"FOR THE SAKE OF FUN MISCHIEF IS DONE."

A vast amount of mischief is done, too, because people neglect to keep their blood pure. The mischief appears in eruptions, dyspepsia, indigestion, nervousness, kidney diseases, and other ailments. This mischief, fortunately, may be undone by the faithful use of Hood's Sarsaparilla, which cures all diseases originating in or promoted by impure blood. Hood's Pills cure all liver ills. Non-irritating.

Chollie—Mollie said I was good enough to eat. Dollie—She probably thinks you are a lobster.

In the warm weather, many suffer from various forms of eruptions, known as "heat rashes," which often cause considerable discomfort on account of their intolerable burning and itching. Theseskin diseases are simply an outward manifestation of the impure, perhaps over heated blood and can easily and permanently be cured by Burdock Blood Bitters.

It keeps the bowels regular, the kidneys free, and stimulates the liver to healthy action. In this way, through the natural excretory channels of the body, it removes all poisons and impurities from the blood, and in consequence the skin becomes clear and smooth and free from spot or blemish.

She—Do you suppose we are ever to have any rain? He—Oh, yes; as soon as the picnic season comes.

ITCHING PILES

False modesty causes many people to endure in silence the greatest misery imaginable from itching piles. One application of Dr. A. W. Chase's Ointment will soothe and ease the itching, one box will completely cure the worst case of blind, itching, bleeding or protruding piles. You have no risk to run for Dr. A. W. Chase's Ointment is guaranteed to cure piles.

Angling Note.

Men are somewhat like fish. As soon as they think they are able to get along on their own hook they are likely to get caught on some one else's.

THE ORIGINAL.

There is only one remedy known that has a combined action on the kidneys and liver and cures the most complicated ailments of the delicate filtering organ, and that is Dr. Chase's Kidney-Liver Pills, the original kidney pill. This world famous kidney and liver cure has enormous sale in all parts of Canada and United States.

Artificial Teeth on Metal Plate

A dentist who knows his business, and one that has any regard for his patients will always advise them to have a metal plate. PROF. MELVILLE B. BUCKLEY, Instructor Boston Dental College, Boston Mass. In view of the vast amount of injury done to the mouths of wearers of rubber or vulcanite plates, by the retention of undue heat owing to the non conductivity of rubber, and as aluminum is now so cheaply produced and making as it does a rigid, light, cleanly, unobjectional plate there seems no reason why any person should wear a rubber or vulcanite plate. Not only this, but better results in fit and adhesion are obtained in difficult cases, than in the use of rubber. L. P. HASKELL, D. D. S. Chicago Ill. Dental School

The above quotations are from hundreds by eminent dentists whose close observation in many years experience in plate work has learned them the many advantages of metal over rubber. Many persons who are compelled to wear artificial teeth on a plate find that the ordinary plate causes heating of the mouth, bad taste, shrinkage of the gums, etc. finally causing the plate to get loose, sometimes sore lips, sore mouths and sore throats, and caused directly from the wearing of an ordinary plate.

We recommend a Metal Plate either of Gold, Platinum, Aluminum. It is a conductor of heat and cold, it is non-irritating, and is lighter, lighter, and stonger than any other plate.

We have testimonials from persons for whom we have made metal plates—not one would wear an ordinary plate again. You can have your impression taken, and a metal plate made same day fully guaranteed because we make them ourselves, and know all about the material used. Call and see specimens of our work. Every piece of work done by us must give entire satisfaction to the patient, else we will not allow it to leave our office.
