On Wednesday evening last Mr. Vinnicombe's Orchestra had an excellent rehearsal of Leonard's beautiful mass which is to be rendered on Christmas morning in St. Dunstan's Cathedral. This mass was arranged and set to instrumentation by Mr. Vinnicombe who has displayed considerable musical ability in bringing out some of its fine effects on the various instruments.

On Wednesday evening after prayer meeting a committee of the Presbyterian churchmen of Marshfield waited upon Rev. W. H. Spencer and presented him with an address and a valuable fur coat, as a token of the esteem in which he is held by his parishioners. The address was read by Lorne A. Gibson, to which the reverend gentleman suitably responded, rendering a hearty thanks to his congregation for the honor they had shown him.

SHIPMENTS of smelts and eels in this Province are referred to the ad. of Joseph A. Rich & Co. of 176 Atlantic Avenue Boston which appears elsewhere. This firm requests applications for prices and specimens. They will furnish quotations and give information at any time. A neat and convenient article in the shape of a nickelled match-safe is being distributed to the trade. Their references are excellent and correspondence from shippers will doubtless result profitably to both parties.

HAND AND BOLAND, wholesale commission dealers, New York, solicit shipments from Island dealers of smelts and eels which they handle as specialties. This firm is one of the most prominent of the fish dealers of New York. W. H. Hand has been for twenty-four years in the retail and wholesale fish business at the Corner of Beekman and Front Streets, and R. E. Boland has been for fifteen years on the Fulton Market. Their wide experience and prominence in the trade makes them an excellent firm with which to deal and doubtless their proposals will be accepted by many Island shippers.

SCHOOL CHILDREN'S LUNCHEON

SIR.—There is one thing about our public school management which we parents cannot understand. Why are our children sent out of the school-room to eat their luncheon? It may be all right for them to have exercise out of doors even on the coldest days; but could they not have time to eat their luncheon before going out? Surely the trustees do not realize how unpleasant it is to stand and eat a cold luncheon while the fingers are numb and the teeth chattering from cold. It is not surprising that there are so many of our children subject to catarrh and sore throat. There is no need for such haste in educating our children that they cannot have time to eat and have exercise as well.

Messrs McDonald & McKinnon received last week a total of 63 boxes of drug, patent medicines, soaps, sponges, toilet articles, perfumes and holiday goods. This is one of the largest shipments ever received by a drug firm in this city and is but another evidence of the wonderful trade enjoyed by the "Two Mac's" which necessitates the buying of goods in large quantities.

CHRISTMAS CANADIAN MAGAZINE.—It has been said that Canada cannot produce worthy periodicals. The Christmas CANADIAN MAGAZINE shows that we are keeping pace with the world. Its handsome-coloured cover, its coloured illustrations, and its excellent general appearance made it easily a rival of anything produced anywhere. As an advertisement of Canadian literature and, as an indication of our advancing prosperity and development, it is unique. It is to be hoped that Canadians will send thousands of copies abroad so that Americans and Britishers may know that the twentieth century has arrived in Canada as well as in the other parts of the Anglo-Saxon world. Six of the seven stories in the issue are written by Canadians. The paper, the ink, the engravings, the illustrations and the general mechanical appearance are an index of our industrial and mechanical progress. The cover also embodies this idea with the Indian in the foreground surveying the rushing express train in the district. Price 25 cents.

INTERESTING FACTS.

For Nearly Every Man, Woman or Child,

A short time ago we published an article recommending to our readers the new discovery for the cure of Dyspepsia, called Stuart's Dyspepsia Tablets, and the claims then made regarding the wonderful curative properties of the remedy have been abundantly sustained by the facts. People who were cautious about trying new remedies advertised in the newspapers and were finally induced to give Stuart's Dyspepsia Tablets a trial were surprised and delighted at the results. In many cases a single package costing but 50 cents at any drug store made a complete cure and in every instance the most beneficial results were reported. From a hundred or more received we have space to publish only a few of the latest but assure our readers we receive so many commendatory letters that we shall publish each week a fresh list of genuine, unsolicited testimonials and never publish the same one twice.

From James Yemmeliser, LaCross, Wis.: Stuart's Dyspepsia Tablets are doing me more good than anything I ever tried and I was so pleased at results that I gave away several boxes to my friends who have also had the same benefits.

From Jacob Anthony, Portmurray, New Jersey: I have taken Stuart's Dyspepsia Tablets with the best results. I had Dyspepsia for 6 years and had taken a great deal of medicine, but the Tablets seem to take right a hold and I feel good. I am a farmer and lime burner and I heartily recommend to everyone who has any trouble with his stomach to use these Tablets.

From Mrs. M. K. West, Preston, Minn.: I have received surprisingly good effects from using Stuart's Dyspepsia Tablets. I gave one-half of my last box to a friend who also suffered from indigestion and she had the same good results.

From Mrs. Agnes K. Ralson, Cadillac, Mich.: I have been taking Stuart's Dyspepsia Tablets and I am very much better, and feel very grateful for the great benefit I have received in so short a time.

Stuart's Dyspepsia Tablets are a certain cure for all forms of indigestion. They are not claimed to be a cure-all, but are prepared for stomach troubles only and physicians and druggists everywhere recommend them to all persons suffering from Nervous Dyspepsia, sour or acid stomach, heart burn, bloating or wind on stomach and similar disorders.
