WEST AND CLYDE RIVER—Announcements for the week. Teacher Training Class in Clyde River Thursday evening at 8. Lesson, "The Prophets of Israel." There will be no services in either the West or Clyde River Churches on Sunday the 13th.

FROM THE WEST—Mrs. Edward Hazen and baby Alice of Winnipeg, who have been guests of Mr. and Mrs. Frank Harris, Sackville, left yesterday for Pettipiece to visit her sister, Mrs. George Schurman. Mrs. Hazen will be met there by her husband, also her brother, Mr. John Poole of Montreal. Later the party will proceed to P. E. Island, where they will spend some time with relatives.

NO POTATO BUGS—One of the surprising things this year is that there are no potato bugs in some of the districts that have been formerly overrun with them says the Sackville Post. An East-Amherst farmer, who grows many potatoes, told the News a few days ago that he had only seen two this year, while Mr. David Bacon of Pappan told us on Saturday that he had not seen any. This is surprising to all the farmers and there does not seem to be any explanation. The fact, however, is satisfactory enough without any explanation.

STRAWBERRIES—Sackville strawberries are ripening and already shipments are being made to many towns and cities in the three provinces. Monday, says the Sackville Post, for instance, several crates were shipped to P. E. Island, where local berries have not yet reached the market. In a few days it is expected shipping will begin to the American markets, as American buyers are expected to arrive in Sackville any day. The crop is said to give promise of an average yield, but if the present hot weather continues much longer, the crop will probably fall short of early expectations.

VISITORS TO THE CITY

The following delegates attended the Women's Institute Convention, July 2-3, 1924.

Mrs. Peter A. MacAulay, St. Columbia; Mrs. Joseph McInnis, St. Columbia; Miss Lauff Diamond, Northam; Miss Una Colwill, Northam; Mrs. B. A. Mallett, York; Miss Etta Ramsay, Mt. Pleasant; Miss Margaret Curley, New Annan; Miss Florence McNeill, New Annan; Mrs. Wm. Pendergast, Hope River; Mrs. Thomas Boiger, Stanley Bridge; Mrs. W. C. Fisher, Eglington; Mrs. W. B. PROPRIETORS OF TANLAC DECLARE DIVIDEND

ATLANTIC, Ga., July 9.—(Special) At a meeting of the board of directors of International Proprietaries Inc., held at the offices of the company in Atlanta, a cash dividend of \$150,000 was declared on the outstanding common stock. This dividend is being paid to stockholders of record as of June 16th.

In declaring this dividend the directors were governed by the excellent showing made by the company for 1923. The records of the company show that the profits were in excess of \$700,000. Executives were highly satisfied with the business of 1923, as it was one of the best years ever enjoyed by the company. Plans for 1924 call for greater business with an enlarged advertising campaign in all papers and a consistent sales policy through jobbers.

Officers of the company are Y. F. Freeman, president, D. R. Millard, vice-president and general manager, and C. E. Holcomb, secretary. International Proprietaries Inc. is controlled and directed by the S. A. Lynch Enterprises interests.

Under the direction of sales manager Frank G. Abbott, formerly general sales manager of the Minneapolis Drug Co., the entire sales force of International Proprietaries Inc., has been completely re-organized.

International Proprietaries Inc. are manufacturers and distributors of Tanlac. Complete sales organizations are maintained in twelve separate countries and laboratories are operated in six countries. Only recently it was announced that the sale of Tanlac had passed the 40 million bottle mark.

American Wallpapers Season 1925

The most attractive lines of cheap Wallpapers that will be shown in Canada—25 patterns and colors of new popular priced goods.

T. S. PATILLO & CO., LTD., Toronto, N. B., exclusive factory agents.

SOME OF THE DECIDED ADVANTAGES IN BUYING THESE GOODS:—

- They are sold f.o.b. Toronto—Saving Heavy Freight.
- They are sold tax free—Saving Additional 5 per cent.
- They are sold on Longer Terms and Better Discounts, giving a chance to get returns before bill is due, which is not the case with Canadian goods.
- But the Greatest Advantage that they are 25 to 35, 1-3, 1/4, cheaper.

We are showing 19 Styles and Colors, starting at 4 1/2¢, all below the cheapest Canadian Papers.

It is a Wonderful Line and every wallpaper dealer should have it. You can under sell the mill order houses, and make a satisfactory profit. You cannot do it with any Canadian line. Our Eight Travellers will cover the Maritime as usual Drop us a card if interested.

This cheap line only goes in price up to about 15¢. The majority of general dealers in paper should see this line before placing orders. "Safety First" is Best Policy.

Last year the canvas against us was, "We wouldn't deliver the goods,"—orders were obtained by this statement. We did Deliver Every Roll and Promptly. Many who were persuaded to pass us by, had to come to the cheap papers later, stating "They Could not do Without Them."

We do not know what new canvas will be made this season, but the wise merchant will wait and see this line before placing orders. "Safety First" is Best Policy.

T. S. PATILLO & CO., LTD., Toronto, N.S.

Stomach Troubles Are Due To Acidity

Tell Safe, Certain, Speedy Relief For Acid Indigestion.

So-called stomach troubles, such as indigestion, gas, sourness, stomach-ache and inability to retain food are in probably nine cases out of ten simply evidence that excessive acidity is present in the stomach, causing the formation of gas and acid indigestion.

Caustic distends the stomach and causes that full, oppressive, burning feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the excess development or secretion of acid.

To stop or prevent this souring of the food contents of the stomach and to neutralize the acid and make it bland and harmless a teaspoonful of Blaurated Magnesia, a good and effective corrector of acid stomach, should be taken in a quarter of a glass of hot or cold water after eating or when ever gas, sourness or acidity is felt. This sweetens the stomach and neutralizes the acidity in a few moments and is a perfectly harmless and inexpensive remedy to use.

An antacid, such as Blaurated Magnesia, can be obtained from any druggist in either powder or tablet form enables the stomach to do its work properly without the aid of artificial digestants. Magnesia comes in several forms, so be certain to ask for and take only Blaurated Magnesia, which is especially prepared for the above purpose.
