

**BRITISH GENERAL'S LIFE SAVED.**

**Had Suffered for Years From Kidney Disease and Was Cured by Warner's Safe Cure.**

New York, May 9, 1902.  
GENTLEMEN—Many years ago I recommended your Safe Cure to my old friend, Gen. William Frost Nuttall, of the British Army, who was a great sufferer from kidney trouble, after long service in India. He took my advice, and, after using your remedy, he was completely cured, and was a hale and hearty man when I saw him last, and must have been nearly eighty years of age. He has assured me again and again that he earnestly believed Warner's Safe Cure saved his life, and he swore by it.

I myself, have used your remedy with the greatest benefits, as I was refused by the Equitable Insurance Co. years since for indications of Bright's Disease, but after taking your cure for some time I was able to obtain insurance. This speaks for itself. In my roving career I have been greatly benefited by using Warner's Safe Cure, not only in the torrid climates of Egypt and India, but also in the Arctic regions of Alaska. Your cure has served me well. Yours very faithfully,  
G. P. ARMSTRONG.

TEST YOUR URINE. If there is a reddish sediment in your urine on standing 24 hours, or if it is cloudy, or if particles float about in it, your kidneys are diseased, and you should at once commence taking Warner's Safe Cure, the greatest known cure for rheumatism, swelling, Bright's Disease, gravel, uric acid poison, eczema, jaundice, gout, dropsy, and all diseases of the kidneys, bladder, liver and blood. It is dangerous to neglect your kidneys even one day.

A free trial bottle has often been sufficient to cure cases of kidney disease when the simple home test described above has been made in the earliest stages of the disease.

**Warner's Safe Cure**

is purely vegetable and contains no narcotic or harmful drugs. It is free from sediment and is pleasant to take. (Beware of so-called kidney cures full of sediment and of bad odor—they are harmful.) "Safe Cure" does not constipate. It kills the disease germs. Warner's Safe Cure has been prescribed and used by leading doctors for over 25 years, and is used in many prominent hospitals exclusively.

If you decide Warner's Safe Cure is what you need you can buy it at any drug store, \$1.00 a bottle.

**WARNER'S SAFE PILLS** move the bowels gently and aid a speedy cure.

**Refuse Substitutes and Imitations.** There is none "just as good" as Warner's. Insist on the genuine, which always cures. Substitutes contain harmful drugs which injure the system.

**TRIAL BOTTLE FREE**

To convince every sufferer from diseases of the kidneys, liver, bladder and blood that Warner's Safe Cure will cure them, a trial bottle will be sent absolutely free, postpaid. Also a valuable medical booklet which tells all about the diseases of the kidneys, liver and bladder, with a prescription for each disease, and many of the thousands of testimonials received daily from grateful patients who have been cured by Warner's Safe Cure. All you have to do is to write Warner's Safe Cure Company, 44 Lombard St., Toronto, and mention having read this liberal offer in this paper. The genuineness of this offer is fully guaranteed by the publisher.

**It is now Time to buy Skates!**

**THE ONTARIO REFERENDUM CAMPAIGN.**

**Hon. Geo. E. Foster Takes the Prohibition Platform Against the Bar-Room—Splendid Response of the Temperance Force in the Face of Sudden Surprise.**

TORONTO, Nov. 28.—The Hon. George E. Foster will to-night champion the prohibition cause in the referendum campaign by being the chief speaker at the Canadian Temperance League mass meeting in the Bathurst Methodist Church.

At the Wesley Church union service on Wednesday night the eloquent and fervid address of the Rev. J. A. Macdonald, editor of the 'Westminster,' evoked great applause. The Rev. Mr. Macdonald vigorously censured the liquor men for using the name of the late Principal Grant in their circulars as against the Ontario Liquor Act. Principal Grant frequently expressed to the speaker his abhorrence of the bar-room, and was in favor of the dispensary system. He believed in the referendum because he wanted to ascertain the genuine vote in favor of prohibition in this province, and to have a declaration from the people which the government could not disregard.

An enthusiastic meeting of prohibition workers of South Toronto was held last night at the Central headquarters, in Yonge street Arcade, which was thronged by zealous workers. Mr. Alex. Mills, president warned the workers against the unscrupulous tactics which are certain to be resorted to by the liquor party in its desperation at the peril which now faces the liquor license system in Ontario. As Mr. Mills is one of the ablest members of the Ontario bar, and a clear and most convincing speaker, his warnings and instructions were heard with the closest attention.

The prohibition executives were notified by the returning officers yesterday that they would be required to confine their appointment of scrutineers to residents of the various divisions, and that in consequence the use of college students as guardians of the ballot in the polling places, unless residents, would not be allowed. They were also informed that the names of all the inside scrutineers must be furnished by Monday morning. As it is usual for this to be an open matter until the polls open on voting day this notice, sprung, at this date, was a surprise, and has caused comment. The returning officers are pronounced opponents of prohibition and in close touch with the officials of the License Holders' Association. Happily the prohibition organizers were prepared for emergencies, and concentrations was immediately turned upon the complete remaining necessary of the polls.

The Rev. W. E. Haszard, pastor of the Crawford Street Methodist Church, promptly volunteered to personally call upon every minister favorable to the cause in West Toronto to arrange for a call to be made at every meeting in connection with their church for scrutineers and polling day workers. The incident has added to the stirring character of the campaign, and promises to prove beneficial in consequence of the temperance forces being equal to the strain. The college students who will be debarred from officiating as inside agents will be made of service in getting voters to the polls.

Facing the closing week of the great contest, the man who stands at the front of the provincial combat, the Alliance secretary, Ald. F. S. Spence, views the prospect of the final clash of arms with calmness, confidence and courage. The Alliance office is sending out thousands of pages of literature daily. Its output has been over ten tons, aggregating ten million pages.

sequence the use of college students as guardians of the ballot in the polling places, unless residents, would not be allowed. They were also informed that the names of all the inside scrutineers must be furnished by Monday morning. As it is usual for this to be an open matter until the polls open on voting day this notice, sprung, at this date, was a surprise, and has caused comment. The returning officers are pronounced opponents of prohibition and in close touch with the officials of the License Holders' Association. Happily the prohibition organizers were prepared for emergencies, and concentrations was immediately turned upon the complete remaining necessary of the polls.

**The Better Way With a Cold.**

When a slight cold fastens on you in early winter you are apt to regard it merely as an annoyance—not a thing worth serious consideration. You usually feel like taking something syrupy, with perhaps a touch of spirits in it, to warm you up and stop the cough. But there is a better way.

The cough, the red eyes and uncomfortable head are not the cold. They are only the symptoms. They are like the leaves of a weed sticking above ground. The surest way to get rid of them and prevent their sprouting again is to pull up the root. You sometimes say, "This cold is all over me." Every cold you have is, to a certain degree, all over you. It is evidence of a slight general weakness. It usually steals in on you at a time when the body is a little below its normal tone and the surest way to get rid of it is to bring the whole system up to its right level.

You may need some medicine. Your doctor will know. But a mere expectorant will do nothing toward restoring the body to a healthy standard. At the best its action is merely local and gives only temporary relief. Scott's Emulsion does this and more.

A small quantity of the emulsion taken regularly for a few days will supply the lack of proper nourishment in ordinary food. It is rich in the substances of which healthy blood is composed, and makes itself quickly felt in the throat and bronchial tubes. It starts the flow of mucous cough sooner than any expectorant will do.

The emulsion does more than rid you of a cough. It rids you of the cold which is the root of the cough. Still more, it helps to protect you against a return of the trouble and against its going deeper.

Scott's Emulsion is aptly termed a food-medicine. It contains the nourishing properties of the whole cod liver oil, emulsified and combined with the medicinal qualities of hypophosphites, of lime and soda. It is probably more widely recommended by physicians for use in coughs and colds than any other preparation.

So-called wines, cordials and extracts of cod liver oil do not contain the value of the whole oil and are worthless in cases where a pure reliable cod liver oil preparation is needed. Scott's Emulsion has been the standard for over twenty-five years.

We will send a sample free to anyone on request.

**CROWS**  
To an Endowment  
In the North American Life Assurance Co. Read the following:  
HALIFAX, N. S., Sept. 22, 1902.  
To the PROVINCIAL MANAGER,  
North American Life Assurance Co.  
Halifax, N. S.  
DEAR SIR,  
I have much pleasure in acknowledging the receipt through you of the Company's cheque for \$5,041.75, in settlement of my policy No 576, for \$5,000.00.  
I took out this policy 20 years ago, upon the Twenty Payment Life, 20 Year Investment plan, the annual premium being \$197.50. I find that I have paid the Company \$3,950.00 in premiums, and am now in receipt of \$5,041.75, or \$1,091.75 more than I have paid out; the insurance of \$5,000.00 on my life for the past twenty years not having cost me a dollar.  
This being a life policy, with twenty payments, (not an endowment,) I consider the return a most satisfactory one, and will have pleasure in recommending the North American Life to my friends.  
Yours truly,  
W. F. MATTHEWS.
