WOOL MARKETING

Wool will be received at the Potato Growers' Warehouse at the foot of Prince Street, Charlottetown, after June 17th. Wool shipped by rail should be carefully tagged and addressed to the Wool Grading Station, Charlottetown, "Freight Collect." Wool shipped by truck will be entitled to rail rates only. Truckers must present a proper warehouse receipt before truckage will be paid. An advance of 20c per lb. will be made on all wool of satisfactory quality and properly prepared for marketing. The balance will be paid as soon as wool is graded.

In shipping, each fleece should be tied separately with paper string and packed in old, but clean sackings. Do not ship in large number of bags. Use one large sack if at all possible, as this aids in checking. A number of old, clean sacks sewed together will suffice. Each sack should be tagged with the name and address of the owner written in clear lettering with ink, one tag to be securely attached to the outside of the sack and another placed on the inside. No responsibility will be accepted for sacks without tags. A deduction of 01c per lb. will be made for wool tied with binder paper twine or other unsatisfactory string. Shipping tags and proper paper twine are available at the Provincial Department of Agriculture free of charge.

It is in your interest to see that wool is properly prepared for market. Growers should

1. Remove all tags and dung locks before tying each fleece.
2. Any burry, chaffy, or strawy portions of wool should also be removed and shipped separately.
3. Sheep should be shorn when dry, and wool should be stored in a place free from dampness.

All wool should be delivered between June 16th and July 19th.

**Re-opening Of
Bonshaw United
Baptist Church**

Rev. Ernest J. Barras, pastor of Summerside Baptist Church, was the guest speaker at the re-opening services of the Bonshaw United Baptist Church held Sunday, May 25th.

At the morning worship Mr. Barras, speaking to a notably large congregation, chose as his text John 1:26, "but there standeth one among you, whom ye know not." Climaxing his most impressive sermon with the vital question "Do you know Him?" Mr. Stirling Inman, Charlottetown, gave fine expression in the baritone solo "Beside Still Waters" (Hamblyn). A duet, "Calvary" was very effectively given by Mrs. Spurgeon Hickox, Parkdale, and Mr. George Carson, Messrs. Dan MacPhee and Stephen MacLeod were soloists in the anthem "Nailed To The Cross" (Tullar), assisted by the choir.

During the morning service a new communion table was dedicated to the glory of God and the loving memory of Mr. and Mrs. Mark Inman, Argyle Shore, presented by their daughters, Misses Jane and Lydia Inman, Providence, Rhode Island.

Other donations included a shield for the exterior of the church by Mr. and Mrs. Spurgeon Hickox, Parkdale, and a hymn indicator by Mr. Sterling Inman, Charlottetown.

At the evening worship Mr. Barras, speaking to an over-capacity congregation, took his sermon text from Galatians 6:17 and from it preached a very inspiring and challenging sermon. The scripture lesson for the evening was read by Rev. Peter Jackson, minister of Bonshaw United Church, who very kindly cancelled his service for the evening.

Mr. Ralph Raynor, Mt. Herbert, was heard in two beautiful violin numbers, "Traumeri" (Schumann) and "Ballet Music from Orpheus" (Gluck, arr. Saenger). A splendid interpretation of "The Stranger of Galilee" (Morris) was given by Mrs. George Roblee, Tryon. Mr. George Carson was next heard with pleasing effect in a tenor solo, "Thinking Tonight". Mrs. Arthur MacKay and Mrs. Raymond Wood, Albany, gave splendid effect in a soprano and alto duet, "Ivory Palaces". In closing, the Bonshaw Male Quartette (Messrs. MacPhee, MacLeod, MacNevin, and Boyce) sang two numbers, "The Church in the Wilderness" and "The Old Account".

Grateful appreciation and thanks were extended to the congregation of the Bonshaw United Church for the use of their building during the interior beautification of our church.

The music at both services was under the direction of Mrs. Warren Inman, organist and choir director.

GRANNY'S GRAMMAR
GRIM, GRUELING

KINGSTON, Ont., May 21 — (CP) — There are arguments pro and con every day to whether schooling children were given in past generations was "tougher" than it is today. Grandmas and grandpas seem to think so, and so do ma and pa.

If they want some confirmation of their argument, a little volume found in an attic the other day will back them up — at least so far as grammar is concerned. Published in 1839 — were they part of the "good old days?" — the grammar is dedicated to the "younger classes of learners."

For the more erudite, the book's title in full is "Abridgment of Murray's English Grammar with an Appendix Containing exercises in Orthography, in Parsing, in Syntax and in Punctuation, designed for the younger classes of learners." Did we hear someone say they were playing hookey today?

Author Lindsey Murray's idea must have been that children of the day were capable of a "full 'Sunday' vocabulary. There is no simplified language — and no doubt dictionaries were used often, oftener and oftener.

Role learning was approved with lessons labeled like "Promiscuous Exercises in Etymological Parsing" suggested for memory work. Hyphenated rules abound — for instance: "The conjunction disjunctive has an effect contrary to that of the conjunctive copulative; for as the verb, noun or pronoun, is referred to the preceding terms taken separately, it must be in the singular number." Anyone dispute that?

The volume has one saving grace — it is only 30 pages long

POLSON'S COUGH SYRUP

JACK OF ALL CHORES IS HUMBLE MILKMA.

OTTAWA, May 20 — (CP) — The high regard many housewives hold for that early morning purveyor of vitamins, the milk man, has been illustrated by an Ottawa reporter who made a collection of notes they leave in empty bottles.

A few samples: "Please don't leave any milk today, but when you go to my sister's house leave one quart milk and one pound butter. And will you pour some milk in a saucer for her cat — then put the cat out and put the milk in the refrigerator." "Cat's got kittens. How much more milk do I need?" "Leave me a pint of sour cream if it's fresh."

"My sister in Saskatchewan has died and I am short a little money to get out there. Could you lend me \$15 and I will pay you back when I return?" "Leave two quarts milk and one pound butter and will you go down and check the furnace. I left it burning when I went out."

"Please leave two pounds of butter. I haven't any coupons so I am leaving sugar coupons which you can probably change with someone else."

Drivers say backing customers' cars out of the garage or a narrow lane is a routine chore. Lighting the furnace is another common request. One milkman saved a patient's life when he found her prostrate on the kitchen floor and two gas stove jets wide open.

Creative Banking

HELPS TURN Ideas

INTO PRODUCTS

THE REAL creator in business today is the man with an idea — and the ability to turn it into something tangible.

Creative banking has helped many a man build an idea into a profitable business . . . has helped him through all the stages until the goods are completed, neatly packaged, and moving across the dealers' counters.

But there's even more to it than that. For every useful machine, for every service that grows from an idea, men and raw materials are needed . . . so money starts to flow again in wages and salaries, in sales and purchases.

You may have a sound idea, and you may need money to make it work. Talk it over with your Bank of Nova Scotia branch manager. He looks at ideas from the viewpoint of creative banking, he seeks an opportunity to put money to work intelligently, for the benefit of everyone.

Let's do it together!
