### PERUVIAN AVIATOR ACCOM- PLISHES A MOST DARING FEAT IN A MONOPLANE

MILAN, Italy, September 23.—George Chaves, the Peruvian aviator flew from Brig, Switzerland, over the Simplon Pass, and arrived at Domodossala, on the Italian side of the Alps at 2.19 o'clock this afternoon.

Chaves crossed the Simplon Pass at 1.48, and thus accomplished what has been regarded as one of the most daring feats proposed for the aviators.

Chaves rose to a height estimated at nearly 7,000 feet. It was known that it would be necessary for him to attain nearly this altitude to clear the Simplon Pass, the summit of which rises 6,592 feet. He maintained apparently this altitude for at least a half an hour and followed over the road built by Napoleon in 1800 over the Simplon Pass. He accomplished the eight miles that brought him over the top of Simplon and then sailed gracefully over the 67 miles down to Domodossala.

Arriving at Domodossala he had left the hardest part of the journey behind him, having escaped rugged peaks and the jumble of rocky gorges on this side of the summit.

The remaining distance to this city offers less difficulty, but takes the aviator over Lake Maggiore, and a succession of plains to the goal.

DOMOLOSSALA, Italy, September 23.—In alighting here Chaves fell beneath his machine. He was injured and his monoplane was destroyed.

### ANOTHER OUTBREAK AGAINST CHRISTIANS

BOSTON, Sept. 23.—A violent outbreak of hostilities against a number of prominent Albanians in the city of Elbassan, who are known to be connected with the movement for progress in education and for religious toleration, is reported in a despatch just received by Rev. Dr. James L. Barton, of the American board of commissioners for foreign missions.

The principal bey in the city of Dibra has also been beaten and sentenced to 100 years imprisonment, and his house burned, for the same reason. At Elbassan, a progressive editor, friendly to the American mission, has just been sentenced to exile for life.

A cablegram from Rev. C. T. Erickson, the American board missionary at Elbassan, reads: "Court martial has ordered me to leave here temporarily with my family. It is probable that we start tomorrow for Monastier."

Another dispatch from Elbassan states that hundreds are being beaten, some almost to death. The entire situation seems to show a complete reaction from the progressive policy emanating from Constantinople. Subsequent dispatches announce the arrival of Mr. Erickson and family at Monastier.

### NEEDED A GOOD ROAD TO DO IT.

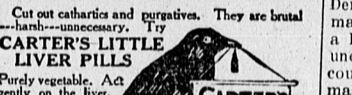

FREDERICTON, N. B., Sept. 22.—William E. Vaughan, chauffeur at the Fredericton garage, has made a new record for an auto run from Woodstock to this city having covered the distance in two hours and twenty-two minutes in a McLaughlin-Brick car with two passengers.
