### ADDRESS AND PRESENTATION.

On Thursday evening, January 24th, a company of young people numbering sixty wended their way to the home of Mrs. Charles Easter, North Wiltshire, who with his family are about to leave for Charlottetown, when they presented his grand daughter Miss Emma Chandler with a well filled purse and the accompanying address: To Miss Emma Chandler:

Dear Madam.—We, your friends and associates of North Wiltshire having learned with regret of your intention to leave the Settlement, and engage in other important work in the City of Charlottetown, beg to approach you on this occasion to assure you of the high esteem in which you are held in your native District. As a member of the choir of the Methodist Church and Sunday School you will be greatly missed because of your regular attendance and devotion to the work of the Church. Many of us here present will always cherish the pleasant memory of the happy years we have spent together in the Village School and in Triumph Division, and though we shall miss you at all our social gatherings, we know that you will be happy in your new sphere of labor, for you possess in a marked degree, qualities of mind and heart that endear you to those with whom you associate. We regret the blank made in the district by the departure of the whole family for Charlottetown, and our best wishes follow you for health and material prosperity. In parting, please accept this purse as a slight token of our esteem. Signed on behalf of the people of North Wiltshire.

Miss Chandler very suitably replied Games of all kinds were then indulged in, at 10.30 a most delicious luncheon was served, after which the crowd dispersed to the tune of Auld Lang Syne.

### SCHOOL ENTERTAINMENT

A successful entertainment was held at Hazelbrook School on Monday evening, December 23rd.

The school room was very tastefully decorated for the occasion and, although the weather was unfavourable, it was well filled with ratepayers and visitors.

Mr. William Coady ably performed his duties as chairman and the best order prevailed. One of the most interesting features of the evening was a beautifully trimmed Xmas tree which was well loaded with presents. Following was the programme: Chorus, Merry Xmas; Address of Welcome, Freddie Coady; Recitation, Vernon Jones; Dialogue, Aunt Dinah and Columbus; Song, by five little boys; Recitation, Henry Jones; Monologue, Grandma's Photograph Album, Hannie Carver; Recitation, Edith Wood; Chorus, Take me back to Canada; Recitation, Elmer Myers; Dialogue, Spelling Class, eight pupils; Song, Memories, three girls; Monologue, So many Interruptions, Alvin Myers; Recitation, Austin Coady; Solo, Pearl McGilvray; Dialogue, Lapse of Memory; Recitation, Lloyd Jones; Exercise, Santa Clausen pupils; Chorus, Sleighing Song. Then Santa Claus appeared in the person of Mr. Kent Jones who performed his part well. He stripped the tree of its heavy load giving many presents to the pupils and others. Among other presents the teacher received from the pupils a beautiful fountain pen. Much credit is due the teacher, Miss Belle Coady, the pupils, Mrs. Anson Jones, who furnished the music and all others who helped to make the concert such a success. The singing of the National Anthem brought the pleasant evening to a close.

### BEAR RIVER NORTH XMAS TREE

A very successful examination was held in Bear River North School Saturday the 20th of December and owing to the fine night there was a very large attendance, quite a number from the adjoining districts were present. The school was tastefully decorated for the occasion. A large Xmas tree, beautifully trimmed, and well laden with gifts stood in one corner of the room. The pupils were examined in the different subjects by their teacher Miss Mary Hughes, a very efficient and capable teacher. This is the second year Miss Hughes spent in this district and the pupils ready and diligent answers to all questions asked showed that she has not been idle during the past ten months. The programme consisted of songs, recitations and a very interesting dialogue. A bad habit cured, performed by three girls and three boys. Those who took part in the dialogue deserved to be congratulated in a special manner. At the end of the programme Santa arrived with a good supply of presents for all. Home made candy was then passed around to pupils and visitors present and after congratulating Miss Hughes on the success of her examination the people departed for their homes well pleased with the enjoyable evening they had spent.
