Monthly Meeting Of I. O. O. E.

The monthly meeting of Royal Edward Chapter I.O.E. was held yesterday afternoon in rooms in Canadian Legion Building, the Regent Mrs. J. A. Mathieson presiding.

The minutes of November meeting were read and confirmed.

A letter was read from the Children's Aid Society asking for a decision re a contribution towards the establishment of a Central Welfare Bureau. \$100 was voted for this purpose for the first six months, and if necessary a like amount would be available as a second instalment. Mrs. W. M. Brehaut and Mrs. Manning Bagnall were appointed to represent the Chapter at any future meetings on this subject.

The correspondence included the following letters of acknowledgement from Lady Beesborough, a card of greeting to her infant son; Miss Marie Clark, a donation towards Christmas expenses; Mr. Stewart MacNutt, the present Overseas scholar; Mr. Bramwell Chandler, the newly appointed Overseas scholar. Messrs Chas Hyndman, Harold Black, Arthur Peake, and M. S. Catherine Hyndman, prize winners in the examination conducted by Chapter on the Work of the League of Nations.

The Regent thanked the members for their generous co-operation in the emergency created by the fire at Falconwood, with special mention of Mrs. Mould and Mrs. Dewar. Coffee and supper was served to the staff on Tues, hot dinners for 200 on Thurs. lunch for 173 on Fri, 4 on Wednesday night, 6 on Thursday night. Mrs. W. E. Bentley voiced the appreciation of the Chapter for the splendid service rendered by one of the members—Mrs. Goodwill. Special thanks is also due to another daughter, Mrs. Brown of the Queen Hotel who entertained six nurses free of charge, and later had as her guests for New Year's dinner eighteen nurses.

After the reading of the report from the committee who had charge of the Christmas parcels, and in view of the great number of calls for relief the Regent announced that the Monday sewing meetings would be devoted to the patching and preparing of clothes sent in by members, so that the Chapter may have something on hand to meet the many needs.

Christmas Parcels

After consultation with Mr. Campbell, the agent in this city for the Soldier Settlement Board, the Chapter found that instead of some 67 children in 17 families as last year, it would be necessary to supply 132 children and 15 babies in 35 families all of whom were in very needy circumstances. Nine of these were families of Island soldiers.

Parcels had not been sent to families of Island soldiers before because it was felt that these men would naturally have some relatives or some interested Church connection, but that the British newcomer would be an absolute stranger, and the Chapter endeavored to make its contribution count for as much as possible. This year less was spent on toys. Staple groceries were bought with the surplus. Toys, books and clothing, included in the parcels were received from Mrs. Owen, Mrs. Wilkins, Mrs. Burnett, Mrs. Blanchard, Mrs. Brehaut, Mrs. Ethel Bagnall, Mrs. Manning Bagnall, Mrs. Taylor and The Boy Scouts, who had a surplus from their own Christmas work which they generously handed over to the Chapter.

The thanks of the committee and of the Chapter are due Mr. F. S. Wilkins, Mr. G. Elmer Ritchie, Mr. Parent, Mr. Norman Black, Mr. John Morris and four scouts—Messrs Vinnioombe, South, Filler and Hart and Misses Margaret Black, Effie Brehaut, and Dorothy Bentley, without whose cheerfully given assistance the parcels could not have been handed during the busy Christmas season. In this connection thanks are also extended to W. W. Welner, Ltd., Palmer Electric Ltd., and Wright Shoe Co., for cartons, and to Mrs. Noel DeBlois and Mrs. Ewen MacKinnon for collecting and delivering these at the Chapter rooms.

Dean of Woman's College Is Dead
(Canadian Press)
PROVIDENCE, R. I., Jan. 11 — Miss Lida Shaw King, Dean of the Women's College in Brown University from 1905 to 1922, died today in this city. She was during her active years a prominent student of archaeology.

Miss Campbell's Recipe for Cup Cakes

1/4 cup butter 2 cups pastry flour
1 cup sugar (or 1 1/2 cups bread flour)
2 eggs 3 teaspoons Magic
1/4 teaspoon vanilla 3 teaspoons Baking Powder
1/4 teaspoon salt 1 cup milk

Cream butter thoroughly; add sugar a little at a time, beating well. Add yolks of eggs and vanilla; beat well. Sift flour with baking powder and salt, and add, alternately with milk, to first mixture. Fold in stiffly beaten egg whites. Bake in greased cup cake tins, or in paper baking cups, in moderate oven at 375° F. about 25 minutes. Serve warm from the oven, sprinkled with powdered sugar. Or cool and frost the tops. You will find many delicious frosting recipes in the Magic Cook Book.

Busy Year For The Tourist Ass'n.

The following presidential report was submitted at the annual meeting last night of the Prince Edward Island Tourist Association:

Gentlemen:

I extend to you a hearty welcome to this our ninth annual meeting. Many of you hardly realize perhaps, the great value of the Tourist traffic to Canada and to our Province.

When we realize that tourists to Canada leave in Canada a sum of money which amounts to nearly three hundred million dollars, and that in return for this money left with us, we have sold our scenery, our bathing beaches, our fishing, all of which still remains with us unimpaired, and ready to be sold again each year, we will have such an influx of summer visitors as will tax to capacity all of our summer resorts.

The advent of our new car ferry "The Charlottetown" has been a great boon to those visiting us by automobiles. The annoying delays which formerly occurred on both sides of the Straits have been eliminated and it is now a pleasure to be able to get on and off the boat without being dependent on a shunting engine.

Last spring we took up the question of the rate for ferrying motor cars across the Strait, with the Management of the Canadian National Railways and we succeeded in getting a small reduction. We are still strongly of opinion that the high rate of \$7.00 for a return passage of a motor car besides the regular fare for passengers militates against motorists visiting us.

Our Secretary still continues to carry a work for which she is immensely fitted, and the many letters of appreciation received at the office speak volumes for her popularity and for her courtesy to the travelling public.

We have one of the best organized bureaus in Canada. We could do still better work if we had more money, but for the present we realize that we have to mark time and we cannot hope to get very much more. We can assure you that every dollar received in contributions is put to the very best use.

The Secretary will now give you a more detailed account of our activities and I will not, therefore, further trespass on your time.

A. E. ARSENAULT
President.

SECRETARY'S REPORT

In the course of a comprehensive survey of the activities of the association for the past year the secretary-treasurer, Mrs. M. K. MacPadyen, reported that 1931 had seen a slight falling off in tourist traffic throughout Canada and the United States, through generally depressed conditions, but the average of this Province has been well maintained in comparison with other parts of Canada, and the efforts of the executive have been instrumental in keeping the traffic up to a very good level, with a slight increase.

The annual drive was carried on during the third week in January under the capable leadership of Mr. S. A. MacLeod, chairman of the Financial committee. The Rotarians and Gyros, as usual, gave very valuable assistance. The total amount brought in by the teams amounted to \$866.00 and the balance in pledge cards was collected. Although the subscriptions were somewhat lower than the previous year, the collections were better than ever before, with only two or three outstanding pledges. A few subscriptions were sent in from the country.

The Provincial Government and the City Council, each gave an increase in their grants, which brought the budget just a little ahead of previous years.

Under the leadership of Mr. C. R. Rogers, the drive in Summerside was carried on later in the season, and was inaugurated in much the same way as Charlottetown. A Branch Office of the Tourist Association was opened in Summerside, with Miss Hunter in charge. The work of the Bureau has been considerably augmented by the co-operation of the Summerside Branch. After this office was taken care of and Miss Hunter reimbursed for her services, Summerside sent a cheque for \$300.00 which was much appreciated.

Literature.

A reprint of 25,000 copies of the 1930 folder compiled by the Publicity Committee was issued during the year. In addition, two small folders were issued in concise form and through the courtesy of the New Brunswick Information Bureau at Fredericton and the Information Bureau at Halifax, these were given free distribution. A reprint of the 1930 lithographed map of the Province, with the road numbers clearly marked, and carrying on its reverse side valuable information to tourists, was also issued. The distribution of literature was assisted by other Tourist Information Bureau, transportation companies, motor league offices in Canada and United States, the two Canadian Railway Companies and different Steamship lines.

Newspaper advertising was carried on a little more extensively than previously.

The handicraft exchange was carried on again very successfully in the Tourist Office and despite the economic depression, more money was realized from the sale of handicraft than the previous year. The price of hooked rugs was somewhat lower, owing to the keen competition of the other Provinces, but the total sales were in excess of the previous year. Practically one thousand dollars was taken in from articles sold, including water colours, etc.

Traffic.

Nevertheless, there was a total increase of 204 cars for the tourist months, over the year 1930, or five percent. Following are the figures for the different months:

1930	1931
June 607	June 612
July 1595	July 1409
August 1489	August 1792
September 796	September 878

The tourists did not stay as long as in former years and probably did not spend as much money.

Two outstanding factors were mentioned by the secretary as contributing to a successful tourist trade; the advertising of attractions and the development of the ways and means of seeing and enjoying these attractions. Mention was made in the secretary's report of three important conventions held in Charlottetown during the year—the Rotarians, the Catholic Wo-

We believe that a lesser rate would be an inducement for many more tourists to visit us. We propose to again take up the question with the Railway Management.

We were also successful last spring in pressing our claims for a Sunday service across the Strait, and so for the first time in the history of the Island we had during the past summer daily steam communication. We trust the day will come when this service will be extended the year round.

I spoke to you last year of the organization of the Canadian Association of Tourist and Publicity Bureaus, of which I had the honor of being President for the past two years. This Association, although still in its infancy had already accomplished much and will become an important factor in mutually benefiting the different Tourist organizations all over Canada.

The spirit of co-operation engendered by this Association will eventually culminate in making Canada better known at home and abroad and will be of much advantage to each of the Provinces of Canada.

I cannot conclude without again expressing our thanks to all those who have by their financial contributions enabled us to carry on our work. The Provincial Government last year gave us a substantial increase which was greatly appreciated and which has enabled us to do more work and better work. Our thanks are also tendered the Mayor and Councilors of the City of Charlottetown for a substantial contribution.

It would be a great mistake at this time to stint in the giving. It is at this period that those who have a true vision of the future must spend more money in advertising and in preparing for the period of prosperity, which is in the not distant future.

To those who are connected with me in this work, I convey my expression of sincere appreciation; they are sacrificing both time and money in a patriotic spirit and for a cause which is a benefit to the whole Province.

Our Secretary still continues to carry a work for which she is immensely fitted, and the many letters of appreciation received at the office speak volumes for her popularity and for her courtesy to the travelling public.

We have one of the best organized bureaus in Canada. We could do still better work if we had more money, but for the present we realize that we have to mark time and we cannot hope to get very much more. We can assure you that every dollar received in contributions is put to the very best use.

New Haven Eagles Defeat Philadelphia

NEW HAVEN, Conn., Jan. 11—A third period goal broke a tie and brought the New Haven Eagles a 2 to 1 victory over Philadelphia in a fast, closely fought hockey game tonight.

Seyver's tally in the third period won the game. The two teams had battled along on even terms, until that time, scoreless in the first period, and maintaining a tie in the second with a goal each. Patterson, for New Haven, and Buckles for Philadelphia, counted in the middle frame.

men's League, and the Y's Men. The Tourist Association gave every assistance to the different executives of the convention sponsors, in housing their visitors and also in planning entertainment for them. The Association's literature was also placed before these conventions.

The office of the Association was also placed at the disposal of the Exhibition directors again last year in helping to house visitors, the office being kept open each night till after the arrival of the late train.

In conclusion the secretary paid tribute to the good work of the president and executive officers, also the press for publicity.

Word was received in the city yesterday morning by Mr. N. D. MacLean, of the death in Amherst, N. S., of Mr. J. F. Christie, manager of Christie Bros. & Co. Casket manufacturers, and president of the Christie Truck and Baggage Co. The funeral takes place in Amherst, today.

Canada To Enter Tennis Championship

TORONTO, Ont., Jan. 11—(By The Canadian Press)—Decision to enter a challenge for Canada in the North American Zone of the 1932 Davis Cup Tennis tournament was reached at a meeting of the Canadian Law Tennis Association here over the week-end.

It is probable that in this zone Canada will play the United States, other possible competitors are Mexico, Japan and Cuba.

Word received from Europe recently was to the effect 20 odd nations would compete this year for the trophy as against more than 30 in 1931. Need for economy is said to have led several nations to withdraw from competition for the current year.

"Cup Cakes are delicious when made with Magic Baking Powder,"
says Miss Helen Campbell, Director of The Chatelaine Institute

"Good baking goes hand in hand with good materials," Miss Campbell will tell you.

That's why Magic Baking Powder is used and recommended by The Chatelaine Institute. Magic meets all the Institute's rigid requirements of fine quality—repeated tests have proved it absolutely pure, uniform and dependable.

The majority of dieticians and teachers of cookery throughout Canada plan their recipes for Magic. They use it exclusively because they know it gives consistently better results.

And 3 out of 4 Canadian housewives say Magic is their favorite. It outsells all other baking powders combined.

Remember—substitutes are never as good. Do as the experts do. Use Magic Baking Powder.

Notice Re Winter Roads

DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS
Charlottetown, P. E. Island,
January 11, 1932.

The attention of the male residents of the various School Districts throughout the Province is drawn to Section 26 of the Road Act regarding their liability for keeping passable the winter highways. This Act says in part:

"Such Overseer shall allot such portions of the road in his School District to as many of the male inhabitants of his District between the ages of Eighteen and Sixty-five, as he may deem necessary, whose duty it shall be during the following winter season, to keep the highways and public winter roads passable, by breaking SUCH ROADS WITH HORSES OR TEAMS, LEVELLING PITCHES, REMOVING SNOW, OPENING WATER COURSES, or otherwise as may be necessary."

"Provided that the Overseer may name and appoint one or more persons within each such District whose duties will be to take charge of the breaking of such winter roads as may be allotted to him by the Overseer, and the person or persons so appointed shall have the same authority as to the notification and compelling attendance and performance of such work in the breaking of such road or roads of and by the persons residing on the road or roads so allotted to him as is given to the Overseer under this Act. Should the person or persons so appointed by the Overseer refuse or neglect to act or to compel attendance and performance of work in the breaking of winter roads as aforesaid he shall on complaint of the Overseer by whom he shall have been appointed be liable to a fine not exceeding five dollars (\$5.00) for every such neglect or refusal to act in compelling of attendance and performance of work as aforesaid."
