IF MIXED WITH SULPHUR IT DARKENS SO NATURALLY NOBODY CAN TELL.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied.

HOLIDAY FIRE WARNINGS FOR THE HOME

The following warnings, published by the New Brunswick Board of Fire Underwriters, should receive careful reading:—

DO NOT decorate your Christmas tree with paper, cotton or any other inflammable material. Use metallic tinsel and other non-inflammable decorations only, and set the tree securely so that the children in reaching for things cannot tip it over.

DO NOT use cotton to represent snow. If you must have snow use powdered mica or asbestos fibre.

DO NOT permit children to light or relight the candles while parents are not present. They frequently set fire to their clothing instead. Electrical illumination is safer.

DO NOT LEAVE MATCHES within reach of children at Holiday time. Candles are meant to be lighted, and if the children can get matches they will experiment with them. They imitate their elders.

DO NOT allow trees to remain inside buildings after the holidays. The tree itself ignites readily when needles have become dry. A large number of fires usually occur in JANUARY from this cause.

Houston Would Drop Johnson

Claims American League President is Dissenter From New Landis Regime

NEW YORK, December 22.—Failure of the American League to elect New York, Boston and Chicago representatives to its board of directors at the annual meeting last Friday "indicated clearly" that President Ban Johnson and the clubs which supported him in the league war "are dissenters from the new Landis regime in baseball," Col. L. T. Houston, part owner of the Yankees, announced in a statement here tonight.

"During the past year Johnson has fought the appointment of Judge Landis as chairman of the National Commission," Col. Houston said, "and successfully resisted the judge's advent into baseball until compelled to consent at the recent Chicago meeting. His show of acquiescence is the veriest hypocrisy. He had to surrender at the recent Chicago meeting because the 'wild five' deserted him in the fear that the proposed twelve-club league would injure their property investments."

Charging that the recent move is aimed "to disgust and discourage Judge Landis at the start," Col. Houston expressed the opinion "that Judge Landis will quickly find means to curb Johnson and his puppets." "Johnson and his five clubs," he added, "are banded together by ties other than true sportsmanship. The strength of this unholy alliance has made Johnson exceedingly arrogant and has been the cause of all the recent trouble in the American League and in baseball, and until it is broken there can be no peace. The elimination of Johnson would automatically restore tranquillity."

A Christmas Carol

(James Russell Lowell.)

"What means this glory round our feet?" The Magi mused, "more bright than morn?" And voices chanted clear and sweet, "Today the Prince of Peace is born!"

"What means that star?" the shepherd said, "That brightness through the rocky glen?" And angels answering overhead, Sang, "Peace on earth, good-will to men!"

'Tis eighteen hundred years and more Since those sweet oracles were dumb; We wait for Him, like them of yore; Alas, He seems so slow to come!

But it was said in words of gold, No time or sorrow e'er shall dim, That little children might be held In perfect trust to come to Him.

All round about our feet shall shine No time like that the wise men saw.

If we our loving wills incline To that sweet Life which is the Law, So shall we learn to understand The simple faith of shepherds then

And clasping kindly hand in hand, Sing, "Peace on earth, good-will to men!"

And they who do their souls no wrong, But keep at eve the faith of morn, Shall daily here the angel song, "Today the Prince of Peace is born!"

—Mr. and Mrs. Byron Bowness of Charlottetown are spending Christmas in Summerside.
