### MRS ANGUS MCLEAN

On the evening of April 1st, the gentle spirit of Ruby, wife of Mr. Angus McLean, of Milo, Lot 9, took its flight from earth to the golden gate of heaven. The deceased who was a daughter of Mr. and Mrs. George H. McLean, of Glenwood, was of a kind and lovable disposition and endeared herself to all with whom she came in contact both in the home of her girlhood and in Milo where she came as a bride less than two years ago.

During her long and trying illness she received the most skillful medical care and the best of nursing and for some time it was hoped that these coupled with the brave fight which she put up to conquer the disease, would eventually lead to a complete recovery, but God willed otherwise and on the above mentioned date she passed peacefully to the Great Beyond at the early age of twenty eight years.

She leaves to mourn besides her grief stricken husband and parents referred to above, the following brothers and sisters: Mrs. Humphrey, Oulton, Mrs. Cecil Gorrill, Messrs. Benjamin, Ralph and Alvin, of Glenwood, Mrs. William Stewart of Errol, New Hampshire and Stanley who has been living in Marlboro, Mass., and came home to see his sister about a week before her demise.

The funeral was held on April 3rd and in spite of the bad condition of the roads was largely attended. Services at the house and graveside were conducted by Rev. Ewen McDougall of the Church of Scotland, Charlottetown, assisted by Rev. W. S. Loring, of the United Church, Glenwood of which the deceased was a faithful member. The remains were laid rest in the Milo Cemetery, the pall-bearers being her four brothers and Messrs. Webster Murgidge and Gordon Campbell. The sincere sympathy of these communities is extended to her sorrowing relatives and friends in their hour of bereavement.—O.

For many years Mr. McPherson labored on this farm and with the aid of his amiable efficient and esteemed partner in life, Mrs. McPherson, by dint of hard work, economy and strict adherence to the scriptural injunction of sowing their seed in due season and gathering their food in the harvest, succeeded in laying by sufficient competence to enable them, should they so desire, to rest from their labors and enjoy the comforts of their beautiful home in Montague. In this case Brooklyn's loss is Montague's gain, and to have such an honorable upright and highly esteemed couple as Mr. and Mrs. Norman J. McPherson installed as permanent residents of the town will indeed be welcome news for the citizens of Montague the Beautiful.—(Patriot please copy).
