him shoot 23 holes in eight under par, including seven birdies and an eagle three for a new all-time record for the classic tournament.

p

Smashes Former Marks

Little's 66 in the morning shattered the professional course record for 69 hung up by MacDonald Smith and smashed the amateur standard of 71 set by E. Blackwell. That sizzling round also created a new low for championship rounds.

Only once in what was to have been a 36 hole match did Little yield to par. The lapse occurred at the sixth hole here he required two puts from six feet out for a five. Otherwise he was even with par or under regulation figures.

Wallace took his gruelling defeat in great sporting spirit. "Little", Wallace said afterward, "Is the greatest golfer I ever watched."

Seven Meet Records Broken

(C. P. By Guardian's Special Wire)

MONTREAL, May 27—Glebe Collegiate Institute of Ottawa still hold the Glassco Challenge Cup, emblem of the championship of the McGill University annual interscholastic track and field meet. Teams from 5 schools in Quebec and Ontario went down to defeat before the Glebe boys here yesterday in the 14th annual meeting as the Ottawa school ran up a total of 44 points to take the aggregate team championship by an easy margin.

Three Dominion junior records and seven meet records fell under the pressure engendered by an entry list of 307 competitors. Most sensational individual performance in record-breaking was Claud Moore's three-record smash in the senior javelin throw. The young athlete from Nepean High School, Nepean, Ont., tossed the spear 180 feet 2½ inches, shattering his own McGill interscholastic record of 160 feet 7¼ inches, the Dominion interscholastic senior record of 173 feet 4½ inches set by J. Courtright of Ottawa Glebe in 1930, and the Dominion junior mark of 128 feet 5 inches set in Vancouver last July 1 by Jim McCammon of Burnaby, B. C.

Ken McAdam of Ottawa Glebe heaved the 16-pound shot 45 feet 7 inches in the morning field trials to set a new meet and Dominion junior record.

N. Blais of Ottawa Commercial High School won the senior discus throw and set up a new meet and Dominion junior record with a toss of 105 feet 5¼ inches.

PIRATES TAKE CLOSE GAME FROM MAPLES

Counter Rally By Losers In Ninth Falls Short of Mark — Score is 8-6 — Game Protested.

Two mighty uprisings in the third and ninth innings in which they scored seven of their eight runs proved sufficient for the north-end Pirates to beat back the Maples 8-6 in the third game of the Industrial League played over the week-end.

But at that the winners just barely caught the wire in front. The Maples held in check all through the game by the brilliant hurling of "Hen" Fisher, fell on his offerings in the last half of the ninth for four hits, one a long triple by Larter and three runs but saw their efforts go for naught as the Pirate hurler steaded to strike out McFarlane with the tying runs on the sacks.

Ernie Robin, southpaw ace of the Maples was also in great form and with the exception of the two disastrous frames had the Pirates eating out of his hand, nine of the eleven hits registered against him coming in the third and ninth.

It was a close struggle the teams waged and a battle that had the fans highly excited all the way through. From the fifth to the ninth the score reamined deadlocked at 4 to 3 for the Pirates, both hurlers bearing down hard as runners worked into scoring positions.

The Pirates deserved their win, they played the steadier ball afield as their three errors to the seven Maple misses will attest.

Maples however are protesting the game, their manager claiming interference by the base judge in the sixth inning on a ground ball that had eluded the Pirate pitcher.

Ferrell Goes To Red Sox

(A. P. by Guardian's Special Wire)

CLEVELAND, May 27—"The batteries for today's game: For Boston—Ferrell and Ferrell."

The ump's call, significant of the first brother battery the Major Leagues have seen in years, may soon ring through the Stadia of the American League.

Wes Ferrell, Cleveland's boy "hero" of '29 who in his first four years of major league experience established himself as the first pitcher in history to win 20 or more games each season, has become the property of Boston Red Sox, where his brother, Rick, does the backstopping.

A holdout, as usual this year, Wes Ferrell went on the voluntary retired list rather than accept a contract offered by the Indians. His suspension was listed when general manager Billy Evans completed a deal with owner Thomas Yawkey of Boston for a trade of Ferrell and outfielder Dick Porter for pitcher Bob Weiland and outfielder Bob Seeds of Boston and a cash sum said to be in excess of $26,000.

"Just Won't Be Licked" Says Ross On Eve Of Fight

Receipts For Title Bout Tonight Expected To Be $300,000— Will Make Fight Of It, McLarnin Avers.

(By Edward J. Neil Associated Press Sports Writer)

NEW YORK, May 27—Ring drama born from the works of the master—Tex Rickard,—a $25,000 duel of the lightweight and welterweight champions of the world—was ready for the staging tomorrow night in Madison Square Garden's Bowl on Long Island with the only worrisome factor in sight the fear that the weatherman might miss his cues.

Jimmy McLarnin, welterweight king from Vancouver whose title is challenged for only the second time in ring history by a ruling lightweight champion, Barney Ross joined his rival in the City today as the fellow in charge of rain and sunshine threatened to continue pushing the wrong button as he did most of last week.

Weather Uncertain

Bright sunshine tomorrow, switching from sprinkles of rain and cloudiness, would all but certify a crowd of fully 65,000 and receipts booming up around the $300,000 mark for the first 15 round match between the welter and lightweight rulers since Benny Leonard lost on a foul to Jack Britton in the old Velodrome in 1920. Rain starting the week-end failed to halt the rush for tickets, and if postponement for one day should be necessitated by unsettled conditions, the match is expected to reach those same figures on Tuesday night.

The battle of an Irishman and a Jew, when both are outstanding warriors, always was an old Rickard prescription for packed houses and whirling turnstiles, and apparently the situation holds as true today in New York with its tremendous citizenry among both, as it was in the days when "Tex" built the tradition of the $100,000 gate.

At $10 top price for ringside seats, the duel figures to attract larger gate receipts than did the last two heavyweight championship matches combined. Only Benny Leonard's two matches with Lew Tendler, one drawing almost $500,000; the other close to $410,000 exceeded the prospects of tomorrow night's turnout. Ticket speculators had no trouble peddling choice ringside seats for $20 each.

Will Have Weight Advantage

With McLarnin close to the 145 pounds he has agreed to make at noon tomorrow or forfeit $10,000 and apparently strong and in perfect condition at that figure, the odds shifted in his favor. He was a 7 to 5 choice to whip the courageous little Chicago warrior who will weigh around 137 pounds and concede him at least 17 pounds due to the heavier man's natural accumulation of weight by the time they enter the ring around 8:45 p. m., E. S. T.

McLarnin drove here from his training camp at Atlantic City after doing his usual road work and exercises. Ross kept his muscles in tune with a little shadow boxing. The lightweight champion counting on the swiftness of his left hand attack, and his aggressiveness, to muffle the Canadian Celt's terrific punching power, came down from his training camp at Ferndale, N. Y., Friday.

Will Not Be Broadcast

"You will see a fight from the start," said Jimmy as he rested quietly. "I'm going to make a fight of it from the first bell. I don't intend to be outclassed. If Ross comes to me, I'll be meeting him more than half way and the explosions should be something to see."

Both Ross and his managers were perfectly confident that Ross would smother McLarnin with his tireless attack and win the decision.

"I can't lose this one," Barney said. "I just won't be licked."

There will be no broadcast of the bout.

St. Louis Hands Yankees 16 To 7 Beating; Cleveland Now Leading Am. League

SATURDAY GAMES

(C. P. By Guardian's Special Wire)

NEW YORK, May 27—The four first division clubs of the American League defeated the four tailenders in Saturday's games.

New York Yankees held on to their precarious lead by turning back St. Louis Browns 4-1 behind the five hit pitching of Johnny Murphy who won his first Major League game. Cleveland, keeping close on the trail of the Yanks, scored an impressive 7-0 victory over Philadelphia Athletics. Willis Hudlin got the shut-out, holding the Mackmen to six hits.

SENATORS BEAT OFF CHICAGO CHALLENGE

Washington Senators staved off a late challenge by Chicago White Sox to win 9-7. General Alvin Crowder, in trouble after a fine start, fanned Evar Swanson with the tying run on base for the final out in the ninth. Tommy Bridges was a trifle wobbly at Detroit but managed to win a 6-4 victory from Boston Red Sox. He walked five men.

SUNDAY GAMES

NEW YORK, May 27—After trailing the first three innings, St. Louis Browns at home unleashed a fourth inning batting attack that netted eight runs, then hurtled on for a 16-7 victory over New York Yankees today.

The fourth inning festival reached its climax when Campbell got a homer with the bases loaded after four runners already had crossed the plate. West also hit one for the round trip. Three Yankees pitchers fell before the heavy batting barrage, while Nelson was going the route for the Browns.

3 STRAIGHT FOR SENATORS

Led by Buddy Myer, who included a two-run homer and a double among his four hits, Washington drilled Sam Jones and Les Tietje for 14 blows and a 9-6 victory over the White Sox in the second game of the series before 18,500 fans at Chicago. It was the defending champions' third straight victory.

Joe Kuhel also got a homer with one on for the Senators.

The Chicagoans got to Monte Weaver for 11 hits in eight innings, periodically penetrating his defence and finally necessitating his removal with one run in, two on and none out in the ninth.

TIGERS DEFEAT BOSTON 9-2

Errors by Boston plus nicely bunched hitting by Detroit enabled the Tigers to defeat the Red Sox 9-2 before a Sunday crowd of 14,000 at Detroit.

Three of Boston's four errors helped Detroit's scoring in the fourth and fifth innings. The Tigers collected nine hits off Rhodes for a total of six runs in the half-dozen innings he worked. Pennock finished the game but came to grief in the seventh when he walked three men, loaded the bases twice and allowed two hits for three more Detroit runs.

CLEVELAND IN FIRST PLACE

The Indians went into first place in the American League standings by defeating Philadelphia 7-6 at Cleveland while New York Yankees were being drubbed thoroughly by St. Louis.

A home run by Hale in the fifth inning, followed by Trosky's triple in the same frame, gave the Tribe a two-game edge with the Athletics.

Philadelphia bombarded Brown for five runs in the first inning with Foxx and Miller leading the attack with doubles and Berry clouting a triple.

Philadelphia went ahead in the fourth inning on singles by Cramer and Johnson. Hale's home run in the fifth found the bases empty but Trosky tripled and scored on Pytlak's fly.

NATIONAL LEAGUE

SATURDAY GAMES

NEW YORK, May 27—Rain caused postponements of three fixtures in the National League Saturday, leaving Chicago to play at Boston. Chicago downed the Braves 6-4 after a late rally, coming from behind after they had been held scoreless until the sixth.

The effectiveness of the Cubs' pinch hitters proved the deciding factor in the game. The Cubs got two runs in the sixth when Babe Herman, hitting for Cuyler, smacked a double following a two-bagger by Augie Galan and a single by Chuck Klein. In the eighth Gordon Phelps, batting for Tut Stainback, drove a single. That ended Ben Cantwell's stay on the mound.

SUNDAY GAMES

NEW YORK, May 27—The league-leading Pittsburgh Pirates subdued the Giants 7-3 today in the delayed opener of their three-game series.

The veteran right hander, Red Lucas, pitched five-hit ball for his second triumph over the Giants and just missed a shutout when Lefty O'Doul smashed a pinch home run with two aboard in the eighth. In the first seven innings Lucas granted only three hits and only one runner, Hughey Crtiz, got the margin of 8 to 3 hits, but Betts as far as second base.

SECOND SHUTOUT FOR CUBS

For the second time this year Chicago Cubs were shut out when Huck Betts of Boston pitched the Braves to a 5-0 victory at Boston.

Boston only outhit the Cubs by was most effective with men on bases. Two double plays helped him.

DEAN WINS OWN GAME

St. Louis Cardinals grabbed a game from the Phillies 5-2 after it had almost been marked down in the win column for the Quakers at Philadelphia.

The ninth inning rally enabled the Cards to tie up the score 2-all and Dizzy Dean's homer into the left field bleachers actually won the game in the 10th.

BROOKLYN HURLER'S 4TH STRAIGHT WIN

Van Mungo's fourth straight victory was a six-hit shutout over the hapless Cincinnati Reds today. Timely hitting against Derringer and Kleinhans gave the Brooklyn Dodgers the ball game by 5-0.

Derringer became two down in the first inning when Koenicke's home run followed Boyle's double. Successive singles by Koenecke, Tailor and Leslie added another in the sixth. Kleinhans was victimized for two runs in the seventh when Lopez hit a home-run and Jordan, who singled, completed the journey on an infield out and a single by Frey.

Following the success of their annual entertainment the scouts as a body wish to extend their thanks and appreciation to Mrs. Allan Cosh, Miss Jean Fraser and all others who aided in the cause. Mrs. Cosh, in particular, who had devoted much time in practices and who is always willing to give her services for the advancement of the work of the association is deserving of commendation from the officers of the local association and the scouts of the city troops.

The sum realized, together with that raised by other means during the year, will aid materially in the sponsoring of the camp which is already being mooted for this year. Brudenell, site of last year's camp, will again, it is expected, be the background for the summer activities of the Scouts and Cubs.

With the approach of the summer, hikes and other forms of out-of-door sport will be engaged in by the troops. Many are expected to complete tests leading to the "First Class badge" by the time the Provincial camp opens.

In connection with the preparations going forward for the camp Scouts should now commence saving money for this purpose, and for the rest of their uniforms. Shorts are absolutely necessary as also is the neckerchief. All scouts at camp are required to do a certain amount of cooking. In addition to the information given in the First Class Scout book, scouts should ask their mother's assistance in learning how to do the following: make tea, coffee, cocoa, cook porridge, fry bacon, eggs, make stew, etc. An effort is being made to have a number of Rovers attend tend the camp this year to aid in instruction and general running of affairs.

ELIMINATES U.S. RIVAL

(A. P. By Guardian's Special Wire)

PARIS, May 27. — Margaret (Peggy) Scriven, trim left-hander from England, today obtained sweet revenge for her Wightman Cup defeat at the hands of Sarah Palfrey last year by eliminating the Boston girl, 6-4, 6-4 in the second round of the French Hard Court tennis championships.

Miss Scriven's victory put her into the quarter-final round of women's singles where she is the defending champion while Miss Palfrey's elimination left Helen Jacobs, United States champion, as the sole American survivor.

Joining Miss Scriven in the quarter-finals were Mme. Rene Mathieu of France, Lucia Valerio of Italy and Cilli Aussem of Germany.

Signorita Valerio sprang the biggest upset of the tournament when she put out the English star, Betty Nuthall, 8-6, 6-4.

Play in men's singles was marked by the advance into the quarter-finals of Jack Crawford, defending champion from Australia, and the three Britons, Fred Perry, H. W. (Bunny) Austin and George Patrick Hughes.

Crawford met with surprisingly stubborn resistance from Mohammed Sleem, Davis Cup player from India, but won 0-6, 6-1, 7-5, 6-0. Sleem's lobbing game annoyed the champion no end in the first set, the Indian giving Crawford only five points in winning at love.
