WOMAN FOUND NEARLY STARVED

WOODSTOCK, N. B., June 26.—Mrs. Elisha Stairs, who is slightly demented, left the residence of her sister, Mrs. Tapley, on Wednesday last, and a continued search has been made for her by relatives and friends, but without success until this afternoon, when she was found by her son and others in a barn some miles out the Houlton road. She was nearly starved, and after food and drink were given her, she was removed to Mrs. Tapley's home in Woodstock. It is confidently hoped she will recover.

MISSIONARY WAS GAGGED ROBBED

SAN FRANCISCO, June 26.—Dr. A. Beatty an American Missionary, had an experience with Chinese robbers shortly before he left Canton, where he has been stationed for years.

Dr. Beatty's residence was in the heart of the city. Anchored in the River within less than 200 yards from his house was the U. S. Monitor Monadnock. Patrolling the streets were native policemen who frequently passed the house.

One night Dr. Beatty, his wife, children and servants were suddenly awakened to find the house in the possession of thirty robbers. Every member of the family was gagged and tied to a bedpost. The burglars than stripped the house of everything of value. Despite the fact that a U. S. warship was lying so close to the house and police patrols were passing at frequent intervals, the robbers, heavily burdened with their loot, made their escape.

THE ONLY WAY.

To cure germ diseases is to take Ozone (the coupon kind) with Celery King. This wonderful combination has brought relief to thousands of people and permanently cured hundreds. We receive innumerable letters every day thanking us for our generous offer of one 25c package of Celery King free with every purchase of Ozone (the coupon hand.) The addition of Celery King, the great tonic laxative, was the one thing needful to effect a certain cure, because Ozone taken alone is slightly astringent, so we decided to give the Celery King without one penny of cost to sufferers who buy Ozone (the coupon kind.) Procurable at your druggist. THE PUBLIC DRUG CO., BRIDGEBURG, ONT.
