At the home of her brother in law, Harlan P. Kennedy, Kingsboro, on Sunday, November 3rd as the last rays of the sun sank to rest beyond the western horizon the spirit of Miss Harriet A. Stewart, Malden, Mass., passed peacefully away from the scene of this earth to the great beyond. Miss Stewart was born in Kingsboro, P.E.I., fifty seven years ago, the daughter of the late Wm. and Mrs. Stewart. For twenty two years she resided in the U.S. She had been in failing health for ten months previous to her death, having undergone a serious operation in the Mass. General Hospital early in the year. In July she came on a visit to her native province in hopes of an improvement in health, but God willed otherwise, and it soon became evident that her days on earth were numbered. All that medical aid and loving hands could do was powerless to stay the hand of death. The deceased was confined to her bed for two months and was a constant sufferer. She was tenderly cared for by her sister, Mrs. Margaret Young and her nieces, Misses Alice and Annie Kennedy along with the care of a trained nurse for the last three weeks of her life.

A number of immediate relatives were invited. The supper table was very prettily decorated with autumn flowers and in the centre was a beautiful birthday cake decorated with 60 lighted candles. After supper there were a number of informal speeches congratulating Mr. Walker on this joyous occasion. Mr. Walker replied in his usual hearty and cheery manner. The remainder of the evening was spent in a pleasant social way. Before taking their leave the guests all wished Mr. Walker many happy returns.—S

When death visited the Easton home at Georgetown, on November 7th and thereafter from the father, one of the last links connecting the past with the present was severed. Over fifty years ago Mr. Easton was doing business with the public in Georgetown and in one way or another he maintained that contact until the time of his death. His clear-cut standards of living he carried out in practice so that he never lost friends but continually made others. In his young days Mr. Easton served over twenty-seven years in the Colonial Auxiliary Force, and held rank of Lieutenant in the same. His experiences during that time were always a source of pleasure to him and many interesting stories he told of the militia of another day.

—MONTHLY MEETING OF I. O. B. E.—There was a very good attendance at the regular monthly meeting of the I. O. B. E. at Summerside on Wednesday, Miss Hunt, the Regent, presided. Both papers have decided to study Africa this winter. Miss Holman who is the convenor of the study committee showed a map of Africa with the different parts owned by Britain marked and also showing Ethiopia. Mrs. Schurman read a paper on Ethiopia. Mrs. L. A. Moore also read a paper on the various phases of the Ethiopian trouble and its relation to Britain. Both papers were very interesting. Miss Wyatt was asked to prepare a paper on Empire study and the French possessions in Africa for the next meeting. It was decided to commence the donations of milk to undernourished children on December 1st. A sum of money was voted for the Santa Pal fund should it be asked for.—S

Now Science Explains Why So Many People Past 40 Feel That They're Slipping Losing Their "Grip" on Things

Many people 'round 40 think they're 'growing old.' They feel tired a lot. "Weak." Have headaches, dizzy spells, stomach upsets. Well, scientists say the cause of all this, in a great many cases, is simply an acid condition of the stomach. Nothing more. All you have to do is to neutralize the excess stomach acidity. When you have one of these acid stomach upsets, take Phillips' Milk of Magnesia after meals and before going to bed. That's all! Try this. Soon you'll feel like another person. Take either the familiar liquid "PHILLIPS" or the convenient new Phillips' Milk of Magnesia Tablets. Made in Canada.
