

# S. A. McDona THE CASH STORE

Our system of selling for cash seems to commend itself to the general public. Since our announcement two ago that in future we would conduct our business on a cash basis we have been commended on all sides for the stand we have taken. We made this change believing it to be in the best interest of the general public. By selling for cash it places us in a position to sell at a closer margin of profit, as every one knows that a store selling on credit has to charge a higher price than a cash store. This is a statement that challenges contradiction. We are going to demonstrate it right here in Charlottetown that by selling dry goods, clothing and the various lines we handle we can sell the consumer at a lower price than similar goods sold in this City. Our aim is to make the great cash store the most popular store on P. E. I. We ask your cooperation in assisting us to place seasonal goods on the market at the closest possible margin.

### Something New For Spring

This is the cry we hear about this time of the year, and it is only right. When nature is renewing itself, why should not man renew his apparel. If he wants to succeed in his line of business, (no matter what it may be) he must, look the part, because a man is judged by his appearance, if his attire is correct he will command the respect of his fellow man, and (women also).

Think the matter over and when you have decided come to us and see what we can do for you in the line of clothing, you will be more than repaid for your trouble, for we have the goods, and have a knack of putting them up that make their wearers look prosperous, and up to date.

**A NEW POINT RAISED.**  
Sir—It now becomes the part of the crown to act upon the finding of the Jury in the Docherty trial. Docherty was unconscious while three shots, two of them very carefully calculated were fired into the body of Joseph McMillan. He then became conscious, and saw McMillan dead at his feet and Stella McDonald standing by. He takes upon himself the responsibility of the deed, but he knows nothing about it except what she told him. This is the ground of acquittal. For my own part I do not believe that Stella McDonald had any part in the shooting, but we have only her word for that, and as it is vastly more probable that shooting of such deadly accuracy was done by the same woman than by the conveniently insane and unconscious man, does it not become the duty of the Crown in consequence of the verdict, to arrest Stella McDonald and hold for the murder of Joseph McMillan?

**SYNOPSIS OF CANADIAN NORTHWEST HOMESTEAD REGULATIONS.**

Any even numbered section of Dominion Land in Manitoba, Saskatchewan and Alberta, excepting 8 and 20, not reserved may be homesteaded by any person who is the sole head of the family, or any male over 18 years of age, to the extent of one quarter section 100 acres, more or less.

Applications for entry must be made in person by the applicant at a Dominion Land Agency or Sub-agency for the district in which the land is situated. Entry by proxy may however, be made at an Agency, on certain conditions by the father, mother, son, daughter, brother or sister of any intending homesteader.

The homesteader is required to perform the homestead duties under one of the following plans.

(1) At least six months residence upon the cultivation of the land in each year for three years.

(2) A homesteader may, if he so desires perform the required residence duties by living on farming land owned solely by him not less than eighty (80) acres in extent, in the vicinity of his homestead. Joint ownership in land will not meet this requirement.

(3) If the father (or mother, if the father is deceased) of homesteader has permanent residence on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of the homestead, or upon a homestead entered by him in the vicinity such homesteader may perform his own residence duties by living on the homestead.

(4) The term "vicinity" in the two preceding paragraphs is defined as meaning not more than nine miles in a direct line, exclusive of the width of road allowances crossed in the measurement.

(5) A homesteader intending to perform his residence duties in accordance with the above while living with parents or on farming land owned by himself must notify the Agent or the district of such intention.

Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa, of intention to apply for patent.
