Answer to Puzzle No. 66

"Poor Betty! She always looks tired"

BETTY was the office mystery. Once pretty, her beauty now lay masked behind an unwholesome complexion. Once vivacious, she now seemed eternally tired—a drooping figure of disappointment and dismay. Too bad she didn't realize that it was constipation which was stealing her strength.

But many men and women rid themselves forever of this devastating disease, by the simple, pleasant means of eating two tablespoonfuls of Kellogg's ALL-BRAN every day—or in chronic cases, with every meal.

As Kellogg's ALL-BRAN journeys through the system, its fiber remains unchanged. It is what doctors call a bulk food—a bulk food which sweeps the intestine clean—a bulk food which absorbs and carries moisture through the intestinal tract, stimulating natural, healthy action. Some-

thing habit-forming pills and drugs can never do. Serve Kellogg's ALL-BRAN with milk or cream, sprinkled over cereals; cooked with hot cereals; in soups, or made into the many recipes given on the package. Delicious with fruit, baked apple, etc.

Caution: Only ALL-BRAN brings sure results. A part-bran product can only be partially effective. Kellogg's is the one, only and original ALL-BRAN. All grocers sell it. Buy a package today. If eaten regularly, it is guaranteed to bring permanent relief or the grocer returns the purchase price. Served in leading restaurants and hotels.

The original ALL-BRAN—ready-to-eat
