Hood's Sarsaparilla purifies, enriches and revitalizes the blood in its own peculiar and unequaled way, and this is the testimony of tens of thousands who have given this great medicine an opportunity to do them good. Accept no substitute for

HOTCHKISS, Wallingford, Conn.

Even Her Blood Turned To Water

When Dying Of Pernicous Anaemia Her Life Was Saved By

..FERROZONE..

Probably very few cases are on record in which an absolute cure has been made of pernicious anaemia.

But Ferrozone did cure Miss Elaine Stanhope—cured her absolutely, and her mother Mrs. G. Stanhope of Rothesay, Ont., says the following:

"My daughter complained of feeling tired. She was very pale and listless, and kept losing strength till too weak to attend school. The doctors prescribed different bottles of medicine but Elaine kept getting worse instead of better. She had Anaemia and we were afraid for a while that she might never rally. We read of a similar case, that of Miss Descent of Stirling, Ont., being cured by Ferrozone, and this induced us to get it for Elaine. It took three boxes of Ferrozone to make any decided improvement, but when six boxes were used my daughter was beginning to be her old self again. It didn't take much longer to make a complete cure and I am convinced that there is no better bloodmaker than Ferrozone. It has made a new girl of Elaine. She has gained ten pounds in weight and looks the picture of perfect health. She is stronger and enjoys the best of spirits. The credit of her recovery is entirely due to Ferrozone."

Every grown girl and young woman can make herself strong and healthy with Ferrozone.

It makes blood, nerve and tissue,—makes it fast—makes it so stay.

Complexion soon becomes perfect, nerves get new strength, tiredness vanishes—perfect health is the reward for using Ferrozone, which is sold by all druggists—price 50c. per box; don't fail to try it.
