Ayers of appreciation for her services in the different departments of church work, and Mr. Thos. Bertram, on behalf of the people presented her with a well filled purse. The gift was taken by surprise, Mrs. Ayers thanked her friends in a few words for their kind expressions of appreciation. A dainty lunch was served by the visitors, which all enjoyed. MISSIONARY WORK IN EGYPT.—A decidedly interesting address on Missionary work in Egypt was given in St. Paul's Church last evening by Miss Harris of Cairo, Egypt, who is visiting this country under the auspices of the Church Missionary Society. Miss Harris who is the daughter of a Canadian Clergyman has been engaged in missionary work in Egypt since 1904 and is a good speaker who tells of the work being accomplished in that country in a very interesting manner. The great obstacle to effective missionary work in Egypt, she pointed out, is Islam—the Mohammedan religion having some two hundred million followers and is a decided menace to religious observance and every-thing she spoke of the great lack of Mohammedanism as a religion, its utter emptiness, its low moral standards and its ritual observances which are utterly devoid of the spiritual touch in any respect. In Egypt one method of reaching these people is through the schools and hospitals. The speaker had been a superintendent in a missionary hospital which had as many as one thousand patients when she left there. In these hospitals an absolute rule is made as to religious observance and everything is carried out accordingly. Miss Harris gave an interesting review of conditions existing during the war riots and showed that the missionaries were war workers in a very real sense. She also gave a lecture which she is to give tonight in St. Peter's Schoolroom under the joint auspices of the W. A. of St. Peter's and St. Paul's Church, she will also have some very unusual costumes and strange curios to show.

TO UNDERGO OPERATION.—The Maritime Baptist has the following regarding Rev. E. P. Calder, who recently held a week of special services in the Charlottetown Baptist Church: The many friends of Rev. E. P. Calder will regret to learn that he has been obliged to go to Montreal for an operation of his upper jaw. For some time he thought it was a tooth that was giving him the trouble, but it is now feared that it is something more serious. We are sure that many prayers will be offered for our brother's speedy and complete restoration, and that he may have many years yet in which to use his fine gifts in the service of God.

SUCCESSFUL ANNIVERSARY SALE.—Messrs. Prosser Bros., Ltd report that their special anniversary sale on Saturday proved a decided success their stores being crowded all day with customers and everyone being kept as busy as possible. Prosser from a percentage of the proceeds of this sale were, however, enabled to give the very creditable sum of \$800 towards the two hospitals and two orphanages—\$200 going to each one.

Mr. Artemas Morrow died at Little River, P. E. I. on March 30th at the advanced age of 85 years was one of the oldest and best known residents of that part of the country. In the earlier days he led the community in all matters of advancement and enterprise and by his industry won for himself a position of affluence. The poor and needy always found in him a friend and helper. He was a skillful workman as a wheel-wright, and might have been seen on his bench only a week before his death.

After several months of intense suffering endured with true Christian patience there passed to their Eternal home Mrs. Ellen McKenzie widow of the late John McKenzie. Mrs. McKenzie was 69 years of age and until a few months ago had enjoyed good health. Two of her daughters were with her at the time of her illness and death and have since returned to their homes in the States, where several others of her children reside. Her son, Leo, who served in the Great War was living with his mother on the old Homestead and to him and the other members of the family the community extends its sincere sympathy.

The remains were laid to rest in the Presbyterian Cemetery at Bay Fortune. The services at his home and Church were conducted by the Pastor, Rev. E. Lockhart and the grave by the Orange Association of which he was an honored member. He was also a member of the Masonic order. The death of Mr. Stead seemed doubly sad because at the time of his death his wife was lying in a critical condition suffering from pneumonia and her father, Mr. Artemas, had died only a few days previously in the same home. The deep sympathy of the community goes out to Mrs. Stead and family and they are commended to a loving Heavenly Father's care for comfort and guidance in this time of bereavement.
