APPOINTED GEN. MGR. OF C. N. R. TELEGRAPH

Succeeding Late Mr. G.C. Jones—Mr. Barber Has Successful Career in Service.

(Special to the Guardian) MONTREAL, May 30.—Announcement was made today by W. D. Robb, Vice President of the Canadian National Railways of the appointment of William C. Barber as General Manager of the Canadian National telegraphs.

Averts Wreck On the C. N. R.

(Canadian Press) BRIDGEWATER, N. S., May 30.—What appears to have been a deliberate attempt to wreck C. N. R. passenger train No. 203, running between Halifax and Bridgewater, was averted this afternoon when the driver of the train detecting a railway tie placed across the rails in such a manner as to effect a derailment stopped his train in time and removed the obstruction.

WORLD COURT FACES SERIOUS DELAY IN UNITED STATES

(Canadian Press) WASHINGTON, May 30.—Having sanctioned a measure making American participation in the World Court dependent upon the setting up of new machinery for the administration of the court, with an absolute decree of divorce of the

court from the League of Nations as its outstanding feature, the Republican irreconcilables of the Senate Foreign Relations Committee yesterday made plans which seem to contemplate laying even their own plan on the shelf for the remainder of the session, at least.

A meeting of the committee was held yesterday for the purpose of considering the committee's report on the irreconcilables' World Court resolution. The Democratic members of the committee declined to attend it. They will present a report of their own which will advocate the adoption of a resolution providing for the admission of the United States to the Permanent Court of International Justice established by the League of Nations at the Hague in accordance with the plan proposed by Secretary Hughes and endorsed by President Harding and by President Coolidge.

Altar and Choir Boys Give Soiree D'Amusement

A delightful entertainment was presented to a large audience in the League of the Cross Hall last night by the Altar and Choir Boys of St. Dunstan's Cathedral. Every item on the program was well rendered and each number elicited generous applause. To mention any particular number would make it necessary to comment on all as the programme was exceptionally well balanced. The magnificent opening chorus by the Choir Boys, however, was the cause of many commending remarks by the audience as was also the perfectly carried out Hoop Drill which ended the first part of the entertainment.

It is to be hoped that the public will soon be favoured by another of these splendid concerts which are of great value in the training and experience they supply to the youthful artists taking part. The Junior League Band furnished excellent music at the entrance prior to the beginning of the entertainment.

The following is the programme carried out:

- PROGRAMME Opening Chorus.....Choir Boys Vocal Solo.....Maurice Reardon Vocal Solo.....Miss Rose Ryan Violin Solo.....A. McKearney Vocal Solo.....Miss Agnes Flynn Recitation.....William Reddin Duet.....Maurice Reardon and Austin Connolly Vocal Solo.....Alfred Doucette Vocal Solo.....Stuart McLellan Hoop Drill.....Boys

Connolly Recitation.....Master Stephen, Gillis Vocal Solo.....Miss Lucy Blanchard Scotch Song and Dance.....Master Howard Trainor Mandolin Solo.....Jos. Monaghan Step Dance.....Emmett Bradley Vocal Solo.....Arthur Beardon Vocal Solo.....Master Leo Dolron Vocal Solo.....Fred Duffy Clarinet Solo.....Leo Chassion God Save the King.

Gets \$100 Damages For Broken Leg

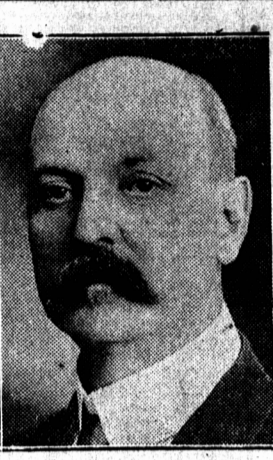

LUNenburg, N. S., May 30.—The jury today awarded \$100 damages to Mrs. Keddy of this place who suffered a broken leg when the carriage in which she was driving several months ago collided with a car driven by Daniel Nass.

\$200,000 FIRE AT COBALT

(Canadian Press) NORTHABY, Ont., May 30.—Conlign's Mill at Cobalt caught fire at 10.30 this morning and was soon a mass of flames. Reports from there say the mill will be a total loss. The shaft house is ablaze and a number of houses are expected to be destroyed.

Conlign is one of the largest silver mines in Cobalt. The property loss will be heavy probably between \$200,000 and \$300,000 all covered by insurance.

The heavier loss however is likely to be the partial cessation of work at least at the property.

E. GUSS PORTER Member of Parliament for West Hastings, who accused Minister of Labor, Hon. James Murdock, of misusing his position as a Minister of the Crown to secure personal advantage in connection with the withdrawal of \$4,000 from the Ottawa Branch of the Home Bank two days prior to the failure of that institution.

CANADA BOUND BY TREATY

Senator Dandurand Says War With Turkey Ends With Treaty.

(Canadian Press) OTTAWA, May 30.—The Government attitude in regard to the Treaty of Lausanne was further outlined in the Senate this afternoon by Senator Dandurand, leader of the Government, in reply to a question by Senator Griesbach. Senator Griesbach asked whether Canada was still at war with Turkey, and if not, by what act had the war been brought to a close.

Senator Dandurand replied that Canada had entered on war with Turkey when war had been declared by His Majesty on Turkey, or by Turkey on His Majesty. A state of war had ceased to exist when His Majesty had ratified a treaty of peace with Turkey.

What treaty, asked Senator Griesbach, that of Sevres or Lausanne? The treaty which was ratified recently, replied the Government leader, and which is known as the Treaty of Lausanne.

COMMENCEMENT EXERCISES AT PRINCE OF WALES COLLEGE

Admirable Review of the Year's Work by Dr. Robertson—Ch'town Students Are Well Represented Among the Prize Winners.

There was a very large attendance at the Commencement Exercises of Prince of Wales College held yesterday morning at 9.30. Yesterday was the sixty-fourth convocation of the College and the end of its biggest year as far as attendance and the pass-list are concerned.

The exercises opened with the Principal's Annual Report, which was followed by the presentation of prizes, diplomas, and certificates by Premier Stewart who afterwards gave a few words of advice and congratulation to the students, and commended the staff on the fine showing made this term.

Hon. J. A. McDonald, His Worship Mayor McKenna, Hon. John H. Myers, and Mr. R. H. Rogers, Chief Superintendent of Education all made brief addresses commending the students and staff on the successful issue of another year's work.

Dr. Robertson in his report of the year's work stated that the College had a record enrolment of three hundred and forty-seven this term. Since each succeeding year shows an increase in the present building would in time become too small to meet growing needs. He stressed the fact that immediate results gained by the College and tangibly shown in the Honor list are not the ones by which a college should be judged. There is no doubt that the college graduate goes into the world better equipped and broader-minded than his fellow men. The graduate is a better citizen, a better member of the community, and a very distinct factor in the heightening of civilization. The doctor stated that in the past term a new system had been inaugurated, namely the six day week. This change was found to be of great advantage to both students and staff and a great stimulant to work as was made manifest by the great number of honors won by the students of the term. One student was receiving a High Honor Diploma this year. This is a very great distinction and is accompanied by special privileges. It entitles the possessor to enter third year Arts in any Canadian University. This year the recipient is Miss Mildred Tombs of Charlottetown, the Anderson Gold Medalist, who is well worthy the honor, as during the three years she has attended the institution she has always led her classes.

Dr. Robertson also spoke in praise of the other Prize Winners especially Harry Foster and John Connolly who were close rivals for second year leadership. In closing his report, Dr. Robertson stated that the Faculty were highly pleased with the outcome of the year's work and voiced the satisfaction of the staff for the way in which the students had conducted themselves throughout the year and made the task of teaching a pleasant one.

Mr. Wm. Silliphant, this year's valedictorian read the following Farewell Address.

VALEDICTORY Mr. Premier, Your Worship, Hon. Ministers of the Crown, Members of the Faculty, Fellow Students, Ladies and Gentlemen: Today marks the close of another term in the history of Prince of Wales College, and the time has come for another graduating class, to bid farewell to its Alma Mater. To me, has been given the privilege of saying a few parting words. Sadness fills our hearts at the

thought of leaving our old associations and friendships at Prince of Wales College. The time that we have spent here is such as we can review with pleasure. As hands are extended and farewells are said, we linger a moment to think of the past and to look forward into the future.

When we began our course at Prince of Wales College we looked forward to our graduating day with pleasant dreams and happy plans. But, as our sojourn here has come to an end, we now realize that the fulfillment of our dreams and the realization of our plans requires diligent and faithful work, and so we have gained an insight into the deeper and better things of life. Prominent among the many treasures which the graduating student carries away with him, is one, which in after life, he will prize and guard as one of his most valuable possessions; one which will help him along materially "to make straight the path" to his final end, and that precious keepsake so ardently loved and so zealously preserved, is the memory of the days spent, of the deeds done, and of the companions met and parted with, in the "golden years" of college life.

The realization of the influence which such memories have on our future life was well expressed by the poet Moore in the words: When time who steals our years away Shall steal our pleasures too, The memory of the past will stay And half our joy renew."

The intellectual life of our college has been well up to the standard of former years. This is evidenced by the large number of students who have gained certificates. The social life of the college has been well attended to. In the course of the year several enjoyable and successful student entertainments were held. In this respect, we are indeed grateful to the management of the Y. M. C. A. whose efforts were untiring in making the social life of the students, a pleasure. Our athletics during the term were conducted in a highly efficient manner. The various sports were indulged with a zest and enthusiasm, characteristic of Prince of Wales College students. During the Autumn months football occupied the attention of the students; in the winter, hockey. In our endeavour to play the game, our efforts were crowned with success, inasmuch as the football team was victorious in the Intermediate League, and the hockey team carried off the laurels of the City League. In all our athletic sports we have endeavoured to keep before us the thought, that the value of athletics lies in the development of a spirit of co-operation and self-control.

The Debating Society has fully maintained the high standard of former years. That the students were interested in this vitally important sphere of college life, was evidenced by the large attendance and keen interest shown at the meetings of our society. We have been given a training in public speaking, which will be one of our greatest assets for the future. We who are graduating to-day, will endeavour to uphold the enviable record already achieved in debating, by graduates of Prince of Wales College.

All too soon the happy years, that we have spent together, have drawn to a close, and we must now bid adieu. To you, our Principal and Members of the Faculty, we say farewell.

VICTIM OF ENRAGED LOVER

Miss Beatrice Fee, who was shot four times by Fred McGaughey to whom she had been engaged since last summer and died in a hospital in Lindsay, Ontario. She had gone to her home near Lindsay over the week-end and while out motoring with her jealous fiancé the shooting took place. He was incensed at her refusal to marry him after an engagement of over a year and the shooting resulted. She was 19 years of age and refused to wed until she attained her twentieth birthday. It is alleged McGaughey became mad drunk after the affray and he is now in the custody of the Provincial Police charged with murder.

JURY'S VERDICT IS MURDER

Fred McGaughey Shoots Girl Who Refused to Marry Him.

(Canadian Press) LINDSAY, Ont., May 30.—The coroner's jury inquiring into the death of Beatrice Fee, the 19-year-old daughter of Mr. and Mrs. Samuel Fee, of Onemee, tonight brought in a verdict finding that "Fred McGaughey, of the Township of Ops in the county of Victoria, on Sunday, May 25, 1924 shot, killed and murdered Lillian Beatrice Fee."

Miss Fee had been engaged to McGaughey and it is said she refused to go ahead with the marriage because of his drinking. On her refusal Sunday night while in his automobile near his farm in Ops township, he shot her and afterwards took her into his house. He telephoned for a doctor, and when the physician arrived she was removed to Lindsay Hospital where she died.

LABOR GOV'T IS SUSTAINED BY MAJORITY OF 48 VOTES

Sir William Hick's Motion Was Rejected, and Government Given Another Lease of Life—One Hundred Liberals Voted with the Gov't.

(British United Press) LONDON, May 30.—By what may under the circumstances be regarded as the quite comfortable majority of 48, the Labor Government in the House of Commons again succeeded in resisting attack on its existence, when Sir William Joynson Hick's motion to reduce the salary of the Labor Minister, Tom Shaw, by 100 pounds, was rejected after a long debate.

The motion was merely a technical way of expressing disapproval of the Government's policy respecting unemployment, and a similar motion was talked out in the House recently. Prior to the recording of the vote Premier MacDonald declared that in the event of a government defeat, Labor would go before the country in a general election.

On division the vote stood 300 to 252 in the government's favor. H. H. Asquith, the Liberal leader, having announced that his party would not vote against the Government.

LONDON, May 30.—The Labor Government this morning is celebrating a dual victory. In the first place it has defeated the strongest offensive made against it since Premier MacDonald assumed power, while secondly its efforts are largely responsible for the prevention of both the miners' and builders' strikes which two weeks ago seemed almost inevitable.

The victory in the Commons (Continued on Page 3)

WIRE BRIEFS

Last Minute News Flashed in Over the Wires

(Canadian Press) LONDON, May 30.—The Imperial labor conference will not be held in August as at first intended but has been postponed indefinitely.

This postponement has been decided upon because of the political situation in different parts of the empire where Labor parties are more or less unsettled over a general election.

(Canadian Press) OVIEDO, Spain, May 30.—Ten men are known to have perished in a coal mine fire here and rescue squads are attempting to save others known to be in the workings.

(Canadian Press) PARIS, May 30.—A resolution giving a mandate to its parliament group to refuse its votes to any premier chosen by President Millerand, has been adopted by the Socialist Federation of the Workers International Federation which also voted against participation in the ministry by 1784 to 668.

ST. ANDREWS, Scotland, May 30.—Roger Wethered, British amateur golf champion was beaten 2 up by E. F. Storey, captain of Cambridge University golf team in the semi-finals today of the play for the British amateur title. W. E. Holderness, former champion defeated W. A. Murray of Westhill 3 up and 2 to play in the semi round.

LONDON, May 30.—The Allies intend to keep a firm hand on the military control in Germany by maintaining the Commission of Control in full operation until disarmament demands made in the treaty of Versailles are fully executed, according to a long note from the Council of Embassadors sent to Berlin from Paris today.

LONDON, May 30.—The Portuguese aviators, Lieuts Pees and Belros, who are attempting a flight from Lisbon to Macao, China, and who crashed several weeks ago in a storm near Papier, in Jodhour have purchased a new airplane and have left for China, according to a News despatch from Lahore British India. The new plane is equipped with an extra gasoline tank and carries many spare parts.

N. Y. BOY IMPLICATED IN N. S. ASSAULT CASE

Grandmother Declares Youth Was In Bed at the Time of the Attack

(Canadian Press) BRIDGETOWN, May 30.—Acting on a deposition made by Mrs. Jane Guest, that she believes that on the night of May 21st, she was assaulted by Donald Cook, Magistrate F. H. Gesnes, of Laurentville, issued papers for the arrest and police officer George Foster of Middleton, this afternoon, brought back his prisoner from Port Lorne. The hearing has been placed for Tuesday, June 3rd, but will likely take place on the following day.

The Attorney General's department is not believed to be in any way connected with this latest move. Several citizens of Port Lorne are understood to have urged the arrest of this youth, who is about 18 years of age. When Detective Mosher was in Port Lorne last week, the name of Cook was mentioned in connection with the assault, as were one or two other names. There was little if any real evidence in any of the cases, and Mrs. Guest could throw no light whatever on the identity of her assailant.

The correspondent of The Herald, when visiting Port Lorne last week, met the youth accused and conversed with him. There is nothing about his appearance to suggest a criminal. His grandmother declares positively that he was in his bed at the time the assault was committed. At the time of Detective Mosher's visit to Port Lorne there was not enough evidence to justify the arrest of any one.

Young Cook belongs in Buffalo, N. Y., but spends part of the year at Port Lorne with his grandparents.

TORONTO, May 31.—Maritime fresh northerly winds fair and cool. High tide this morning at 9.07 and tonight at 10.00. Sun sets this evening at 7.43 and rises tomorrow morning at 4.11. New moon, June 2nd, 10.34 a. m. Summerside this eighteen minutes later than Charlottetown.
