GRAIN

(Canadian Press)

WINNIPEG, Dec 7—Influenced by firmness at Chicago and the absence of pit offerings wheat prices held steady on the Winnipeg grain exchange today and closed with gains of ⅛ to ⅝ cent over the previous finish.

December wheat ended at 60½, May at 64, and July at 65¼ cents. Pit operations from the start were light and uninteresting. Outside news held little of interest and traders generally were marking time.

Export sales were small and no figure was placed on the movement. Liverpool wheat offered no encouragement, finishing ⅞ to 1d lower.

Small export shipments from the Argentine are looked for this week, the estimate showing only 625,000 bushels slated to go out. Black Sea wheat shipments this week amounted to less than 1,000,000 bushels with Russia accounting for 632,000 bushels of the 992,000 bushels cleared.

Broomhall reported little demand for wheat from any country but noted there was no real pressure.

Trading in cash and coarse grains was extremely dull and featureless.

REPORTS BUSINESS UPTREND —Major C. L. MacKay returned by the Borden train last evening from a trip to Toronto, Ottawa and Montreal. He attended an Executive Council meeting of the Canadian Manufacturers Association at Toronto and was a guest at St. Andrews Dinner at the Royal York Hotel at Ottawa. Major MacKay interviewed the heads of some of the departments and attended the funeral of the late Sir Arthur Currie in Montreal on Tuesday. He states the funeral was attended by multitudes of people from all walks of life, the number being estimated at 150,000, from the Grovernor General to the humblest citizen. It was a great tribute to a great soldier and leader. Business conditions in Canada continue on the uptrend and from statistical reports received there has been no let up in the march to better days.
