HOLMAN STORE NEWS

—G. H. M.—

"HOW CAREFULLY DO YOU READ?"

1. In this item of the Store News there is a misspelled word — MARK IT, WRITE YOUR NAME clearly in the margin, CLIP out the WHOLE Store News and BRING IT in to the Grocery Department . . . For this you will receive a tin of ARKELL PEACHES, regularly priced at 33 cents for ONLY HALF PRICE — Just 16 cents! These Peaches are choice quality and this is one dandy Bargain . . . We're going to be really fussy this time. If you don't read carefully and comply with all the conditions, you don't get the Arkell Peaches for 16 cents a tin — Good for one week only and Only 1 to a customer in the Grocery Department.

2. Your little girl will be sweet and dainty, cool and comfortable in a SUNDESS from the Youth Centre. The sizes are 2 to 12 and there is a wide range of materials including gingham, print cotton, pique and slub. The patterns are bright and youthful, the gay styles are either one or two piece. I don't know when I've ever seen anything cuter than these little SUNDESSES priced at 1.69 to 3.95 in the Youth Centre.

3. Tuesday morning a big shipment of GOTHIC BRASSIERES were unpacked in the Dry Goods Department . . . In this shipment I saw two outstanding numbers — a dream of a Strapless Bra called the "Minuet" in white net and satin with cordex frame. This is in sizes 24 to 38 and there are only a very few of them. A lovely Black Satin Bra with the comfortable breathing waist and all the points that make Gothic Brassieres the most popular on the market. These Black Satin Brassieres are in all sizes. Don't waste time — order either or both these Gothic Brassieres today from the Dry Goods Department.

4. SLACKS of every color including plaids and checks — SLACKS of Alpine, Wool Flannel, Gabardine or Corduroy — SLACKS in sizes 19 to 42 — SLACKS priced at 4.95 to 12.95. SLACKS — SLACKS — SLACKS! You'll need at least one pair for Summer wear — Buy them in The Ladies' Wear Department.
