Bowness, of Summerside who is 82 years young, was a recent visitor of Mrs. Catherine McIntyre, Kensington, who goes him 20 years better, celebrated her 102nd birthday last June, although slightly deaf, her health is so excellent that her parting repartorial shot at Mr. Bowness as he said good-bye was that she would be one of the guests at his 100th birthday.

This morning Mr. and Mrs. Rufus Hogan, and family, leave for New York city, where they will make their home. This is a regrettable departure as the Hogan family have been a great asset to our city.

When your Children Cry for It
There is hardly a household that hasn't heard of Castoria! At least five million homes are never without it. If there are children in your family, there's almost daily need of its comfort. And any night may find you very thankful there's a bottle in the house. Just a few drops, and that colic or constipation is relieved; or diarrhea checked. A vegetable product; a baby remedy meant for young folks. Castoria is about the only thing you have ever heard doctors advise giving to infants. Stronger medicines are dangerous to a tiny baby, however harmless they may be to grown-ups. Good old Castoria! Remember the name, and remember to buy it. It may spare you a sleepless, anxious night. It is always ready, always safe to use; in emergencies, or for everyday ailments. Any hour of the day or night that Baby becomes fretful, or restless, Castoria was never more popular with mothers than it is today. Every druggist has it.

ON MOTOR TRIP—Mr. and Mrs. John Weatherbie, City, Mrs. John D. Dolron, Mrs. R. G. Fleming, Frank Gallant, Douse Gallant, of North Rustico and Edward Burke, proprietor of the City Hotel, the latter acting as chauffeur, left yesterday morning for Chatham, N. B., to attend the graduation at Hotel Dieu Hospital, Chatham, where Miss Laura B. Rogers is a graduate. While in Chatham they will be the guests of Miss Rogers.

VISITORS RETURN HOME—Dr. and Mrs. J. G. W. Werner of Brookline, Mass., leave on return home tomorrow after spending a most enjoyable vacation of two months in the Province. They thoroughly enjoyed their visit and think the climatic conditions just perfect, while its scenic beauty is hard to beat. The doctor himself regrets, however, that so little brown bread is eaten, and that white flour has practically ousted the wholesome unrefined crusts. This should not be served to growing children as it is the foundation for poor teeth and other unhealthy conditions in the rising generation. There would not be half the expense for dentists if natural foods were eaten.

Mr. Robbins E. Colwill has the sympathy of a large circle of friends in the almost sudden death of his wife which occurred yesterday afternoon. The late Mrs. Colwill had been in somewhat delicate health for some days, and two days ago was removed to the Prince Edward Island Hospital for treatment. No alarming symptoms developed and the end came quite unexpectedly. The late Mrs. Colwill was a lady of exceptional personal charm and was very popular with all who knew her. She was active in social and church circles and her fine Christian character endeared her to all with whom she came in contact. Just in the prime of life, at the early age of thirty-eight years, leaving a disconsolate husband and three young children, her untimely death is particularly sad, and came as a distinct shock both to relatives and friends.

They have had a delightful holiday and are looking forward to a return trip next season.

NEARLY A FATALITY — What might have been a very serious accident occurred yesterday afternoon in Bruce Stewart & Co. Machine Shop at about 2 p. m. when Mr. Archie Nelson was caught in a revolving shaft. Mr. Nelson had his neck pulled over the shaft, which was a long bar of hexagon steel that was being turned in a lathe. But for the prompt action of Mr. Frank Blatch, who stopped the lathe, Mr. Nelson would have been seriously, perhaps fatally injured. As it was, he escaped with bruises about the arms and chest but was able to return to his work the same afternoon.

DIED SUNDAY — Mr. Peter Miller passed away on Sunday night at his residence in Ellerslie at the age of 75 years. The deceased, who was one of the most widely known and deeply respected residents of the district, came to the island with his parents from Scotland when seven years of age and had lived most of his adult life at Port Hill and Ellerslie. Some years ago he had both his legs amputated at the P. E. Island Hospital, but in spite of this he was able to attend to his garden, of which he was justly proud. His wife died only last year. There are left to mourn the loss of a kind and indulgent father seven sons and two daughters, namely—James, of Port Hill; William, London; Arthur and Joshua, of Ellerslie; Sirive, of Blenheim; John of Freeland; Mrs. Austin Ramsay, of Conway, and Mrs. Hugh D. Smith, of McNeill's Mills. The funeral took place on Tuesday afternoon at the Presbyterian Cemetery at Tyne Valley, the Rev. F. C. St. Clair being officiating, and was very largely attended.

Flynn, Pleasant Valley. He is a graduate of St. John's Academy School, and leaves on Wednesday morning next for St. Francis Xavier University, Antigonish, to continue his studies.

PUBLIC LIBRARY.—The plans and specifications of the Charlottetown Public Library and Harris Memorial Gallery are now in course of preparation, and it is expected that construction will be started early next spring, following authorization of the grant for the purpose at the next session of the Provincial Legislature. It is understood that some difficulty is being experienced in securing suitable island stone at a convenient distance from the city.

LEAVES FOR MONTREAL.—Mr. Ray McDonald, a former valued employee of the Guardian leaves this morning for Montreal, where he has accepted a very lucrative position and where he intends residing in future. He will be joined later by Mrs. McDonald. Her many friends are sorry to hear news of the death of Mrs. Margaret Caddigan, which took place at an early hour Wednesday morning, Sept. 5th. Mrs. Caddigan was a lady highly esteemed among a wide circle of friends, and her death at the comparatively early age of sixty-seven years, is much regretted. After the death of her husband, the late James Caddigan, Palmer Road, Mrs. Caddigan, feeling the burden of farm life to be arduous to carry on, disposed of her valuable property, and removed to Tignish where she lived with her sister Mrs. J. A. Brennan, until the time of her death. On Friday the funeral was held at Palmer Road, where her remains were laid beside those of her husband. The pallbearers were, Messrs. J. A. Bernard, J. A. Hackett, A. J. Bernard, Capt. Jas. McGrath, Martin A. Doyle and C. F. Morrissey. To the bereaved relatives we extend severe sympathy.—G

as Lieutenant in the 63rd regiment. His many friends are glad to see him looking fit.

LARGELY ATTENDED FUNERAL.—Many beautiful floral tributes testified to the high esteem in which the late Mrs. Robbins Colwill was held. The deep sympathy felt for the bereaved husband and family was shown by the large attendance at the funeral on Wednesday afternoon, which took place from her late residence to the People's Cemetery. The service was conducted by Rev. Hammond Johnson of the United Church assisted by Rev. W. Bruce Muir. Suitable hymns were rendered by the United Church Choir with Professor Fletcher at the piano. Mr. E. Elmer Ritchie sang "Crossing the Bar." The pall bearers were Messrs. Allison McLeod, Dr. H. MacIntyre, Frank Fraser, J. L. Pierce, Lloyd Wellner and K. M. Martin.

BRIDAL SHOWERS.—A very pleasant evening was spent at the home of Mr. and Mrs. Herbert Paynter of Long River on Monday Aug. 20th when upwards of a hundred of their neighbors and friends met to tender a post-nuptial "shower" to Mr. and Mrs. Oliver Paynter who were married in Summerside on August 9th. Mrs. Paynter (nee Miss Pearl Matthews) one of our popular island teachers was led from the parlor to the living-room by Miss Jennie Johnstone to the strains of the wedding-march beautifully rendered by Miss Marjorie Found. The presents which were numerous and beautiful, testifying to the popularity of the young couple, were opened by Miss Anna Cousins, while Mrs. Ernest Dunning read the verses many of which were original and brought forth peals of laughter. After Mrs. Paynter had thanked her friends for their many beautiful gifts, she was seized by a number of ladies and put through the process popularly called "bouncing" while her husband received a similar fate at the hands of the men. Then all sang "They are Jolly Good Fellows," after which a dainty luncheon was served and the remainder of the evening was spent in music both instrumental and vocal. In the waning hours all departed to their homes feeling that they had spent a very enjoyable evening.

The shocking news was received here yesterday afternoon of a motor accident near Sackville in which three Prince Edward Island people were instantly killed. The unfortunate victims were: Mrs. Benjamin Binns, Charlottetown; Mr. James Dougherty, Charlottetown; Mr. Clement Drake, Cornwall.

News of the appalling event spread rapidly throughout the city and surrounding country. The uncertainty as to the details and even of the identity of the victims increased the general anxiety. So terrible a thing, it was felt, could not be true. Later information, however, confirmed the sad news. There is now throughout the Province a profound feeling of sorrow and sympathy for the bereaved families. The tragedy happened at Cole Island Crossing, Westmoreland County, New Brunswick at 11.45 yesterday morning when the West-bound Acadia Express struck the Ford Sedan car which Mr. Drake was driving, instantly killing him and the other two occupants.

The driver was found in the car while Mrs. Binns and Mr. Dougherty were picked up a little distance from the scene of the accident. All three were dead when picked up. Mr. Drake was returning to Boston where he had resided for the past few small hours all departed to their homes feeling that they had spent a very enjoyable evening.

MUCH REGRETTED.—The sad news has been received with much regret of the death at his residence in Montreal, on Monday night, at the early age of 30 years, of Mr. Frank Smith, who had made a wide circle of friends here during visits paid to his wife's parents, Mr. and Mrs. C. B. Morris, of S'Side. It is only five months since it was our privilege to record the death of Mrs. Smith, when little more than a bride, and now the young husband also has been called away. His parents and one brother are left to mourn; and he will also be missed by many friends both at S'Side, and at Montreal, who have been shocked that death should have cut short such a promising career.—S

LIQUOR CACHE FOUND.—A windfall in the shape of 100 cases of cached liquor, which turned out to be a popular brand of whiskey, was discovered by two local men recently on the North Shore. The stuff was evidently landed from one of the visiting rum-runners and left there pending a favorable night for transportation further inland. The discoverers decided not to leave it there, where it would be a temptation to the surrounding neighborhood; so they took it in to Charlottetown and sold it in a quiet retail way. The transaction seems to have been successfully financed, for the two gentlemen referred to are now new automobile. It has been suggested in some quarters that the liquor was placed there by rabid anti-Liberals who wished to discredit the Saunders prohibition law, and who purchased the stuff from the vendor and placed it surreptitiously on the North Shore in order to give the impression that there was rum-running going on in that vicinity. This explanation, however, is doubted by some.

with whom he worked for the past fifty years. His many friends and acquaintances will sorrow with his family and relatives in his sudden passing.

Mr. Dougherty leaves to mourn besides a sorrowing wife, four daughters, two sons and one brother, namely: Mrs. Clara Hudson, City; Mrs. Parker, Dorchester, Mass.; Mrs. James Duffy, Tampa, Fla.; Mrs. D. A. Lent, Los Angeles, Cal.; Herbert, Cal.; William, City, and brother William also of Charlottetown.

Mr. Drake was in his fortieth year. Before leaving for Boston he carried on farm work at his home, Cornwall, where he was highly respected and revered by all who knew him. He was another successful islander across the border and his tragic passing in the flower of manhood will be regretted not only by his immediate family and relatives but by his numerous friends and acquaintances both in Boston and the island. He leaves to mourn a widowed mother, Mrs. Henry Drake, three sisters and five brothers, namely: Mrs. W. J. Higgins, Chicago; Mrs. E. C. Higgins, Brandon, Manitoba; Mrs. Colin McPhail, Cornwall; Wilbert and Wallace at home, Hammond, in Boston, Mass.; Clarence in Yorkton, Saskatchewan and Lewis in Brandon, Manitoba.

Mr. Bell gave on each occasion an excellent discourse which held the rapt attention of the large congregation present at the different churches. Much appreciated features of these services were solo by Mrs. Leigh Warren of Charlottetown. Mr. Bell is at present considering a call which has been extended to him from these churches.

SOCIAL GATHERING.—A farewell party was held at the home of Mr. and Mrs. Chas. N. Morrison, Roseberry, on Thursday evening, September 6th in honor of their daughters Misses Nan and Janie Morrison, who left Friday morning for Boston, Mass. Their friends presented them with a pleasing address which was read by Mr. Daniel Ross, Pinette, and well filled purse, the presentation being made by Mr. Murdoch Morrison, Pinette. The Misses Morrison thanked their friends very gracefully. A pleasant evening was spent and a delicious lunch was served. After singing the National Anthem all departed to their homes much pleased with the evening's enjoyment.
