BERT LYTELL SCORES AGAIN IN SAME ROLE HE MADE FAMOUS ON STAGE

Romance, pathos, thrilling drama and a sensational dual characterization by the extremely talented Bert Lytell makes "Brothers," the film adaptation of the successful stage play released by Columbia Pictures, a really entertaining picture. It opened at the Capitol Theatre yesterday for a three days' run.

The story is concerned with twin brothers separated in infancy and brought up in contrasting environments. The effect of the environments on the two brothers is brought to manhood is clearly depicted. Fate brings them together again with tragic results. The film is teeming with dramatic situations and interest.

The dual portrayal of Bert Lytell is a masterpiece of dramatic art. In an amazing manner, voice and personality so that it appears like two entirely different people. It is a finished performance, and it intrigues the audience.

Dorothy Sebastian gives a charming performance in the role of the heroine. She is an attractive and talented actress. William Morris, who appeared in the original stage version, repeats his creditable performance. Others in the cast who give performances of special mention are Richard Tucker, Claire McDowell and Howard Hickman.

You will like "Brothers." Don't miss it.

Garbo Great In Inspiration

STAGE GIVES UNFORGETTABLE PORTRAYAL IN STORY OF PARIS ARTISTS

What an "Inspiration" Greta Garbo is!

In her new talkie of that name which opened at the Prince Edward Theatre yesterday, Garbo had no need to exert herself to be accepted convincingly as the inspiration of the foremost artists, writers, sculptors, poets and composers of Paris. She is all of that, more glamorous than we have ever beheld her before, more alluring, more elusive—all that an inspiration should be—even in Paris.

The story has a racy, modern background and is based upon a theme of tragic sacrifice with Robert Montgomery as the provincial lover for whom Yvonne, the heroine, turns her romantic world topsy-turvy.

Made-to-Order Role
This is a role written for Garbo. We know of no other actress whom it would fit as well.

Montgomery, in his initial appearance with the exotic star, registers splendidly and is certain to find himself more popular than ever by reason of his performance. Not a single character has been slighted. The supporting players come to the front so strongly that we wonder how credits could have been arranged in anything but an alphabetical order.

Lewis Stone, without whom no Garbo picture seems complete, adds another superb characterization to his glowing record and Marjorie Ransau of the stage renders an outstanding depiction of a somewhat passé demi-mondaine with a passion for cocktails and composers.

The production has been filmed upon a grand scale and Garbo's ultra-modern gowns are a delight to both feminine and masculine eyes. The ballroom scenes are lavishly done and the Parisian atmosphere is well handled.

DON'T FAIL TO HEAR MT. ALYSON Artists tonight in Hearts Hall at 8 o'clock. 3681-2-2

THE ANNUAL MEETING of the Benevolent Irish Society will be held Wednesday evening at 8 o'clock in their hall, Richmond St. 3710-3-3-21

WITH THE CLEARING of the Murray Harbor Branch line for traffic on Saturday the schedule of the Island Division of the C. N. R. is again effective. There has been considerable work for snow shovellers widening the cuttings.

APPROACHING NORMAL—The mild weather and warm sunshine of the last few days have reduced the depth of snow on the streets to something approaching normal. Storm sewers have been opened and in most places the surplus water quickly disappears. Drains cut from large pools in the street permit the water to run off. The few cars that ventured out yesterday had rough and difficult passage through the slushy streets. Pedestrians still find the walking anything but pleasant, particularly at street intersections.

FARM DWELLING BURNED—A bad fire at Rustico on Sunday evening caused the destruction of the fine farm residence of Mr. and Mrs. Michael Doyle. The fire started about 8 p. m. from a defective flue, and gained headway so quickly that it was impossible to save the building, though part of the furniture was saved. The outbuildings remain intact, also, fortunately, another dwelling house on the same property, into which the family will be able to move immediately. The loss is partly covered by insurance.

GYRO CLUB—The regular dinner of the Gyro Club was held last evening at the Parker House with Gyro Tom Rogers in the chair. President Charlie Williams reported that the radio equipment will soon be installed in the new sanitorium. He also announced that the Gyro Club will have charge of the formal

opening of the Canadian National Hotel. The speaker of the evening was Col. H. S. Sparling, General Staff Officer of Military District, No. 6, who ably discussed the subject of Canada's status as a nation and her position as regards defence. In 1926 at the Imperial Conference the Dominions of the British Empire were defined as independent nations united under the British Crown. The establishment of this status was the result of an evolution extending over a period of nearly a century. The speaker outlined clearly the steps leading up to this recognition. Canada has often served as an interpreter between Britain and the United States. Canada has attained a high degree of nationhood, but with the attainment has come added responsibilities, responsibilities of home and empire defence, and of making decisions as to whether or not to participate in war. She also must take her place in the League of Nations, and have her voice in international affairs. Volunteer militia in Canada is 24,000 less than it was before the war. The British Empire devotes a smaller percentage of her budget to national defence than does the four other great world powers. Canada has 3,500 in her permanent force, located at Halifax and Esquimaux. The speaker in closing told that there is need for preparation as the international situation may change at any time. One new member, Mr. W. Monaghan, was added to the club membership last evening. The guests were Messrs. Jack Hearn and L. T. Lowther. A vote of thanks to the speaker was moved by Gyro Frank McPhee and seconded by Gyro N. W. Lowther.

DESCRIBES RECITAL BY WILDEST MOUNT ALLISON AFRICALADIES

Illustrated Lecture At St. Paul's Parish Hall By Rev. A. W. Banfield of British and Foreign Bible Society.

Much Appreciated By Audience At Heartz Memorial Hall—Under Y. P. S. Auspices.

Those who attended the recital of the young artists from Mount Allison Ladies' College, who presented a musical and dramatic programme at Heartz Memorial Hall last evening, were well rewarded. Each of the five young ladies displayed genuine talent in the numbers presented, and the audience was duly appreciative.

Miss Dorothy Swetnam opened the programme with two piano solos, "Canzonetta del Salvatore Rosa," by Liszt, and "Polichinelle" by Rachmaninoff. Miss Swetnam also played "Etude" by Scriabine and "Scherzo in E. Flat" by Brahms.

Three solos, sung by Miss Eula Gardiner were also of very high order. They were "The Lass with the Delicate Air," by Arne, "Autumn Evening" by Roger Quilter, and "Earl Bristol's Farewell," by Delius.

Three readings of a varied nature were given by Miss Mary Chisholm. The first, "Here Comes the Bridegroom" by Booth Tarkington, was delightfully comic. "The Lion and the Mouse" by Klein contained a greater element of the dramatic, while the title, "Nothing to Laugh At," belied the nature of the dramatization.

Three vocal solos, sung by Miss Cecil Brown were particularly appreciated by the audience. "Linden Lea" by Vaughan Williams was the first, and was followed later by "Sea Fever" by John Ireland, and "At the Well" by Hageman.

Miss Gwendolyn McDonald played four very pleasing piano solos, "Lotus Dance," by Cyril Scott, "Two Waltzes by Chopin" "Sarabande" by Roumieu McDowell, and "La Cathedral Englante" by Debussy.

Misses Dorothy Swetnam and Gwendolyn McDonald played two duets on two pianos, showing careful training and marked musical ability. The selections played were "Three Waltzes" by Brahms, and "Wedding Day" by Grieg.

The recital was held under the auspices of the Trinity Church Young People's Society. Rev. C. N. Brown acted as chairman.

their complimentary remarks in this connection being much appreciated by the officers.

The report contains the following optimistic survey of business conditions: "The past year has been marked as one of great economic and political upheaval throughout the world. All nations have felt financial depression; some have suffered more than others; but we think when present conditions are fully analyzed our own country, Canada, has suffered much less than other." Coming to our own favored Province, we have many things to be thankful for. Unemployment and the lack of the necessities of life are practically unknown. We have, of course, felt the reaction of national business depression. Prices for our own commodities were not as good as we would have liked, and as a result money has not been as plentiful, making it difficult to meet financial obligations. But taking into consideration conditions here, as a whole, and comparing them with conditions in other parts of Canada and the United States, we consider we have fared well.

A 6 per cent dividend was again declared this year on the paid-up capital of the Company, which was highly pleasing to all the shareholders. This is indeed a splendid accomplishment for the leading manufacturing concern in this Province in view of the depression in other parts, and it was naturally considered as a most gratifying indication for future success.

Reference was made to the death of a number of shareholders during the past year, including Dr. George A. Warburton, Victoria, B. C. Messrs Russell Oulton, Alberton; Fletcher Jordan, Murray Harbor; and Charles Cumming, H. V. Buntain, Andrew Ritchie and John McLeod of Charlottetown.

A vote of appreciation to the management was offered by the meeting and accepted by the officers. The following directors were then elected for the ensuing year: President—Hon. Frank R. Heartz. Vice-Pres.—Mr. Frank M. Stewart. Sec'y-Treas.—Major C. L. MacKay. Directors.—Hon. Senator John MacLean, Messrs John A. MacNair, Charles H. Chandler, and D. D. Morrison.

—BORDEN WINS FROM KENSINGTON—Borden won the second home and home game from Kensington on Saturday night with a score of 4 to 2. This gave them a score of 4-3 in the final round for the McLean Trophy. They will now play Alberton for the trophy. It will take two games to decide the winner, one to be played at Kensington and one at Alberton.—S.

—SAD NEWS RECEIVED—Mr. L. R. Allen, M.L.A., received the sad news of the death on Sunday of his aunt, Mrs. William G. Allen, of Cape Tormentine at an advanced age. Mrs. B. C. Allen, of St. Nicholas, is her sister and the only survivor of a large family. Mr. Allen will attend the funeral, which takes place this afternoon from her home in Cape Tormentine to the United Church and Cemetery.—S.

—PRISONERS WANT RUBBER BOOTS—Several citizens in Summerside have made frequent suggestions that the prisoners in the Prince County Jail be given some exercise clearing the snow from the streets. Mr. L. R. Allen, M.L.A., when approached on the subject, gave his consent, and preparations were made for them to clear the snow from Water Street. But the prisoners refused to go out as they had no rubber boots. Mayor Lidstone does not think the Town Council would be justified in providing boots for prisoners of the Provincial Government. So the matter rests there.—S.

(By "Tec") Must Take The Olympic Oath

Crystal Sisters On Tour

The Canadian Amateur Hockey Association announced today plans for a colorful refutation to charges that "velled professionalism" has crept into amateur hockey ranks. Players taking part next month in final series for the Allan Cup at Toronto will take the "Olympic Oath of Allegiance" before each game.

Secretary Fred Marples of the C. A. H. A. announced the proposed innovation. Players of both teams competing in the Canadian Junior and senior championship finals will line-up at centre ice, facing the Union Jack, and there take oath that they are amateurs "according to the definition of the Amateur Athletic Union of Canada."

The ceremony is designed by the C. A. H. A. to contradict statements that officers and members wink at known cases of a breach of the amateur rule and that we have not the backbone to stamp our professionalism from our ranks.

In taking the oath, players will also swear they are not under contract to play professional hockey at any time and have no understanding with a professional club.

Let's give the Sheiks a big hand tonight. They are a fine lot of boys and good hockeyists.

New Glasgow Game Off

Local fans are mourning the fact that the New Glasgow Tigers will be unable to make the proposed trip to the Island on Friday night for a game with Abegweit. The reason given is that the team has disbanded for the season. The Abegweit management, although disappointed, are now trying to make arrangements with another Mainland team, probably Campbellton, to take the place of the Tigers. Let's hope they succeed.
