happenings of the Week

Continued from page 8 Mrs. James Wood entertained at bridge for a number of her friends last Saturday at her home on Fitzroy Street, Summerside. Mr. Harry Muttart, who has been spending the winter months with Mr. and Mrs. T. B. Grady at their winter home in Florida has returned to the Island for the summer months. The Plateauians Club of Long Island, N. Y. which was originated about six months ago by the boys and girls from Charlottetown, now residing in New York is growing rapidly. Mr. A. W. MacKinnon is president of the club and deserves much credit for the success that it has attained. Their first formal Spring dance was held at the Montclair Hotel on Saturday evening, and was without a doubt the most brilliant and most successful dance ever held at the Montclair of which Mr. Fred P. Duffy is Associate Manager. Everyone had a marvelous time, and the good old Charlottetown spirit was mostly responsible for the success over thirty boys and girls were present. The dancing was from 9.30 P. M. to 3 A. M. the music being furnished by Rudy Vallee and his vagabonds. This dance was the first social attempt of the club and they are looking forward to many more like it.
