PUBLIC FORUM

JUVENILE DELINQUENTS Sir.—The letter of "Hayeseder" on the subject of juvenile delinquents appears to be well founded on facts. The provision of having frequent outings or other inside amusements for the juveniles in winter is a very sensible proposition.

Now I would like to ask the fathers and mothers of these children, and all other members of the different societies who take an interest in the welfare of these children, which of these places of amusement would they rather see these children patronize by paying an entrance fee? One place is supposed to be exercise and training for the child's physical advantage and the other place for the "unimpaired" moral and intellectual advantage.

LONDON (CP)—Retailers' stocks of clothing have been reduced "appreciably" in two months since the Board of Trade Journal's "active buying" by the public.

FAMILY ALLOWANCES

On or about July 1, 1946, the Dominion Government at Ottawa will start making payments under the new Family Allowance Act. If births of any of your children have not been registered in the Vital Statistics Office, IT IS VITALLY IMPORTANT THAT YOU DO SO IMMEDIATELY, OTHERWISE PAYMENTS TO YOU MAY BE DELAYED.
