HORSE NOTES.

Farmers and breeders of this Province and especially of Queen's county about feel proud that the old-bred draft stallion MacQueen was purchased by Mr. Brown, the popular horseman and proprietor of the Rivers Hotel, MacQueen has proved himself a successful stock getter, his stock winning sweepstakes and first prizes at Toronto also at the Pan American Exhibition. MacQueen himself won first prize and gold cup for the best Clydesdale stallion registered in the Canada Stud Book. At the provincial exhibition of 1904 MacQueen won the \$200.00 special prize awarded by the Charlottetown Steam Navigation Co. for the best four colts produced from the one sire. Since Mr. Brown purchased MacQueen, buyers from Montserrat and Prince County as well as from abroad have been endeavoring to purchase this celebrated stallion. Although Mr. Brown has been offered several hundred dollars, more than his bid by auction, he has decided to keep him for this season. MacQueen will make the season at O'Connor's stables, Charlottetown.

What Are They Worth?

Try and Answer This Yourself.

In dollars and cents what is the worth of the brain of your arm; what is the value of the staying power that permits continuous labor—what are they worth to you?

Suppose you did something so foolish as to reduce your strength, vitality or judgment one half, and it were impossible to get them back,—how much would you pay to regain the lost portion?

When you let yourself run down, you reduce your chances for success in life—your sleeplessness comes, you score lower still—should appetite, or digestion fail, you are stared in the face by physical bankruptcy.

Don't let it go so far, take Ferrazone, it has cured thousands and it will cure you; it builds up bodily strength, makes muscles like steel, replaces spring tiredness by energy and new life. Ferrazone rebuilds sick folks because it contains the strengthening elements that every run-down system requires.

Especially before the hot weather comes, everyone needs a purifying tonic—Ferrazone fills the bill exactly—nothing known that juvenes and uplifts so fast. At once the appetite improves. You rest well, and arise next morning feeling fit and fine.

Headaches disappear, weakness gives way to the vigor that only Ferrazone can supply. Try it, results are guaranteed, 50c. per box or six for \$2.50 at all dealers.

THE JAMESTOWN EXPOSITION.

The Jamestown Exposition, which opens on April 20th, 1907, promises to be one of the most interesting of the larger expositions which have been held in later years. Its location at Sewall's Point on the historic Hampton Roads, some nine miles from the city of Norfolk, Virginia, and directly opposite Old Point Comfort, in itself will appeal to many, and the magnificent array of warships that will congregate here from all countries of the world will attract a tremendous number of people from all parts of the American continent, as well as from abroad. To Canadians who have not had the privilege of visiting the South this event will be the best opportunity that will present itself, and the low transportation rates that are offered will lend an additional attraction.

The only Canadian exhibit at this great Fair will be that of the Grand Trunk Railway System, who have erected a building of their own, in which the resources and attractive features of Canada will be shown, and at which both Canadian and American people, and where all information may be obtained. Another feature that is offered is the many different routes that can be taken to this Exposition from Canada, including rail, river and ocean journeys. The true hospitality of the Southern people, the history that surrounds the locality, and the many things to see and do, should be the means of inducing a large number to go from the north. Grand Trunk Agents will gladly give information as to the rates and routes.

POSTPONED.

Canada Life Assurance Co., Toronto, Ont., July 16th, 1906.

"I enclose you an application which one of my agents took on R. D. ..."

He Had Been Postponing His Examination

for some little time, and it is only about a week or two ago that our agent wrote him asking him if he would go up to be examined. However, he did not manage to get to the doctor and I am sorry to say since then

He Was Drowned

in the river here while bathing, so that although the Company has been saved this claim, his family are the losers through Mr. D. ... putting off what he fully intended to do."

The above is from a letter written by one of the Canada Life's Branch Managers. It illustrates that truth, so well known to those in touch with the experience of life Companies that a delay of even a few days may prevent the carrying out of one's plans, and may leave his dependents without the protection they need.

See that YOU do not postpone the taking of insurance. Be sure and insure in the Canada Life today.
