

TALCUM DAYS

Warm weather brings need of a pure talcum powder, a powder that won't streak or dissolve in perspiration, that prevents chafing, that is perfect for all toilet purposes. We recommend one of the following.

Nyala Red Rose.
Minty Rose, Violet or Lilac.
Rigauds Lilac or Mary Garden.
Jergens Rose or Violet.
Seely Lotus or Luxury.
Joss Trailing Arbutus.
Colgate nine kinds.
Phoenix Snow Boquet.
Nyala Mayflower.
Royal Rose.
Dyer Kiss.
Nyala Nyalis.
Euthymol.

All these talcs are reliable and list includes a large variety of delicate odors.

COAL

Hard and Soft Coal

The Schooner "Rebecca R. Douglas" is now due here from Philadelphia with a choice cargo of Anthracite Coal in egg and chestnut sizes.

Parties requiring same cannot do better than book their order now and take delivery from schooner while discharging, as prices are sure to advance later on. This applies to other kinds of coal. We have just landed from S. S. "Nevada" a large cargo of Reserve Runmine Coal and can fill your orders with despatch. This coal is of best quality for Domestic and steam purposes.

We strongly recommend all parties requiring coal to put in their orders now, as coal and freight will be higher later on and prices here will advance accordingly.

Telephone your order or call and see and examine our coal for yourself. Phone 404.

Excellent Private Residence For Sale

One of the best investments on the real estate market this year is that splendidly finished double dwelling house, situated at No. 16 and No. 18 Elm Avenue.

The building, newly painted outside is two and one-half storeys high, finished with clapboards and shingles, faces the west and has a small portico on each division.

There are six large rooms on each side, besides halls, kitchen, pantry bath room, closets, etc., and the entire first floor is hardwood finished—in fact no paint used on the interior of the house—all finished in natural woods.

The cellar, with its frost-proof foundation of stone and brick, is always dry. The building is heated throughout with hot water, double windows and doors are provided for winter weather and both sides of the house are fitted with electric fixtures of handsome design and wired for telephone service.

There are no outbuildings—every modern convenience is installed in the building itself.

It is well to note that this house was built for the owner's personal use—by men who could pick and use the best building materials on the market. The house was not made to sell, but for the owners' themselves to live in—no expense being spared to make the dwelling as comfortable and convenient as possible.

With its central location—only three city blocks from the Market Square and public buildings—this double dwelling house makes an excellent investment used for rental, or as a private home and rental proposition.

The owners would rather sell outright than rent the property, no matter how desirable the tenant might be.

Property can be inspected by appointment. Terms can be arranged to suit purchasers.

Those interested should get in touch with **A. DUCHEMIN & CO.,** Door & Sash Factory, City, 1385-8,9M31.
