DROPSY

One of the most dangerous and repulsive forms of Kidney Disease is

for which Dodd's Kidney Pills are the only certain cure. In Dropsy the Kidneys are actually dammed up, and the water, which should be expelled in the form of urine, flows back and lodges in the cells of the flesh and puffs out the skin. Remove the fifth which plugs up the drain. Restore the Kidneys to health. There is no other Kidney Medicine.

ARCHBISHOP GUIDI DEAD.

WASHINGTON, June 28.—A cablegram was received at the war department to-day from Manila announcing the death there of Archbishop Guidi.

NO OPERATION NEEDED

For Gravel or Bladder Troubles if you use Dodd's Kidney Pills.

TORONTO, Ont., June 27th.—(Special.)—That operations are no longer necessary in Gravel and other Bladder Troubles has again been proven by William Thomas, a bricklayer living at 188 Mill Street this City. Mr. Thomas' evidence is as follows:—

"I had been troubled with Gravel and Bladder Disease for seven years. I had to go to the hospital and have water taken from me. Hearing of cures made me try Dodd's Kidney Pills and after taking them for a time I passed a stone the size of a large bean. Four boxes of Dodd's Kidney Pills cured me completely."

Cure the Kidneys with Dodd's Kidney Pills and you will escape nine tenths of the ills the human family is heir to.

THIRTY-THREE KILLED.

KINGSTON, Ja., June 27.—Thirty-three persons were killed by an accident which took place near Spanishtown this morning in the main conduit of the West India Electric Co., which operates the street cars from Kingston and the shareholders of which are principally Canadians.

THE BEST LINIMENT.

"I have derived great benefit from the use of Chamberlain's Pain Balm for rheumatism and lumbago," says Mrs. Anna Hazelgans, of Tuckahoe, N. J. "My husband used it for a sprained back and was also quickly relieved. In fact it is the best family liniment I have ever used. I would not think of being without it. I have recommended it to many and they always speak very highly of it and declare its merits are wonderful." For sale by all druggists.

CROSSLEY AND HUNTER

BRIGHTON, June 25.—Nearly 800 men and boys attended the lecture and address given by Crossley and Hunter, the noted Canadian evangelists, in the town hall, this afternoon. In the evening both the Methodist and Presbyterian Churches were crowded to the doors to hear the account of Sir John A. Macdonald's conversion at Ottawa in 1838.

TOO GREAT A RISK.

In almost every neighborhood someone has died from an attack of cholera or cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for these diseases should be kept at hand. The risk is too great for anyone to take. Chamberlain's Colic Cholera and Diarrhoea Remedy has undoubtedly saved the lives of more people and relieved more pain and suffering than any other medicine in use. It can always be depended upon. For sale by all druggists.

Glenaladale Farm for Sale

THIS FIRST CLASS FARM, late the residence of John Archibald McDonald, Esquire, deceased is situated at the head of Tracadie Bay (see map at Tracadie Railway station, P. E. I.) containing 5000 acres, of which about 2000 acres are under cultivation. The soil is of excellent quality and eminently suitable for growing various crops. It is distant from Charlottetown by road about 13 miles and from the St. Peter's and Mill Cove Roads and Tracadie Bay. On the premises are a large brick residence, a stable and barn, under one roof, connected with the residence by a large covered passage way, giving ample accommodation for everything connected with extensive farming operations. A good carriage road extends from the ground to the lot of the farm. A large well and numerous sheds adjoin the barn. Those buildings are all comparatively new and of the best construction. Pure water from a never failing spring is brought to the residence and stables by underground pipes, laid by an aqueduct from Tracadie. The wooded part of the farm lying east of the Sandhills Road will be sold if desired in lots to suit purchasers.
