

**Are doctors good for anything?**  
Foolish question! Yet some people act as if a medicine could take the place of a doctor! The best medicine in the world cannot do this. Have a family doctor. Consult him frequently. If we did not believe doctors endorsed Ayer's Cherry Pectoral for coughs and colds, we would not offer it to you.

**Home Made Bread**

No woman can afford to bake bread in hot weather and it's doubtful if she can afford to bake bread at any time. If any house wife will take out the cost of 4 or 5 loaves of bread, if milk is used in the making, she will find the cost is close to 8c per loaf and making a small quantity at a time in order to have it fresh keeps her working all the time.

Tonight at New Wonderland the last opportunity is offered to see the best vaudeville act which has been here for a long time. Morgan and West farwell this evening, and every one should make it a point to give them a grand send off. Their dancing is the best of its line which has ever come this way, and their singing is fine. Their songs are hits every time, and the cross talk is marked by its cleverness. The pictures this evening offer splendid attractions, as "Excursion on the Banks of the Seine" is simply grand in its instructive qualities, beside being a journey through one of the most interesting portions of the world. The inheritance of Baptiste Durand is an instance of how people will do most anything when they think there is some money to be obtained, and there is many a laugh in it as well. The Nic Carter reel is the second and intensely interesting and should be seen by all. The illustrated song by Percy Sayce is always good, and tonight will be no exception. Saturday night at New Wonderland is always good, and tonight will be no exception. Saturday night at New Wonderland is always the banner night of the week, and tonight is sure to keep up the record.

"The tea you buy may be good, but you may be sure it is if it is "Salada." It is infinitely more economical than other teas because it goes farther.

Among the passengers by the S. S. Northumberland were F. L. Crosby, Montreal, W. J. Osgood, Boston, Mr. and Mrs. Cohen, Toronto and W. W. Little of St. John. They are all registered at the Victoria Hotel.  
Both shows at New Wonderland last night were given full houses, and the appreciative audiences present pronounced the program the best which that house has ever offered for a long while. The work of Morgan and West is exceptionally good, and the offerer it is seen the better it is understood. They are surely clever people, and know how to hold their audiences. The pictures were worthy of special notice; notably the detective picture in which Nick Carter got in some of his fine detective work in finding a kidnaped child. Mr. Sayce sang splendidly and the chorus of his song was heartily joined in by the singers in the audience. The whole entertainment throughout was marked by the points on being interesting, intensely amusing, and clean from every standpoint.
