WEDNESDAY

THE MAILS.—Eight boats left Cape Traverse yesterday morning at 9 o'clock with 45 bags of mail and, after a very heavy crossing, reached Cape Tormentine at 3.45 p.m. A special train will be sent from Sackville to Tormentine this morning and it is expected that all the letter mail to date and the latest papers will be brought over by the eight boats to the Island to-day. The balance of the unimportant mail will have to be sent around by Pictou. A special train left Charlottetown last evening at 8.45, the mail from which will be taken over by the eight boats which leave this side this morning. There was no foreign mail received on the Island yesterday.

—WEDDING BELLS.—A happy event took place at the home of Mr. John Burrows, Wilnot, on Wednesday evening, the 17th inst., when his daughter Mary Isabel was united in marriage to Mr. Harry S. Moase of New Annan. The ceremony was performed by Rev. J. MacKay of N. Bedouin in the presence of about fifty guests. The bride entered the parlor which was very prettily decorated, escorted by her father to the strains of the wedding march, nicely rendered by Miss Hazel MacMurdo. She was attended by her sister Miss Carrie Burrows. The groom was supported by his cousin, Major Moase. After the ceremony the guests repaired to the dining room where supper was served. The rest of the evening was enlivened by music, singing, dialogues, etc., etc. The happy couple were the recipients of many wedding presents. Mr. and Mrs. Moase will reside in Freestown, where Mr. Moase has purchased a beautiful property.

—BURNETT-MULLIGAN.—The following from a West Cambridge, Mass., paper, will be of interest to Island friends: Sunday evening, Feb. 14th, at St. John's Church, Mr. James A. Burnett and Miss Edith A. Mulligan were united in marriage by Rev. John R. McCool. The bridesmaid was Miss Eleanor C. Howard and the best man was Mr. George Murphy, a cousin of the bride. The bride wore a blue duchesse satin dress, a white hat with white plumes and pink rose and an electric blue military coat. She carried a large bouquet of white roses. The bridesmaid was dressed in blue silk and carried pink roses. Following the ceremony a reception was held at the residence of Patrolman J. H. Bagan, 2561 Massachusetts Avenue, where about fifty guests gathered to extend their congratulations and enjoy a delightful programme of music. Mrs. Walter S. Kennedy, of 6 Porter Road, and Daniel Watts furnished piano and vocal selections and Fred Churchill, Raymond Churchill and Nicholas Fancou sang solos, while Albert Fancou gave violin numbers. A supper was provided by caterer Churchill. Following the festivities Mr. and Mrs. Burnett left on their honeymoon, which will be spent in New York and Philadelphia. Upon their return they are to reside on Meacham Road.

—MRS. BRUNO GAUDET.—This pioneer settler, and one of the oldest ladies in Petterville district, is slowly sinking from general breakdown, occasioned by old age and infirmities. Being over ninety years of age, she has always lived a life of devotion to her family and was a great promoter for the welfare of the destitute throughout her settlement. Always kind and charitable, her many friends are anxious to do all they can to make the remaining days of her life happy. Her husband died over twenty years ago.—Z

POLICE COURT.—At the Police Court yesterday four boys, whose ages range from 8 to 10 were up before His Honor, charged with stealing ladies' combs from the store of L. J. Reddin. These boys entered the store ostensibly to sell papers, and managed to get upstairs unobserved. The combs they sold to the volunteers. Among the ads were several who were up before His Honor on previous occasions. They were given a good lecturing and released on suspended sentence. If found on the streets after night they will be liable to arrest. They were also prohibited from selling papers in future.

—RECEPTION AT BLOOMFIELD.—A grand reception was given Arthur and Patrick Martin, sons of Mr. Andrew Martin, and Mr. John Gallant, son of Mr. Amedee Gallant, of the parish of St. Anthony, on their arrival from Charlottetown, on the 5th of March. On their arrival home the telephone got busy and at 8 o'clock p. m. Mr. Martin's large and commodious house was well filled with friends of the boys, to wish them a safe return after having delivered the Kaiser's scalp to our noble King. The parish of Bloomfield has responded nobly to the call. The following are the names of those who enlisted: Arthur and Patrick Martin, sons of Mr. Andrew Martin; John Gallant, son of Mr. Amedee Gallant; Paul Dolon, son of Mr. Joseph Dolon; Ben Gallant, son of Mr. Peter Gallant; Jessy Gallant, son of Mr. Andrew Gallant; Joseph Harrington, son of the late Charles Harrington. The speeches were made by Mr. T. G. L. A. Hon. Benj. Gallant, Amedee Gallant, Joseph Dolon, David Botts, Fred McCausland and Andrew Martin. A collection was taken up for the boys amounting to \$24.00. After singing God Save the King, all went home to pray for the safe return of those courageous boys.

THURSDAY

ENCOURAGING A POET.—Mr. Frank J. Praught has received a flattering letter from The C. L. Partee Publishing Co., New York, offering to publish and set to music his poem "Queen Mary and King George." Mr. Praught has the matter under consideration.

—MRS. ARSENAULT.—The death occurred at Higgins Road, on the 19th inst., of Mrs. Arsene Arsenault, after a lingering illness of several months. Although her illness was very severe, yet she bore her sufferings with resignation, always putting her trust in God. She leaves to mourn a sorrowing husband and a family of several children. Theodore, one of the sons, had the good fortune to arrive home from the States in time to see her alive. The funeral took place to St. James' Church last Monday and was largely attended.—M

YESTERDAY'S FUNERAL.—The funeral of the late Mrs. Bridget Haley took place yesterday morning from her late residence, Waterside, Pownal, to Vernon River Church. For the past seventy years Mrs. Haley resided in Pownal, where she made hosts of friends who mourn her death. The funeral was largely attended. The pall-bearers were: Messrs Wm. Drake, Isaac Burden, Samuel C. Lane, Alex. McDonald, Peter Jackman and Wm. Moran.

About one o'clock this morning Sheriff Wright, of Summerside, accompanied by a posse of Alberton citizens succeeded in capturing the two Lewis brothers, Calvin and Irving, who broke jail at Alberton a few days ago and who are suspected of setting fire to the barn of Mr. George Barbour and also of having fired at Constables Barbour and Brown while searching their premises for whisky.

Widespread interest has been taken in this case and its future progress will be keenly watched. The suspects were lodged in Alberton when arrested and will be held in the Summerside Jail this morning for safe-keeping.

—MR. RICHARD'S FUNERAL.—The remains of Hon. James W. Richards arrived at Port Hill Station on Monday evening. A large number of people had gathered at the station and following the remains to the residence of Hon. Senator Yeo, where it lay on Monday night and Tuesday forenoon and where hundreds of people came and looked upon the face of one whom they loved, honored and respected, not only for his great ability but for his courteous, kind and genial disposition. The funeral, which took place on Tuesday afternoon, was the largest ever seen in the community, there being upwards of two hundred sleighs and from far and near people came over roads which were not good in order to take a last look and pay their last tribute of respect to their worthy representative in parliament. The interment took place in the cemetery of St. James Episcopal Church, Port Hill, and the Rector, Rev. John Bamford conducted the services. The members of Alexandria Lodge, of which deceased was a member, with members of other lodges attended in a "body" and conducted the service at the grave. Mr. Hubert Phillips undertaker, had charge of the funeral arrangements. The pall-bearers were: Messrs. Bernard D. Brown, Hugh Maynard, W. B. Hayes, William Burleigh, Thomas F. Murphy and William J. Palmer.—P

An outstanding feature at the recent Horse Show was the remarkable success of the produce of the well known stallion, Keppoch Prince, owned by Mr. W. W. Crosby, Cornwall. Although not yet six years old, his stock won first prize for stallion any age, first and second for yearling stallion, first and second for yearling fillies, first for two year old stallion, first and second for two year old fillies, first for best five animals the get of one registered draft stallion, first for four best Clydesdales the get of one sire and supreme championship in the stallion classes. Keppoch Prince gives promise to be to the Clydesdales of the province what his illustrious grand sire, Barons Pride, was to the breed in Scotland, the greatest sire of his day.

The phenomenal success of the choice yearling colt owned and bred by Mr. Mack Vickerson, North River, and sired by the noted stallion Keppoch Prince, was one of the prominent features of the Horse Show recently held. This youngster, although only eleven months old, was good enough to win first prize in yearling class, first for stallion any age, and championship, as well as being included in the classes for best four Clydesdales by one stallion. By Mr. record probably never equalled in this province and is surely an attainment to be proud of.

Something of a mystery surrounds the disappearance of a gentleman who visited Charlottetown the latter part of last November and registered at one of the leading hotels as G. E. Sherwood, San Francisco, Cal. Early

Smothering of Asthma Stops Quick

Thousands Cured by Catarrhozone

Count Ten—Then Relief Comes From Chronic Asthma.

Nothing yet discovered can compare with Catarrhozone in bad, ugly cases of Asthma. Catarrhozone is the one remedy that can be sent quickly and direct to all parts of the breathing apparatus. The effect from Catarrhozone is a quick one—you feel better in no time—keep up the good work, use Catarrhozone as directed and you get well. If your case is curable, if anything on earth can rid you permanently of Asthma, it will be Catarrhozone. It contains that strangely soothing and powerful antiseptic found in the Blue Gum Tree of Australia, and this is fortified by other germ-killing properties which, when so scientifically combined, make Catarrhozone a veritable specific for Asthma, Catarrh and Bronchitis. Even though many other remedies have failed—even though you are discouraged and blue—cheer up and try Catarrhozone today. What it repeatedly has done for others it will surely not fail to accomplish for you. Catarrhozone is not expensive. One dollar will buy a complete outfit from any Druggist. The money will be well spent because your immediate improvement in health will surpass your fondest expectations. Don't wait—today is the time to use Catarrhozone.

The House Beautiful is the House Sanitary

When Alabastine is applied to the walls. This beautiful modern flat-toned wall finish is sparkling alabaster rock, ground to a fine-grain powder. It has natural antiseptic qualities that destroy disease germs and banish vermin. Alabastine can be put on by anyone, skilled or unskilled, covers well and spreads evenly without brush marks. Painters and decorators like to use it because of the pleasing effects obtained and all round satisfaction it gives. Modern standards of taste require soft, flat tones—that walls constitute what they are intended for, suitable backgrounds. Here Alabastine is ideal and gives results superior to the most expensive methods at far less cost.

We furnish users of Alabastine with complete plans of interior decoration and stencil, free. Our artists also advise individually when desired, without charge. Let us tell you more about Alabastine. Just send a postcard with your name and address and we will mail you our booklet "Modern Wall Decoration" free.
