MR. JOHN SMALLMAN and bride whose marriage at Southport yesterday is recorded elsewhere in this paper arrived home by the express from Charlottetown yesterday evening and were met at the depot by a large number of friends who showered them gene only with rice and good wishes.

A PLEASANT social event occurred Tuesday evening at the residence of the Rev. E. H. Grau, when Mr. Alvin H. Wadman, of the Mechanics' Manufacturing Co., and Miss Melvina Wilson, eldest daughter of Mr. James Wilson, were united in marriage. Miss Edith Mallett and Mr. Percy Tanton attended the bride and groom. Mrs. Wadman was the recipient of a number of valuable presents. Congratulations.

THE little daughter—aged three years—of Mr. Levi Silliphant met with a serious accident Tuesday evening. Her father's horse was being led to the stable when it kicked the child, who was playing in the yard knocking her senseless and making a deep cut across the forehead. Dr. McLellan was called in and the wound, which required several stitches to close, was dressed. The little one was progressing favorably yesterday evening and will no doubt be about again in a few days.

THE members of the Britannia Hockey club met a few evenings ago and formed an association under the name of Britannia Amateur Athletic Association with an enrolled membership of forty. The following are the officers: Pres., L. Enman; Secy-Treas., C. Adams; Vice-Pres., D. McArthur; Exec-Com., Hal Bearstoe, W. W. Sharp, E. Deigar. The object of the association is a worthy one—physical culture, and the muscular development of its members, and with its efficient staff of officers, it will no doubt make a record for itself.

WORSE THAN YELLOW FEVER.

Kidney Disease Man's Deadliest Foe, Dodd's Kidney Pills its Only Cure.

Toronto, May 15 "Yellow fever and small pox combined, do not kill as many people as Kidney Disease does," was the assertion of a prominent Toronto physician, recently.

The assertion is fully borne out by facts, and were it not that there is a means of checking and curing Kidney disease the number of its victims would be trebled.

But the use of Dodd's Kidney Pills keeps the death-rate from this complaint, quite low compared to its former height.

If Dodd's Kidney Pills were used in every case of Kidney Disease, there would be no deaths from it.

HAPPY THOUGHTS.

To please, attract and give people something to talk about, is an art in writing a prosaic advertisement. Hood, of Sarsaparilla fame, is the originator in an extensive sense of the idea of using proverbs and wise saws as a prefix to a pleasant introduction of the well known virtues of America's Greatest Medicine. These quaint quotations fit ten fit the news of the day with startling directness and the moral is easily drawn, with natural good to Hood's sarsaparilla.

FROM THE CAPITAL.

News from the Political and Social Centre of Canada.

Our Ottawa Correspondent Sends Some Inside Facts Concerning Life in the Capital. Dodd's Kidney Pills a feature in the Prolongation of it.

Ottawa May 17.—Your correspondent has for the past few days busied himself in collecting health statistics as regards leading citizens of the capital. He finds the Kidney Diseases are yet to the fore, causing by far the greater number of deaths during the past year. While there is a vast falling off in deaths from this cause owing, it is generally acknowledged, to the widespread use of Dodd's Kidney Pills, yet there are still far too many cases.

In the statistics compiled by the health officer these deaths are put down to varying causes, such as Rheumatism, Heart Disease, Blood Poisoning, Paralysis, Lumbago, Female Disease of the Kidneys and Diabetes figure to a large extent.

When, however, it is considered that every single one of these diseases is caused by impure blood, it will be seen that the health officer cannot go into the question to any depth.

Impure blood is caused by weakness on the parts of the kidneys to filter it. Your correspondent therefore finds that all these deaths were caused by Kidney Disease, and could have been treated by Dodd's Kidney Pills, which have never yet failed to cure diseases of the kidneys in this city.

Dodd's Kidney Pills are sold by all druggists at 50 cents a box, six boxes \$2.50, or will be sent on receipt of price, by the Dodd's Medicine Co., Limited, Toronto.

In Style.

Fastidious Colonel—"You men shoot too irregularly. Why don't you have them them load and fire in regular volleys?"

Captain—"They prefer sir, to shoot ragtime."

A GOOD TEST.

If you have backache and there are brick dust deposits found in the urine after it stands for 24 hours you can be sure the kidneys are deranged. To effect a prompt and positive cure and prevent Bright's disease, suffering and death, use Dr. A. W. Chase's Kidney Liver-Pills, the world's greatest kidney cure.

Poor Human Nature.

"If she has had such bad luck with her husbands I don't see why she wants another one."

"Her last husband's will, I think, contained a provision that she must never marry again."

The Red Bird—Best To-Day and Good for Years.

A Gentleman's Mount

Such as Critical Wheelmen Choose.

THERE are such a number of important features in the handsome Red Bird Special, Model 51, shown in the accompanying illustration, that riders of experience are almost unanimous in pronouncing it the most perfect bicycle ever offered for sale in Canada.

There is a new handle bar adjustment, a new seat post adjustment, new front and rear hubs, new front forks and new improved caged bearings.

Every new feature was thoroughly tested and proven valuable before being adopted. Every wheel must pass the most careful examination before being permitted to leave the factory.

Quality is the watchword throughout the entire big factory at Brantford, and every workman has instructions to spare neither time nor labor in his endeavors to turn out an absolutely perfect bicycle.

The wheels at your nearest Red Bird Agency show how well we succeed.

SEED WHEAT

DEAR SIR,— I am very glad to be able to inform you that after testing the WHITE FIFE WHEAT, imported by me for the North West last fall, I have no hesitation in recommending it to the farmers of P. E. Island.

I sowed twenty grains without making any special selection, and out of the twenty, nineteen grew strong and healthy.

Farmers in this section of the county will find seed wheat the best sample that they have seen imported to this Island.

Yours etc., R. P. BAGNALL, Farmer, Hazel Grove, P. E.

I still have a few bags of this specially selected wheat to dispose of.
