ATTACK of Royal Canadians at Paardeberg.

The present is a time when war pictures are in greater demand than ever. The conduct of the British Soldiers on the battlefield has won the PLAUDITS of admiring nations. We have at great expense published four large, beautiful pictures, size 20x24, on heavy, superfine calendered paper. A picture that will commend itself and send a thrill to the heart of every TRUE Canadian is the one called ATTACK OF ROYAL CANADIANS AT PAARDEBERG. There are literally hundreds of figures on this picture. The mountains of kopjes stretching out in the distance are swarming with men, while here and there a prostrate figure speaks only too well of the Boer rifle. It was on this battlefield the gallant Major Arnold met death unflinchingly. Indeed it is only too true, that many of those gallant hearts that beat so high when the CHEERING THOUSANDS bade them GODSPEED as they sailed from Canada's shores now lie still forever in lonely graves on the other side of the world under African skies. TO EVERY CANADIAN HEART, to every CANADIAN HOME, the deeds of their brave soldier boys speak with an irresistible TERRILL OF PATRIOTISM AND PRIDE. GORDON HIGHLANDERS AT THE BATTLE OF BELMONT, CHARGING THE BOER GUNS AT ELANDSLAAGTE, AND THE CHARGE OF GEN. FRENCH'S CAVALRY ON THE RETREATING GEN. CZONJE'S ARMY. These are all stirring pictures and cannot fail to commend themselves to any one who will examine them. They are RED HOT SELLERS! Agents coin money. Big profits. Enormous success. One agent sold 68 in one day. Sample and terms 25 cts (none free) four for 90 cts. \$1.75 per doz.; 25 for \$3.25; 50 for \$6.00; 100 for \$11.00. Write to-day for a dozen and make money.

Not To Be "Beaten"

A farmer went into a grocery store and exhibited to the eyes of an admiring crowd an enormous egg about six inches long, which he avowed to have been laid by one of his own hens. He had it packed in cotton and would not allow anyone to handle it, for fear of breaking the phenomenon.

The grocer examined it with the rest, and, intending to chaff the countryman said: "Eshaw! I've got something in the egg line that will beat that."

"I'll bet you a dollar you haven't," said the countryman, getting excited.

"Right!" replied the grinning grocer; and going behind the counter, he brought out a wire egg-beater.

"There's something in the egg line that will beat it, I think," said he, reaching out for the money.

"Hold on, there," said the farmer; "let's see you beat it."

And he handed the egg to the grocer. The latter held it out his hand for it, but dropped it in surprise on the counter, where it broke two soup plates and a platter. It was of solid iron painted white.

"Some folks think they're mighty clever," muttered the farmer, as he pocketed the money and walked out; "but 'tain't no use backing against the solid fact."

"Taint no use backing against the fact that neither the quality nor prices of our Groceries are to be beaten. This accounts for our increasing trade."
