Nights of Agony come in the train of Asthma. The victim cannot lie down and sleep is driven from his brain. What grateful relief is the immediate effect of Dr. J. D. Kellogg's Asthma Remedy. It banishes the frightful conditions, clears the passages and enables the afflicted one to again sleep as soundly and restfully as a child. Insist on the genuine at your nearby druggist.

Serving You and Canada

While Life Insurance stands watch over your home to cover the mortgage; to provide a fund to care for your wife and educate your children if you should die, or to support yourself in your own old age if you live---it is aiding Canada's industrial and commercial prosperity.

The trust funds formed by the payment of your premiums are invested in Government and municipal securities to build schools, roads, drains and bridges; to provide hospitals and welfare institutions; to establish justice, law and order---as well as being invested in mortgages, agriculture, transportation, industrial and other enterprises that go to develop Canada and make it a better place in which to live.

"Life Insurance serves as it waits."

Buy life insurance for the service it will render you individually, and the national service will follow. Seek the services of the life insurance representative, and he will advise how your life's program can be carried out even in the event of your premature death.
