WOMEN NOT TRUTHFUL

This Statement Has Been Unjustly Made, Because Modest Women Evade Questions Asked by Male Physicians.

Mme. Alfred Arcand — Zula Ecclison

An eminent physician says that "Women are not truthful; they will lie to their physician." This statement should be qualified; women do tell the truth, but not the whole truth, to a male physician, but this is only in regard to those painful and troublesome disorders peculiar to their sex.

It is a terrible ordeal to a delicate, sensitive, refined woman to be obliged to answer certain questions when those questions are asked even by her family physician. This is especially the case with unmarried women.

Is it any wonder, then, that women continue to suffer and that doctors fail to cure female diseases when they cannot get the proper information to work on?

This is the reason why thousands and thousands of women are now corresponding with Mrs. Pinkham. To her they can and do give every symptom, so that she really knows more about the true condition of her patients, through her correspondence with them than the physician who personally questions them.

If you suffer from any form of trouble peculiar to women, write at once to Mrs. Pinkham, Lynn, Mass., and she will advise you free of charge.

The fact that this great boon, which is extended freely to women by Mrs. Pinkham, is appreciated, the thousands of letters received by her prove. Many such grateful letters as the following are constantly pouring in.

Madame Alfred Arcand of 414 Dorchester Street, Montreal, Can., writes; Dear Mrs. Pinkham:—

"Your Vegetable Compound was such a blessing in disguise to me that I am only too pleased to give my testimonial. About a year ago I contracted a severe cold at a critical time, which caused my periods to cease. I had very severe pains and sick spells, and this continued for several months with no abatement. Finally I decided to try your Vegetable Compound. After two weeks I became regular, had very little pain in the second month, and in three months' time I was restored to health. I consider your Vegetable Compound well worthy of praise."

Zula Ecclison, of 6 Erie Street, East, St. Thomas, Ont. writes:

Dear Mrs. Pinkham:—

"I heartily recommend Lydia E. Pinkham's Vegetable Compound as a tonic and regulator for female troubles. I suffered for four years with displacement, and no one but those who have experienced this dreadful agony can form any idea of the physical and mental suffering those endure who are thus affected. Your Vegetable Compound cured me. Within three months I was fully restored to health and strength, and now my periods are regular and painless. What a blessing it is to obtain such relief when so many doctors fail to help you. Your medicine is better than any doctor or medicine I ever had."

No other medicine in the world has received such widespread and unqualified endorsement.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass. She is the daughter-in-law of Lydia E. Pinkham, her assistant for many years before her decease, and for twenty-five years since her advice has been freely given to sick women.

MINUTES OF PRESBYTERY.

At Charlottetown, and within Zion Church there, on Tuesday, May 8th, 1906, and at half-past two o'clock, afternoon which place and date the Presbytery of Prince Edward Island met in quarterly session, and was constituted, Mr. A. McLean Sinclair moderator, with whom were present Messrs R. G. Sinclair, John Murray, T. F. Fullerton, W. H. Spencer, A. Craise, R. McLean, D. McLean, Geo. McMillan, M. H. McIntosh, S. D. McPhee, A. D. McDonald, E. Smith, W. H. Sedgewick, A. Gray, ministers, and John McDonald, T. C. James, D. McInnis, John A. McQueen, Angus McPherson, Angus McPhee and William Laird, elders.

Minutes of meeting held on March 6th were read and sustained. The clerk read sundry circulars in regard to applications for reception of ministers to be laid before the General Assembly. The Revs. Messrs Chapman and Gillis, being present, were invited to sit and correspond. The clerk laid before Presbytery a call from the congregation of Hampden in the Presbytery of Quebec, addressed to Mr. R. McLean of Valleyfield and stated that the session and congregation of Valleyfield had been cited to apppear for their interests at this meeting. The action of the clerk was approved, Mr. A. Craise represented the congregation of Hampden and the Presbytery of Quebec. Commissioners from the session and congregation of Valleyfield were present. On motion made, seconded, and carried, the call was placed in Mr. McLean's hand and accepted by him. Thereupon Presbytery agreed to grant the translation and to dissolve the pastoral tie, the same to take effect on and after the 16th day of July next. The moderator and clerk were appointed to draw up a suitable minute in connection with Mr. McLean's departure from the Presbytery. The clerk was authorized to grant the usual certificate to Mr. McLean. Mr. S. D. McPhee was appointed interim moderator Valleyfield session, and instructed to declare the pulpit vacant. Mr. T. F. Fullerton reported that he moderated in a call at Orwell on the 23rd day of April last, that the call came out unanimously in favour of Mr. S. D. McPhee, Murray Harbor South, that it was signed by 157 communicants and 148 adherents. The call was accompanied by a guarantee of $800 stipend. On motion the conduct of the interim moderator was approved, and the call sustained as a regular Gospel call. The clerk stated that the session and congregation of Murray Harbor South had been cited to be present at this meeting. The clerk's action was but turned by the court commissioners from the congregation of Orwell Messr John A McQueen, A. S. Nicholson, K McLean, and H. A. McLeod were heard in support of the call. The commissioners from Murray Harbor South, Messrs. Montgomery, McPhee, McKenzie, Cowan and Bell, made a strong plea for retaining Mr. McPhee's services. On motion the call was placed in the hands of Mr. McPhee who asked for ten day's time to consider it.

The moderator having asked leave to retire from the meeting, on motion Mr. E. Smith was called to the chair.

The clerk called attention to the visit of our Korean missionary, W. Grierson, and asked that a committee be appointed to make arrangements for his time in this Presbytery. On motion Messrs. Geo. Millar, R. G. Sinclair, and John Murray were appointed.

Mr. William Laird asked for a report from the committee appointed some time ago to decide the matter of the Globe land at Cavendish, Mr. Fullerton, for the committee, pointed out that owing to circumstances the committee were unable to come to a decision, and moved as follows: That the New Glasgow section of the congregation of Brookfield, New Glasgow, and Hunter River, and the Cavendish section of the Cavendish, Stanley and Rustico congregation be requested each to appoint one arbitrator, these in town to choose a third arbitrator, and submit the question of the Globe Land to them for decision, with all possible speed, and that both sections be urged to abide by the decision of the arbitrators. This motion was unanimously adopted, and the clerk was instructed to write in terms thereof to the parties interested.

The clerk was instructed to furnish Rev. John Sutherland of Caledonia with the usual Presbyterial certificate, and the moderator and clerk were appointed to frame a suitable minute in reference to Mr. Sutherland's retirement from the ministry. Rev M. H. McIntosh, and R. Munn having resigned their commissions to the General Assembly, on motion, Rev. Geo. Millar and Mr. James McCallum, Brackley Point, were appointed in their places. Mr. Spencer, reported that the augmentation committee had made all the grants asked for by P. E. Island.

He further called the attention of Presbytery to the minute passed by that committee at its last session looking to carrying out the Assembly's instructions anent raising the minimum stipend to $800 and a manse, and requesting the Presbytery to take the necessary steps to obtain this result, and asking them to report action before the fall meeting of the committee. After some discussion it was resolved on motion of Mr. Fullerton, to defer consideration of this matter to the August meeting. The following resolution moved by Mr. T. F. Fullerton, seconded by Mr. A. D. McDonald and and supported by Mr. W. H. H. Sedgewick, was unanimously adopted: Resolved, that the clerk be instructed to convey to the members of the Federal Parliament, for this Province, the unanimous voice of the Presbytery of Prince Edward Island against any modification of the "Bill respecting the Lord's Day." And also to urge on them the necessity of doing all that lies in their power to have the said Bill placed on the Statute Book as it now is.

Mr. Sedgewick gave notice that he would introduce a resolution at the August meeting in connection with the Act passed at the last session of the Provincial Legislature whereby a Trolley Company is allowed to run its cars on the Lord's Day in the city of Charlottetown.

Provisional appointments for Mr. McPhee's induction into Orwell were made as follows: The moderator and clerk in conjunction with Mr. McPhee to fix date and place. M. A. Gray to preach, the moderator to perside, induct, and address the minister, and Mr. Fullerton the people Serving of the edict was left in the hands of the interim moderator of session. Mr. Millar convener of the committee appointed to prepare a route for Dr. Grierson reported, and the report was accepted by Presbytery the same to be published as soon as Dr. Grierson is consulted. On motion of Mr. A. D. McDonald it was unanimously agreed that this Presbytery concern in the overture of the Presbytery of Pictou to the General Assembly in regard to the appointment of a temperance Committee.

At the request of Mr. Sedgewick and on motion of Mr. Fullerton the Presbytery approved of the site selected by Zion Church, Charlottetown, for a Church and a Sabbath School, and expressed deep gratification at this evidence of progress on the part of this congregation.

On motion the reports on Statistics and Sabbath Schools were deferred to the August meeting.

A circular on Systematic Giving was read, and as the attendance was not large it was resolved to defer appointing the committee until the August meeting. The Presbytery then adjourned to meet at the August quarterly, of which public intimation was made, and this sedement closed with the benediction.

To Rebuild The Body

WHEN IT IS WEAK AND WASTED BY OVERWORK OR DISEASE YOU CAN USE

Dr Chase's Nerve Food.

"Our bodies," says Huxley, "may be likened to an eddy in the river, which retains its shape for a while, though every instant each particle of water is changing."

The tissues of the body, composed of millions of tiny cells, are being constantly broken down and wasted away by the process of life and especially by overwork and disease.

In order to reconstruct these wasted tissues there are necessary such elements as iron, sulphur, magnesia, potash, etc., and when these are not supplied in sufficient quantities in the food we eat it is necessary to aid nature by the use o certain restorative preparations.

Especially during the winter season foods are unusually artificial and as a result the spring finds the body in a weak and run-down condition.

Dr. Chase's Nerve Food is particularly effective under such circumstances because it is composed of the very elements of nature which go to form new, rich blood, create new nerve cells and rebuild wasted tissues.

This great food cure is radically different to the medicines that are usually used for nervous diseases: for while they stimulate tired nerves to over-exertion or by narcotic influence soothe and deaden them, Dr. Chase's Nerve Food revitalizes the wasted nerve cells and so accomplishes lastingly beneficial results.

While modern and scientific in composition and preparation, Dr. Chase's Nerve Food has been on the market sufficiently long to prove in thousands of cases its extraordinary restorative and reconstructive power.

For men who are suffering from headaches, indigestion and sleeplessness, for women who besides these symptoms suffer from weaknesses and irregularities of the delicate feminine organism, for children who are pale, weak and puny, there is, we believe, no preparation extant which will bring about such satisfactory results as the use of Dr. Chase's Nerve Food 50 cents a box, six boxes for $2.50, at all dealers or Edmanson, Bates & Co., Toronto.

ADVERTISING IS BROAD.

BOILS ALL OVER HIS FACE AND NECK

BURDOCK BLOOD BITTERS DID FOR HIM WHAT FOUR DOCTORS FAILED TO DO

KENWATIN, ONT., July 20th, 1905.

MESSRS. THE T. MILBURN CO., LTD., TORONTO, ONT.,

DEAR SIRS:—I am writing to let you know what Burdock Blood Bitters has done for me. I am a young man, twenty years old, and a year ago last March I began to feel dull and sick, and was greatly troubled with boils coming out on my face and neck, mostly on the latter. I would no sooner get rid of one than I would have, perhaps, two or three more appear.

I had four doctors trying to cure me but they had very little success. They would stop them for a month or six weeks and then they would be as bad as ever again.

Almost every patent medicine advertised to cure boils, I could get hold of, I tried, but still without success. At last one day, last spring, someone happened to say: "why not try taking Burdock Blood Bitters for the blood?" I was willing to try anything and immediately sent for a bottle, but at the time was doubtful if it would be of any use. However, I used that bottle and while I was taking it I began to feel better, although I still kept having a few boils but not nearly such bad ones. I did not missany work, while otherwise, I used to miss, sometimes, a week out of every month. I kept on taking the medicine until I had taken six bottles, and needless to say, I was mighty sorry I did so when I tell you I have not had a boil appear for the past three months. Everybody was surprised when they heard that Burdock Blood Bitters had done for me what four doctors failed to do. If any sufferers are afflicted with boils, I would strongly advise them to use B.B.B. It makes you feel like a new man. I always keep a bottle in the house, now, as I think it is a medicine that should be in every household.

Yours truly,
HENRY A. SMITH.
