The wholesale rum-sellers of other provinces are sending circulars to farmers throughout P. E. Island, offering special cases of assorted liquor at reduced prices. The Island Province, with the exception of Charlottetown, is under prohibition or the Scott Act. An amendment of the Act, to meet the case of these outside rum-sellers who seek to carry on their bad traffic in defiance of law, is in order. —Presbyterian Witness.

The St. John Sun says: Mr. George Clarke, the west side horseman, arrived from Nova Scotia a few days ago with a string of fast horses. The list includes Elmore, 2.26, a handsome and slick going pacer, purchased from Dr. Bowles, who has for years been one of the most extensive horse breeders in the lower provinces. Elmore is comparatively young and his present owner is confident he can beat his mark. If an opportunity presents itself the Nova Scotia pacer will be seen on the speedway before the winter closes. Wildwood, 2.45, and a get of Black Pilot, are among other horses brought from the sister province by Mr. Clarke.

OBITUARY.—Peacefully fell asleep in Jesus our dearly beloved brother in the Lord on Tuesday the 20th inst. at two o'clock a. m. at his residence Green Grove Lot 65, Colin Cambell in his 34th year. Mr. Campbell's character was irreproachable from boyhood; but a great change was manifested in his spiritual life at the late revival under the faithful ministry of the Rev. John Goodwill, when he and several others of the young people of Canoe Cove meeting openly professed their assurance of being brought from darkness into light and from the slavery of sin and Satan to the glorious liberty of the sons of God. His earnest piety and successful wrestling will be long remembered and missed by young and old; still our cause of thankfulness is great to our Lord God that we mourn not as those without hope, knowing that those who sleep in Jesus the Lord will take with him; We sincerely sympathize with the young widow and her orphans and friends in their sore bereavements. (Cambridge Mass. papers)

Professor Robertson will speak on the founding of the Fredericton technical school at a farmers' institute meeting to be held at Fredericton this week and will seek to interest the board of school trustees and educational department in the work. He will then make a proposition to the authorities. He will provide a teacher and pay his salary for three years and will furnish all the tools and other necessities for carrying on the work. The expense will be met from a fund subscribed by Sir William C. McDonald, of Montreal, of which Prof. Robertson has entire control. The school will be managed wholly in the interests of the residents of the province and for the manual training of school children. Prof. Robertson claims that the brain should be developed by the hands and that the time to develop the brain is between the ages of 7 and 14 years. When the children go to the kindergarten, said Mr. Robertson, they get a trifle of manual training, but it is not taken up again until they reach the university, when they receive some practical instruction in chemicals principally.

THE Patriotic Fund still continues to increase, and quite a number of the school districts have been heard from. In the Mount Stowe school district, Central Bedeque, a patriotic meeting was held in the schoolhouse, when the object of the fund was explained and patriotic speeches were delivered by several of the rate-payers, after which the subscription list was opened with the following result: A very pleasing feature of this list is the number of young pupils who contributed towards this fund and who no doubt take as much interest in South Africa as their elders.

PATRIOTIC FUND.—At Tignish on Friday, 16th Feb. a meeting of the inhabitants of Tignish School District was held for the purpose of collecting subscriptions for the Canadian Patriotic Fund. On account of several entertainments in the vicinity, the meeting was not large but very representative and the contributions most generous. Mr. A. McFadyen, after being appointed chairman, opened the meeting by a very eloquent and patriotic speech, showing plainly that we as loyal subjects had a right to contribute to this Fund. The other speakers were: Rev. D. M. McDonald, Dr. Doiron, Dr. Wickham, Messrs. A. C. Dawson, A. Gaudet and J. McLeod, who all spoke highly in favor of this Patriotic Fund. It was passed by the meeting that the undersigned should see those who could not attend the meeting, in order to give them an opportunity of contributing towards the Fund. The following is the list of those who contributed generously: Rev. D. M. McDonald \$5.00, Mr. A. S. McFadyen 5.00, Dr. J. Doiron .50, Dr. W. Wickham 3.00, Agno Gaudet 1.00, John McLeod 2.00, A. C.
