

Annual Meeting Board Of Trade

Continued from page 1

H. Jenkins and J. O. Hyndman. The President, Vice-president and Secretary of the Charlottetown Board and Messrs. G. J. Tweedy, S. A. MacDonald and G. E. Full are members ex officio of the Associated Board. Council members were elected as follows: Messrs. R. E. Mutch, P. W. Turner, Roy McLeure, T. E. McNutt, R. L. Cotton, S. A. MacLeod, E. T. Higgs and A. Farmer.

The minutes of the last quarterly meeting, held October 14th were read and adopted. In reference to the matter brought before the Board by the Brotherhood of Railway Engineers at that meeting, Mr. Tweedy stated there was little more the Board could do and suggested the Brotherhood have their plea taken up by the local Government.

A motion that the Board refer the matter to the Government was made by Mr. S. A. MacDonald, seconded by Mr. E. T. Higgs, and duly carried. The reports of the various committees, published elsewhere in today's Guardian, were then heard and on motion of Messrs. R. L. Cotton and S. A. MacLeod were duly adopted.

The President's address was then read and adopted.

A vote of thanks, moved by Mr. S. A. MacDonald and seconded by Mr. E. T. Higgs, was extended to retiring President Tweedy for the manner in which he had discharged his duties during the year.

Mr. Higgs stated it was the first time he had ever seen written reports handed in by all the committees.

The Secretary's report presented by Mr. W. L. Higgins, showed the membership at present to be 151, or five more than last year. Mr. Higgins stated that two members, Mr. G. H. Taylor and Mr. James Paton have been with the Board since its inauguration forty-five years ago.

The financial report showed receipts of \$1,098.52 for the year and a balance in the bank of \$222.93.

Mr. P. W. Turner commended the report, but thought that in a city as large as Charlottetown, the membership should be much greater. He moved the adoption of the report.

The motion was seconded by Mr. McLeod and carried.

The President extended his thanks to Mr. Higgins for his excellent services.

Messrs. F. J. Holman and A. Farmer were elected members of the Board.

Mr. S. A. MacLeod moved that flowers be sent Mr. James Paton, who is ill in Montreal; also that a telegram be sent him expressing the regret of the Board at his absence from their annual meeting. The motion, which was seconded by Mr. R. L. Cotton, was carried.

Mr. Cotton stated that owing to the great amount of work done by the Secretary it was customary to appropriate \$100 for a bonus in addition to his salary and accordingly made motion to that effect. It was seconded by P. W. Clarkin and carried.

Mr. Higgins, after expressing his thanks, said the Board should be proud of its past Presidents. All the Presidents during his fourteen years of office had continued as active members after the expiration of their term.

Postmaster General Thanked

Mr. S. A. MacDonald moved that the appreciation of the Board be extended to the Postmaster General for the winter air mail service. The motion was seconded by Mr. Cotton and carried, Mr. Cotton being delegated to attend to the matter.

Mr. Cotton stated that the members of the Canadian Chamber of Commerce are to make a tour of the Eastern Provinces next fall. He also said the Maritime Board had expressed a desire to hold their next meeting here and thought such an invitation should be extended them. He made motion to that effect, which was seconded by Mr. Turner and carried.

Mr. S. A. MacDonald added that a very large group of prominent western business men would visit here in connection with the Chamber of Commerce tour and this would be an opportunity for the citizens to come forward and receive the delegation.

The retiring President then called upon Mr. Kennedy to take the chair which he did amid applause.

A vote of thanks, moved by Mr. Higgs and seconded by Mr. F. J. Holman, was tendered the Pres. It was responded to by Mr. Reuben MacDonald.

Mr. Higgs recommended that the incoming council should co-operate with the Publicity Association and attempt to have large steamships call here on their summer tours. It was moved by Mr. S. A. MacDonald, seconded by Mr. Higgs, and carried unanimously, that the implementation of the Duncan Commission report in regard to car ferry

League Delegates Announced By The Prime Minister

(Canadian Press)

OTTAWA, Ont., Jan. 13.—So long as the conscription of men for military service and the expenditure of millions of dollars on armaments continue, so long will the danger of war exist, Rt. Hon. R. B. Bennett declared here today. The Prime Minister's remarks followed the acceptance of a monster petition compiled by the League of Nations Society in Canada and the Women's International League of Peace and Freedom. It was presented by Dr. H. M. Tory, President of the Society, and associated with him was Senator C. P. Beaubien.

In the course of his brief observations the Prime Minister announced that Canada's delegates to the Disarmament Conference at Geneva next month will be Rt. Hon. Sir George Perley, Hon. Maurice Dupre, Solicitor General and Miss N. W. Kydd, President of the National Council of Women.

The life of democracy depended upon the maintenance of peace, the Premier said. He felt that the petition, which contained 480,000 signatures, would be "an added incentive to express our views favoring disarmament as strongly as possible at the conference."

MINGLING OF SEXES AMAZES U. OF T. EDITOR

VANCOUVER, Jan. 13.—Free mingling of sexes at University of British Columbia caused amazed ejaculations from W. H. Payton, editor of the University of Toronto Varsity when he visited the university here yesterday.

Here are some of the things that surrounded him:

Co-eds going to tea with men students on campus.

Men and women students sitting side by side in classrooms.

Men students having to remove hats on entering university buildings.

At Toronto University, said Payton, men were allowed to wear hats into college buildings long before women were ever allowed inside doors.

"And why should we change such an old custom by advent of women," he asked.

In Toronto, co-eds dining or "teasing" at the same restaurant as men students "simply isn't done." As for an undergraduate actually inviting a girl to have a meal with him at the university was an impossibility.

accounting be referred to the Incoming executive to take the matter up with local and Federal government representatives.

On motion of Mr. McLeod, the meeting then adjourned.

PRESIDENT'S REPORT

The following report was submitted by the retiring president, Mr. George J. Tweedy:

Tonight I present for your consideration, and I hope your approval, a report of the past year's activities of the Charlottetown Board of Trade. In doing so, I wish to emphasize the fact that it is the forty-fifth such report presented by this Board. If we were to allow twenty-five years of the life of an individual for preparation, then in forty-five years more the allotted span of life would be completed. So that, now, we can get some idea of the great tasks which this Board has undertaken, and in many instances saw completed, during its forty-five years of service.

In preparing this report I have deviated from the precedent established by previous reports of the Presidents of this Board. It had become the custom to give a resume of the year's activities of the Province and a statistical report of our various industries. This information has already been given in the press and is available through other sources to those who seek such information. I am going to confine my remarks, therefore, to the actual work accomplished by the Board with a view to stimulating greater interest in its activities and to inform our people, particularly our young business men, of the great opportunities this Board has to offer for service. To follow the working of this Board for a season is in reality to take a short-course in the political and commercial life of our Province and City.

Harrington, agent and trustee officer, reported two cases of truancy, and a number detained at home through sickness and especially through lack of clothing. Bonfire Made Of Non-Indian Cloth In Bombay

BOMBAY, India, Jan. 13.—(A.P.)—A bonfire of non-Indian cloth burned tonight in Bombay as a symbol of the Indian Nationalist boycott campaign.

For the first time since resumption of the civil disobedience movement, volunteers of the Congress party made a house-to-house collection of the cloth in the Mandvi area and set fire to it in front of a large crowd which shouted boycott slogans.

Police dispersed the crowd and arrested five persons, but it was a considerable time before the fire died down.

In another quarter of Bombay, two policemen and 16 civilians were injured when police dispersed a meeting of Nationalists at Chivopatti Sands, along the seashore. Forty men and women were arrested.

At Calcutta a government case against B. mal Das Gupta, Bengal youth on trial for the alleged murder of James Peattie, district magistrate at Midnapur last April, collapsed when three supposed eyewitnesses of the crime—boys aged 12, 15 and 17 years—testified they were not present at the time the magistrate was shot and did not even know the accused youth.

Fifty persons were hurt and 30 women arrested at Hamadabad when mounted police charged on a meeting of several hundred Nationalists in the dry bed of the Sabar-mati River. There were demonstrations there and in Bombay, where howling natives fought back when police charged in with their long staves.

Leaders exhorted the crowd never to rest until Mahatma Gandhi was set free.

Attorneys interested in obtaining the Mahatma's release from prison postponed their application for a writ of Habeas Corpus pending further study of the statute of 1827 under which he was committed to jail nine days ago.

FORM R QUEEN

her ailment too far advanced for successful treatment.

During the last week, she underwent a series of relapses. Her children, George, Paul, Helen—Queen of Rumania—and Irene, were called to the beds each time.

A brilliant future seemed to be in store for Sophie Dorothea Ulrica Alice, sister of the German Emperor, when she was married to Constantine, King of the Hellenes, at Athens on October 27, 1889.

According to an ancient Greek legend, when a Constantine and a Sophie should together occupy the Throne, Greece would regain possession of Constantinople, and the splendor that was hers in the Byzantine epoch would return to endure forever.

Fate decreed otherwise. Driven from the Royal Palace, widowed in 1923 under sad circumstances, the Kaiser's sister died almost forgotten by the world.

Former Queen Sophie was born in Potsdam, June 14, 1870, fourth child of Emperor Frederick III and his Consort, Victoria, Princess Royal of Great Britain.

As the first Prince of a Greek reigning dynasty, born in modern times on Greek soil and reared in the Greek orthodox faith, Constantine embodied the national aspirations of the Greek people.

After the birth of Crown Prince George in 1890, Queen Sophie embraced the Greek orthodox faith, thereby incurring her brother William's displeasure, and it was some years before they were reconciled.

King Constantine and Queen Sophie left Greece after the revolution of Chios in 1922, when George became King. They retired into obscurity, Constantine dying in the following January at Palermo, Italy.

Savings Deposits Show Increase

CHURCH POINT, N. S., Jan. 11.—Savings deposits accounts here and in Meteghan River have been increased by more than \$100,000 during the past two weeks by remittances from former residents of this district, now living in the New England States.

Confidence in the stability of the Canadian Banking system and a desire to take advantage of the premium on United States funds are believed to be the chief cause for the heavy deposits.

While a tendency to bank funds on this side of the border has been common throughout the province during recent weeks, the trend has not elsewhere reached such proportions as that evidenced in the local branches, officials say.

Wednesday nights are taken up with a programme of music, etc., while Friday nights are made both interesting, instructive and pleasant by Debates. There are the usual officers: President, Vice-president, Secretary and Treasurer, and many big questions are being discussed and decided by this club. Of course, these decisions are not final. They may be appealed to the League of Nations for the 2nd of February. A very important far-reaching subject is set for Wednesday evening, Jan. 13th: "Resolved that women should have the right to propose?" As this is Leap Year, no doubt an intense interest shall attach to this debate, and to the verdict handed down on the 13th. No doubt a report of this debate shall be sent to the Guardian, by some of the members.

Late Canon Troop Was Well Known In This Province

Well known and highly esteemed in this Province was the late Canon George Osborne Troop, whose death at Halifax on January 11th has been reported. Canon Troop, who was in his 78th year, was one of the outstanding clergy of the Church of England in Canada. He was born at Bridgeport, N. S., March 6, 1854, son of William Henry Troop, barrister-at-law. His mother was Georgiana Coster, daughter of the late Archdeacon Coster of Fredericton, N. B.

Canon Troop graduated at King's College, Windsor, N. S., and was ordained deacon at St. Paul's Church, Halifax, on February 25, 1877. He was ordained priest on the 17th day of March, 1878. He served as curate at St. Paul's Church, Halifax, for the first four years of his ministry, under the rectorship of the late Rev. George W. Hill, D. C. L., a distinguished clergyman of his day. Canon Troop's first rectorship was that of St. James Church, St. John, N. B., where he served for four years. In 1886 he was called to the rectorship of St. Martin's Church, Montreal, where he served for almost exactly twenty seven years. He resigned St. Martin's in 1913 and went to England, where he was appointed vicar of Felbridge, near East Grinstead, in Sussex. He resigned this charge in 1918 and returned to Canada six months before the close of the Great War. Since then he has been constantly preaching as a missionary in different places in Canada and the United States and he also ministered for four winters in Jamaica and spent some time in Toronto.

Canon Troop was married twice, first to Suzette Lawe Hill, daughter of Rev. George Hill, and second to Miss Lillie Unkacke, of Halifax, whom he married in London, England.

Returns From Convention At Canadian Capital

Mr. J. L. Douglas has returned home from attending the Eastern Canada Fruit and Vegetable Jobbers Association convention held at Ottawa on Jan. 6th, 7th and 8th. He reports a largely attended and successful convention. Among other speakers heard were Mr. E. W. Oliver, C. N. R., Toronto, who reviewed the railway situation and Hon. Martin Burrell, P. C., who at a banquet in the Chateau Laurier on the 6th instant gave an address reminiscent of the early days of fruit growing in Ontario.

On Thursday, the members of the Association were guests at the Ottawa Board of Trade at a banquet at the Chateau Laurier. The speaker on this occasion was Hon. Dr. Manion, who stressed the necessity of building up empire trade and the benefit of the West India treaty, giving statistics showing the increased trade through the port of Halifax, especially in banana shipments.

In the adjoining room from the Convention was a fruit exhibit from the province of Ontario, and also a fine display of fruit from the West India Islands, consisting of grape fruit, oranges, lemons, pineapples and coconuts.

Prospects of finding a profitable outlet for Island potatoes in Central America, he reports, are not encouraging.

While in Ottawa Mr. Douglas had the pleasure of meeting Mr. Lloyd Jenkins, who is on the staff of the "Ottawa Citizen," and wished to be remembered to his many friends in Charlottetown. Visiting the Parliament Buildings, Mr. Douglas was shown through by Mr. William Harris, one of the guards, formerly of this city, and a veteran of the South African and Great Wars.
