

## We Wish all our Patrons and Friends a Merry Christmas and a Happy New Year.

And in doing so, take advantage of the occasion to sincerely thank them for their very generous patronage during the months which are past, also to solicit a continuance of the same, for the coming year. We on our part will leave no stone unturned to make this popular store, more worthy still, so that 1904 may find us in a position to add materially to our already large list of satisfied customers.

Again wishing you the compliments of the season. We are  
Yours gratefully

### AN ATTACK OF PNEUMONIA Warded OFF.

"Some time ago my daughter caught a severe cold. She complained of pains in her chest and had a bad cough. I gave her Chamberlain's Cough Remedy according to directions and in two days she was well and able to go to school. I have used this remedy in my family for the past seven years and have never known it to fail," says James Prendergast, merchant, Annetto Bay, Jamaica, West India Islands. The pains in the chest indicated an approaching attack of pneumonia, which in this instance was undoubtedly warded off by Chamberlain's Cough Remedy. It counteracts any tendency of a cold toward pneumonia. For sale by all druggists.
