

SPECIALIST SAID HE MUST OPERATE

She Took "FRUIT-A-TIVES" Instead And Is Now in Perfect Health.

MME. F. GAREAU

153 Papineau Ave., Montreal. "For three years, I suffered great pain in the lower part of my body, with swelling or bloating. I saw a specialist, who carefully examined me and gave me several tonics to take, which did not help me. Then he told me I must undergo an operation. This, I refused to permit. I heard about "Fruit-a-tives" and the wonderful results it was giving because this medicine is made from fruit juices, so decided to try it. The first box gave great relief; and I continued the treatment, taking six boxes more. Now, my health is excellent—I am free of pain and swelling—and I give "Fruit-a-tives" my warmest thanks."

MME. F. GAREAU. 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent by Fruit-a-tives Limited, Ottawa.

100 Years of Healing

is indeed a phenomenal record of success, and the only article of its kind that has this proud record is

JOHNSON'S ANODYNE LINIMENT

Internally—Coughs, Colds, Grippe, Sore Throat, Cramps, Chills, etc. Externally—Sprains, Strains, Muscular Rheumatism, Burns, Bruises, etc. A wonderful anodyne that Soothes—Heals—Destroys Pain.

MILLIONS

Every year from Consumption, millions could have been saved if only common sense prevention had been used in the first stage. IF YOU ARE A Sufferer from Asthma, Bronchitis, Catarrh, Pleurisy, Weak Lungs, Cough and Colds—all Diseases leading up to Consumption, Tuberculosis, YOU ARE interested in Dr. Strandgard's T.B. Medicine. Write for Testimonials and Booklet.

Who works around machinery or in places where he is liable to cut, scratch or burn himself should always have handy a jar of

Mentholatum A Healing Salve

Invaluable also for Sore and Tired Feet Sold and recommended by the leading druggists in the Maritime Provinces. 2 sizes—25c and 50c Send 3c in stamps for a generous size sample.

The Mentholatum Co. 20 Lewis St. Bridgeburg, Ont.

MENTHOLATUM

MENTIONED IN DESPATCHES.—The official news has reached the City that among the Islanders recently mentioned in despatches by Field Marshal Sir Douglas Haig, appears the name of Capt. Cyrus J. MacMillan, Ph. D., City, O. C., No. 7 McGill Siege Battery.

PROFITABLE EVENT.—The High Tea and Sale of candy held in St. Eleanor's Hall on Tuesday under the auspices of the St. John's Church was decidedly successful. A large crowd attended both from Summerside and St. Eleanor's. The proceeds in aid of the Church amounted to something over one hundred dollars.

A RETURNED HERO.—Pte. Joseph McDonald, Seven Mile Bay, who returned from the trenches wounded, a few weeks ago, paid a visit to friends in Summerside last week. His wound, which is on the leg and caused by the explosion of a shell fired by the enemy, is still painful, and he has been advised that he return to the hospital for a few weeks' treatment.

ISLANDER KILLED IN TORONTO.—Falling down the elevator shaft of the Adams Brothers' Harness Works, 781 King Street west, Toronto, David Wilbur McLeod, 407 Balmoral Avenue, was instantly killed. McLeod is seventeen years of age and is a son of Rev. George B. McLeod, pastor of Deer Park Presbyterian Church and a native of Murray River, P. E. I. He was formerly pastor at Brackley Point.

THE COLDEST DAY.—Saturday proved the coldest day of the season, the official thermometer in the city recording 11 below and the thermometer at the Experimental Farm registering 14 below. Various thermometers in the rural districts went as low as 15 to 22 below. Yesterday the Experimental Farm thermometer recorded 13 below and last night the official reading in the city was 6 above.

RECEIVES MEDAL.—Mr. and Mrs. Wm. J. McKay of Freshford, R. R. Conway, has received for safe keeping the military medal won for bravery in the Field in September of 1916 by their son, Signaller A. Roy McKay who was a telephonist. Sig. McKay was complimented several times by his commanding officer for bravery in laying wires under heavy shell fire and the recognition he later received was not unexpected by his chums.

A WELCOME VISITOR.—Mr. Alex Webster of Cardigan spent last week visiting in Fortuane and Rolla Bay. Mr. Webster is 84 years old and enjoying the very best of health and is exceptionally smart and intelligent for a man of his years. Mr. Webster worked at the shipbuilding business when it was an important industry on the Island and remembers the first carriages that were used at Fortuane Bridge. He made an eighteen mile trip in an auto last summer and was very much pleased with that mode of conveyance.

The death of Mrs. Captain Archibald Finlayson of Point Prim desery more than a passing notice. She had reached the very advanced age of 97 years. As one of the early settlers of that prosperous community she had seen great changes on the Island as well as in the part in which she resided for so many years. Early in life, under the ministry of the late Rev. Donald McDonald, she was led by the Holy Spirit of God to seek the "one thing needful" and having obtained it, her confidence and hope in the promises of Almighty God never faltered until the messenger of death was sent to call her from the trials and temptations of this world to the rest that remaineth for the people of God. Truly to the family she being dead, yet speaketh. She leaves to mourn her presence in the old home, two daughters, Mrs. Neil Gillis of Orwell, Mrs. Captain J. J. Murchison, Charlottetown, and William on the old homestead. The funeral services were conducted by the Rev. J. W. MacKerzie and the remains were interred in Mt. Buchanan Cemetery. The pall bearers were Messrs. Daniel MacLeod, John C. MacDonald, John M. Gillis, Ronald MacRae, Nell Morrison and James D. Murchison. Besides her own family she left behind her thirteen grandchildren and twenty grand-grandchildren. It could be truly said of her, "She openeth her mouth with wisdom; and in her tongue is the law of kindness. She looketh well to the ways of her household, and eateth not the bread of idleness."

Lemon Juice is Skin Beautifier, Also a Whitener Many women use just the Juice of lemons to bleach or whiten the skin, but pure lemon juice is acid, therefore irritating, and should be mixed with orchard white. At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin softener and complexion beautifier, by squeezing the Juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the Juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon Juice is used to bleach and remove such blemishes as freckles, sallowness and tan, and is the ideal skin softener, smootheners and beautifier. Just try it! Get three ounces of orchard white at any pharmacy and two lemons from the grocer and make up a quart of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It should naturally help bring back to any skin the whiteness, freshness and flexibility of which it has been robbed by carelessness of trying atmospheric conditions.

Begin Hot Water Drinking if you Don't Feel Right Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated, your head is dull or aching; if what you eat sours and forms gas and acid in stomach, or you are bilious, constipated, nervous, sallow and can't get feeling just right begin inside bathing. Drink before breakfast a glass of real hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon rising in the morning to wash out of the system all the previous day's poisonous waste, gas and sour bile from putting more food into their stomach. To feel like young folks feel, if you felt before your blood, nerves and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate which is inexpensive and almost tasteless, except for a sourish tinge which is not unpleasant. Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels. Men and women who are usually constipated, bilious, headachy or have stomach disorders should begin this inside bathing before breakfast. They are assured that they will become equal-crisks on the subject shortly.

THE WHOLE BODY NEEDS PURE BLOOD

The bones, the muscles, and all the organs of the body depend for their strength and tone and healthy action on pure blood.

If the blood is very impure, the bones become diseased; the muscles become feeble; the step loses its elasticity; and there is inability to perform the usual amount of labor. The skin loses its clearness, and pimples, blotches and other eruptions appear.

Hood's Sarsaparilla makes pure blood. It is positively unequalled in treatment of scrofula and other humors, catarrh, rheumatism, dyspepsia, loss of appetite, that tired feeling. Be sure to get Hood's and get it today. A druggist.

MILITARY MEDALS.—Among the many Islanders who won Military Medals is Corporal Gordon Cairns of the 8th Machine Gun Co., B. E. F., France. Corp. Cairns is now in England having lost his right arm in November of 1917. Pte. H. Rodgerson of the 5th Infantry Brigade, B. E. F., also from Kinkora, won the Military Medal in Sept. of 1916.

WEDDING BELLS.—The residence of Mr. and Mrs. Artemas Cook, Mt. Stewart, which was artistically decorated for the occasion was the scene of a very pretty wedding on the evening of January 30th when their daughter Etta Evelin was united in marriage to Mr. Harry Lane, Melbourne. The ceremony was performed by Rev. R. C. Gray in the presence of a large number of invited guests. The bride, who was given away by her father, entered the parlor to the strains of Mendelssohn's wedding march beautifully rendered by Miss Elsie Cook, sister of the bride. The bride who was unattended looked charming in a handsome gown of white Duchess satin with pearl trimmings and wore the conventional bridal veil, caught up by orange blossoms and corsage bouquet of white carnations and maiden hair fern. The bride and groom stood under an arch prettily decorated with pink and white. After the ceremony was concluded and the happy young couple had received hearty congratulations everybody repaired to the dining room, where they were served to a delightful and sumptuous supper, after which music was singing passed the hours. The bride was the recipient of many beautiful presents. The groom's gift to the bride was a handsome set of natural Lynx furs. The happy couple left for their future home in Melbourne, mid showers of rice and confetti. Their many friends wish them a happy and prosperous journey through life.

HONORS TO GR. HILCHEY.—Saturday a detachment from the new army recruits garrisoned at the Armouries, with their drummers, paraded to the Russ Hotel where they lined up and cheered Gunner Max Hilchey, the returned 98th Siege Battery Veteran. Later, under their escort, the brave lad, who has had his two legs badly crushed in a lorry accident in France, was driven in company with Mr. James Paton, M.L.A. and the Rev. Major T. F. Fullerton, D.D. to the station, where he took the afternoon train for his home in Georgetown. Before leaving, Gunner Hilchey, with the escort drawn up in parade order, was addressed in the waiting room by the station by Mr. Paton and Dr. Fullerton, the former on behalf of the Government and the latter on behalf of the Patriotic Society. Mr. Paton in the course of his remarks complimented the new army recruits on their appearance and spoke of the splendid response to the call for men, made in the call for men, after Gunner Hilchey had boarded the train, walking through the open ranks of recruits standing at attention the funeral cortege from Government house which had then arrived at the station. This was the first public parade (excepting the church parade last Sunday) of the new army men and they acquitted themselves well in putting it mildly. In fact, considering the short time the men have been training the discipline and skill in manoeuvres is most remarkable.

TUESDAY ARM BROKEN.—Helen Jean the little daughter of Mr. and Mrs. Philip Jean, Summerside, fell Friday and broke her forearm.—L.

WEDDED IN LIVERPOOL.—The marriage took place at St. Dunstan's Church, Liverpool, England, on December 11th of Capt. W. A. McEwen, of Charlottetown, to Nursing Sister Gertrude Louise Freeman of Worcester, Mass. Captain McEwen, above referred to is a son of Mr. Horace McEwen of this City.

THREE SONS IN KHAKI.—Mr. Malcolm Allan of Boughton Island has the honor of having three sons in khaki. Joseph and William are serving in France, William having been gassed. The other brother John is in the American Army training in the United States. Still another brother Frederick reported for service but did not go yet.—G.

S. S. WORK.—A teachers training class has been started in connection with the Methodist Sunday School at Maddock. The graded lessons have so been taken up. So far as it is known, this is the first Sunday School in the O'Leary district to reach the 100 per cent standard. Much praise is due to the superintendent Mr. W. E. Brooks for this attainment.—W.

CELLAR FLOODED.—The Sibusby engine was called out yesterday to pump water from the cellar of the "Combs building at the corner of Queen and Water street. The engine worked long and steadily, but not until late in the afternoon was there a very noticeable decrease in the water level in the cellar. The flood is presumed to have started from a defective water main.

SELLS ISLAND FARM.—Mr. Stanislaus Wedge, recently arrived from Alberta, has disposed of his farm in Urbanville and will in a short time return to his new home, accompanied by his wife and family. Mr. Ancolin is another Islander who has made a success in Western Canada. It is nearly six years since he went out there, and partly in teaching, and agencies and other active work, he has succeeded so well that the Island apparently has no attraction for him, and now amidst the good wishes of his Island friends he is about to turn his face homeward to his prairie province.—M.

WEDDING BELLS.—Announcement is made of the marriage of Miss Jennie Bell, daughter of Mr. and Mrs. Robert Bell, Winnipeg, to Loman W. Newsom, Manager of Blake St. Branch of the Canadian Bank of Commerce. The ceremony was performed by Rev. W. L. Armstrong, Brook Ave., on Wednesday, Jan. 23. The bride was attended by Miss Ethel Brockest, while Mr. Stephen Ogg acted as groomsmen. Mr. and Mrs. Newsom have taken up their residence at Suite 6, Prince Rupert Court, Winnipeg Free Press. (Mr. Newsom above referred to is the youngest son of Mr. and Mrs. Peter Newsome, Charlottetown. The Guardian extends hearty congratulations.)

RETURNING WEST.—Mr. Alphonse Gallant of Broussian, Alberta, left Monday, 28th inst. on his return home after spending a month's visit at his former home Albert's Village. While on the Island Mr. Gallant has renewed many old acquaintances, made new ones, and was entertained by many friends and relatives, who greatly enjoyed his company. Mr. Gallant left six and a half years ago for Alberta, and during that time has made a successful career in his new home. Having taught three years before leaving, he continued in the teaching profession in Alberta, and by prudent investments has become the owner of some considerable amount of property. Five years ago he married a Miss Depain of that place. To Mr. and Mrs. Gallant and his small family the heartfelt wishes of his Island friends are extended for a continued happy life in his Western Canadian home.—M.

ISLANDER WOUNDED.—Mrs. Katherine Waring, French River, has received a letter from the C. R. C. Society, in London, England, advising her that her brother, No. 1099793, Pte. E. Meek of the 10th Canadians, is now in Spence Street Auxiliary Hospital, Liverpool, England, suffering from a broken right foot. Private Meek has been visited by a Red Cross visitor, and is doing well and receiving every attention. His friends at home will hope to hear of his complete recovery in the near future.

FUNERAL OF MRS. MACDONALD.—The funeral of Mrs. Macdonald, wife of Lieut. Governor, took place Saturday afternoon from Government House. The first part of the service was held in St. Dunstan's Cathedral where the Bishop of Charlottetown officiated, assisted by Rev. Fathers Hughes and D. V. Macdonald. The chief mourners were His Honour, Dr. R. J. and Mrs. Macdonald and Judge Macdonald. The pall-bearers were: Chief Justice Matheson, Toronto; Murdoch McKinnon, Mr. D. O. M. Reddin, Mr. Charles Lyons, Mr. A. B. Warburton and Judge Stewart. The cortege was returned after the service and proceeded to the station where the funeral party took the 12:30 p. m. train to Montague, where the interment took place yesterday.

IN FLOWER OF YOUTH.—The news of the death after three days' illness of Florence Antoinette Trainor, aged 20 years, daughter of Michael and Mrs. Trainor, 2121 Fifth Avenue West, Vancouver, came as a shock to many friends in city and country. A particularly bright and lovable girl, a clever student, an excellent and painstaking teacher, she had won the love and respect of all. She had given up her school at Christmas holidays to take a further course in normal, afterwards intending to take a university course, and death intervened. On Sunday at noon, January 9th, she passed peacefully away, fortified by the last rites of the church at the General Hospital. Seven years she came to Vancouver with her parents from Charlottetown, P. E. I. Here her grandparents and other relatives and friends were gathered. There are two sisters and one brother, Vancouver, also a brother, J. V. Trainor, a military instructor at Kingston, Ont.

ARM BROKEN.—Helen Jean the little daughter of Mr. and Mrs. Philip Jean, Summerside, fell Friday and broke her forearm.—L.

WEDDED IN LIVERPOOL.—The marriage took place at St. Dunstan's Church, Liverpool, England, on December 11th of Capt. W. A. McEwen, of Charlottetown, to Nursing Sister Gertrude Louise Freeman of Worcester, Mass. Captain McEwen, above referred to is a son of Mr. Horace McEwen of this City.

Tragic Suffering in Northern Ontario

No Doctor within Reach, Prospector Tramped 60 Miles to Save Chum

Gin Pills Succeed in Restoring Kidney Action, Averting Tragedy in Mining Camp

A letter received from Sid Castleman, prospector in the Larder Lake district in Northern Ontario, tells a story as gripping as Robert Service's poems of the frozen north. "To anyone living in a town where medical attention can be called in at short notice, it is not easy to grasp the significance of being taken sick miles away from competent help. The letter which follows tells its own story, yet between the lines one can picture the suffering and the waiting for help to come, if help can be procured."

Larder Lake, Ont. "I am writing you to thank you and tell you the good your GIN PILLS did for me. I had been suffering for some time with my kidneys and urinary tract was constantly passing water, which was very scanty, some days as many as thirty times, and each time the pain was something awful, and no rest at night. I began to feel quite worn out. I had heard of your GIN PILLS, and decided to give them a trial at once. I sent my chum to get them (about 60 miles), and I am pleased to inform you that in less than 24 hours I felt relief. In two days the pain had left me altogether. I took about half a box, and today I feel as well as ever. I did, and my kidneys are acting quite naturally. Again, thanking you for the Pills, some of which I always intend to keep by me." SID CASTLEMAN.

You can picture the anxiety of the miner, realizing the fearful complications which follow kidney trouble will be even more painful than his present symptoms. He is too sick to travel to where a doctor could be consulted. To be sure, he had heard of Gin Pills for the kidneys. Others had been restored to health; why not he? And it was 60 miles even to where Gin Pills could be procured. No doubt Mr. Castleman would hesitate to ask his friends to bring so far an errand which might or might not benefit the sufferer.

For it must have struck both these men far off in the undeveloped north country, as little short of marvellous that relief from the violent pains Mr. Castleman was undergoing could be found in the little red pill coming in a simple wooden box with a black and yellow label—that these pills, selling for half a dollar a box in thousands of stores throughout the world, could bring health and happiness to sufferers in town and country, in the city or in the prairie farm home.

It is a task for a worthy pen to picture the return of the chum from his distant journey. The anxiety following the first few doses, and then "in less than 24 hours" relief. In two days the pain had left altogether. I took about half a box, and today I feel as well as ever. I did, and my kidneys are acting quite naturally. I wonder he adds, "I always intend to keep some by me." If you were situated in circumstances similar to the above, and Mr. Castleman should relate his experiences to you himself, can there be any question in your mind?

The National Drug and Chemical Company of Canada, Limited, Toronto U.S. Address, Na-Dru-Co., Inc., 202 Main St., Buffalo, N.Y.

REPORTED GASSED.—Mr. Bernard Kiggins, 242 Lyon street, Ottawa, has been notified by the Militia Department, that his son, Gunner Joseph B. Kiggins was admitted to No. 9 Field Ambulance, France, on Jan. 16th, 1918, suffering from the effects of being gassed. Gunner Kiggins enlisted in Dec. 27th, 1914, with the 2nd Heavy Artillery at Charlottetown, Prince Edward Island, but on arrival in England was transferred to another battalion. He had been on the firing line for 29 months, and during all this time he had been only slightly wounded once. In his last letter which was received on the 18th of January, Gunner Kiggins stated that he was in the best of health, and getting along fine. Previous to enlisting he was employed in Charlottetown.

The death occurred at Iris, on Jan. 27th, 1918, after two years illness, of Katie A. Nicholson, dearly beloved wife of Daniel Martin, of that place, she was 33 years old, and a member of the Church of Scotland. Mrs. Martin was highly esteemed by all who knew her well, having been possessed of the rare magnetism which comes of being the friend of all. Mrs. Martin has left in sadness a husband, and one young son, Donald, who left her home in Vancouver, to care for her sister through her illness, three brothers Neil and Alex, both of Vancouver, and Duncan at home. The funeral took place on January 29th, and although the day was bitter cold, a large number of people assembled to pay their last tribute of respects, to one all loved so well. The funeral services were conducted in the home at the grave, by Rev. M. D. McLeod, Caledonia. The sympathy of the community is extended to the grief stricken family.

Small Pill Small Dose Small Price CARTER'S LITTLE LIVER PILLS FOR CONSTIPATION Purely vegetable. Wonderfully quick to banish biliousness, headache, indigestion and to clear up a bad complexion. Constant Headaches.—Many people fail to realize that headaches are a symptom of disorders more serious in their nature. Constant headaches, restless nights, and dizziness on stooping, are indications of kidney trouble. The need for Gin Pills is evident in such cases if the development of more ailments is to be averted.

Williamsville, Ont. "I cannot refrain from writing you about the benefits I have received from taking Gin Pills. Before I had taken Gin Pills I had suffered dreadfully with my back and headaches, and had suffered for twenty years. I tried everything, but got no relief, until I got Gin Pills, and have taken six boxes of Gin Pills, and now I have no more of a pain or an ache. I am now 48, and feel as well as ever. I did it myself." MRS. M. P. REPLEY.

Stone, Gravel.—All developments of the bladder and urinary system are very painful indeed, and we are particularly glad to have on file records of what has been accomplished in such cases by taking Gin Pills. Davidsville, North Toronto. "I have great pleasure in writing and recommending GIN PILLS. We have used them for the last two years, and they have never failed us. We took Gin Pills to the Old Country some time ago and gave some to relatives and friends, and they have asked us to give them a box. They can buy GIN PILLS over there, and said they were pleased with the pills, and said they only two pills were needed to give relief. Will you let me know if you have any agents in England? I had a few pills left on my way back here, and we gave them to a woman on board ship, and she was much pleased with them. If I can by any help to those suffering from kidney trouble, I am spreading this wonderful remedy—GIN PILLS—I am only too willing to offer my services." A. SIMPSON.

Hamilton, Ont. "I was taken down with inflammation of the bladder. During the attacks, which occurred more and more frequently, the agony was unbearable, and I became so weak I could not walk across the floor. The doctors could do nothing to relieve or cure me. My wife sent for a box of GIN PILLS to try and see if they would help me. From the first they did me good—the pain was relieved at once, and the attacks began to come of longer intervals. I continued taking the pills for six weeks, and then to my surprise and delight, the stone I sent you came from me and my pain stopped. I have had no return of the trouble, and have not lost a day's work on account of it since. "There is not the slightest doubt that GIN PILLS saved my life." Yours gratefully, JOHN HERMAN.

Sciatika—a constant neuralgic pain localized between the thigh and the ankle. Montreal, P.Q. "Just a word of praise for Gin Pills. About fifteen months ago I could not walk across the street, and finally with Rheumatism, I took Gin Pills, and became quite well. Two months ago I developed sciatica, and have only found relief in Gin Pills after spending a lot of time and money in foreign lands. (Signed) W. G. REID.
